Gentlemen:

I am transmitting herewith a copy of the letter of resignation from George Seibel as Director of the Carnegie Free Library of Allegheny, and of my letter accepting his resignation.

These two letters are being sent to you for your information and for whatever action may be necessary on this matter.

Very truly yours,

David L. Lawrence,  
Mayor

#### CARNEGIE FREE LIBRARY OF ALLEGHENY

Federal and Ohio Streets  
Pittsburgh 12, Pa.

December 14, 1954.

Mayor David L. Lawrence

Dear Dave:

With deep and real regret I tender you my resignation as Director of the Allegheny Carnegie Free Library, effective January 1, 1955.

I feel impelled to this step because of needed rest after more than 16 years of service, including one year as Police Magistrate in Morals Court.

During all this time I have enjoyed the confidence and support of Mayor and Council; have never been hampered by any political interference. For that happy state of affairs I thank you and the Honorable Council with all my heart.

Loving Pittsburgh, where I was born over 82 years ago, I shall always consider myself a native citizen and Pittsburgh my home. In that point of view it has been a pleasure to serve as a proud follower under so gallant a captain and friend as David L. Lawrence.

Sincerely,

George Selbel  
Director

#### MAYOR'S OFFICE

Pittsburgh, December 22, 1954

Mr. George Selbel  
Director  
Carnegie Free Library of Allegheny  
City of Pittsburgh

Dear George:

I have received your letter of December 14 and I share your deep regret in learning of your decision to resign as Director of the Carnegie Free Library of Allegheny.

Both as Mayor and as a personal friend, I have always valued highly your intellectual ability and your warm humanity, not to mention the faithful service you have given the citizens of Pittsburgh over these past sixteen years. It is only because I understand your desire to take a needed rest that I am accepting your decision to relinquish your duties, effective the first of the year.

I will send a copy of your letter to City Council, whose members, I am sure, share my appreciation for your conscientious devotion to the best interests of the people of Pittsburgh—a devotion which was always evident in you as a private citizen as well as a public official.

I know that the City will avail itself of your offer to advise, from time to time, on various aspects of the library operation.

Again, let me express the warm appreciation of the City of Pittsburgh to

you for your long years of service as a public official and the best wishes for many more years as an active leader in this great Pittsburgh community.

Very truly yours,

David L. Lawrence  
Mayor

#### CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Article XIV., Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, The Director of the Department of Parks and Recreation, in a letter addressed to the Mayor and the City Controller under date of January 10, 1955, has stated that it is necessary to change three (3) sections of the 1955 Salary Ordinance to bring the salaries in line with the duties performed in the Department of Parks and Recreation; and

Whereas, Section 90—Highland Park Zoo, Bureau of Administration, Maintenance Foreman has a rate in the 1955

Salary Ordinance of \$4270.00 per annum, and it is desired to change this rate to \$4000.00 per annum, so that this position is kept in line with the other salaries paid to staff members at the Highland Park Zoo;

Whereas, Section 93—South Side Division, Bureau of Grounds and Buildings, and Section 95—Bureau of Grounds and Buildings, 1955 Salary Ordinance, calls for (4) positions as Caretaker at a rate of \$3,439.00. It is desired to change title of these (4) jobs from Caretaker to Custodians, and the salary classification from \$3439.00 per annum to \$3110.00 per annum, to keep these salaries in line with the duties performed, and

Whereas, Such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances;

Now, Therefore, We David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, Controller of the City of Pittsburgh, do hereby certify to Council the existence of an emergency making it necessary to change the classifications and salaries as above set forth.

DAVID L. LAWRENCE,  
Mayor

EDWARD R. FREY,  
City Controller

## MOTIONS AND RESOLUTIONS

Mr. Dinan presented

No. 1922. Resolved, That the Executive Secretary of the Carnegie Free Library of the North Side is hereby authorized and directed to perform the duties and powers vested in the director of such Library until such time as this authority is revoked by action of City Council.

Which was read.

Mr. Dinan moved

The adoption of the resolution.

Mr. Dinan:

Mr. President: The purpose of this resolution is to prevent delay in the signing of papers and contracts for the North Side Carnegie Library. The situation is entirely different from that of a City department, where the Mayor could sign in the absence of a Director or department head. We think this will ease the situation until a further move is made with reference to the North Side Carnegie Library.

And the question recurring on the adoption of the resolution, the motion prevailed.

Mr. Schifano called up

Bill No. 1885. An Ordinance entitled, "An Ordinance supplementing and amending Section 2 and Section 3 of Ordinance No. 335, entitled, 'An Ordinance regulating the use and operation of vehicles on the streets of the City of Pittsburgh and providing penalties for the violation thereof,' approved October 3, 1922, as amended and supplemented."

In Council, January 14, 1955, bill read, rule suspended, read a second time and laid over pending clarification of certain code letters.

Which was read.

Mr. Schifano:

Mr. President: Bill No. 1885 was laid over for the purpose of giving clarification of the lettering "NPXW." Mr. Gittens, Traffic Engineer of the Bureau of Traffic Planning is here.

Michael J. Gittens, Traffic Engineer, Bureau of Traffic Planning:

Mr. President: The letters "NPXW" formally is a code which we use for

our own reference purposes in the office, and the meaning of the code letters is spelled out in the paragraph which follows here: "NP" indicates it is a No Parking regulation, and "W" is that it is in effect only on week days. "X" means that it is on certain hours on week days. If it is "NP" alone, such as the section just prior, the "NP" is just No Parking at any time. If it is "NPW" it means No Parking on week days, and it would mean No Parking at any time on week days, and "X" means it would be in effect only certain designated hours on week days.

Mr. Schifano:

Mr. Gitten has explained the code letters.

Mr. Counahan:

I heard him and I think everything is satisfactory.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan.	Schifano
Dinan	Weir
Fagan	Wolk
Jones	Gallagher, (Pres't)
Rodgers,	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Fagan:

Mr. President: I ask to be excused at this time because I have to attend a meeting of the three taxing bodies, which will be held in the Court House at 2:30. I would request that I be recorded as being present at the Finance Committee meeting which will immediately follow the adjournment of Council.

The Chair:

Mr. Fagan, you are excused, and your request will be complied with.

The Chair presented

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

The Chair presented

No. 1927. Whereas, For more than a quarter of a century, the Variety Club of Pittsburgh has maintained its leadership in local theatrical circles through service to its members and charitable activities for every good cause in the City; and

Whereas, The examples set here have been for the basis for the expansion of the Variety Club from a single small group of show people in this city to an international organization with 45 chapters, giving expression to the generosity for which people associated with the theatre are noted, and

Whereas, The charitable activities of the Variety Clubs have never been circumscribed by the narrow boundaries

of race, creed, color or national origin; and

Whereas, The finest project Tent No. 1 has carried on is the annual adoption of a child, whose welfare into adulthood is thus assured; and

Whereas, This year the Variety Club of Pittsburgh selected as its ward a little Negro girl, Catherine Variety Sheridan VI; Therefore, Be It

Resolved, That the Mayor and the Council of the City of Pittsburgh extend to the officers and members of the Variety Club of Pittsburgh their congratulations for an action which is consistent with the spirit of the theatre which accepts human beings for what they are and with the community spirit this city seeks to foster through such organizations as its Civic Unity Council; and hereby express their appreciation for the Variety Club demonstration of its faith in our democratic ideals of brotherhood; and their best wishes to Tent Number One for continued growth, success and service.

Which was read.

Mr. Jones moved

The adoption of the resolution and that a copy of the resolution be transmitted to the Variety Club of Pittsburgh.

Which motion prevailed.

Also

No. 1928. Whereas, The Duquesne University basketball team, under the inspiring leadership of Donald F. (Dudey) Moore, during the recent holiday season, added to its laurels by winning the championship of the annual Holiday Basketball Festival in Madison Square Garden in New York City; and

Whereas, These young men wearing the colors of one of the great institutions of learning in Pittsburgh are carrying on in the high traditions of their athletic predecessors whose exploits brought much credit to their school and our city; and

Whereas, Their teamwork and competitive spirit reflect the highest ideals of all American working together to reach common objectives; and

Whereas, This able group of athletes earned new honors for their school, and stirred the civic pride of every Pittsburgher; Therefore, Be It

Resolved, That the Mayor and the Council of the City of Pittsburgh officially extend to the players and the Coach of the Duquesne University basketball team their congratulations for winning the Holiday Festival championship, their appreciation of the teamwork that demonstrates to the entire United States and the world faithful adherence to the noblest concepts of our American heritage, and their best wishes for a successful basketball season.

Which was read.

Mr. Dinan moved

The adoption of the resolution and that a copy of the resolution be transmitted to Rev. Vernon F. Gallagher, President of Duquesne University.

Which motion prevailed.

Mr. Wolk moved

That Council adjourn to meet on Monday, January 24, 1955.

Which motion prevailed.

And

Council adjourned.

## MOTIONS AND RESOLUTIONS

The Chair presented

No. 1979.

Whereas, For the past twelve years, Lt. Colonel and Mrs. Ralph T. Miller have headed the work of the Salvation Army in the Pittsburgh district, in which this great international organization gave unstinting aid in every emergency—big and little—to this city and its people; and

Whereas, Lt. Colonel Miller and his wife—his devoted co-worker—are now about to leave Pittsburgh to take on greater responsibilities in Boston, where they will have charge of Salvation Army activities in six New England states; and

Whereas, The faithful, unselfish work Colonel Miller and the local Salvation Army have done here in Pittsburgh since 1942 has earned the admiration, respect and gratitude of every Pittsburgher; and

Whereas, The loss of the judicious counsel and constant willingness to help that Lt. Colonel Miller and Mrs. Miller gave in every good cause in the Pittsburgh area will be deeply felt throughout our civic life; NOW,

Therefore, Be It Resolved, That the Mayor and the Council of the City of Pittsburgh officially extend their gratitude and appreciation for the tremendous work Lt. Colonel Miller and his wife have done in this area during their assignment here, and take this opportunity to wish them God-speed and success in their new assignment.

Which was read.

Mr. Dinan moved

The adoption of the resolution and that a copy be presented to

Colonel and Mrs. Miller at the luncheon to be held in their honor on Tuesday, January 25, 1955.

Which motion prevailed.

Also

No. 1980.

Whereas, The Trustees of the Sarah Mellon Scaife Foundation have offered to cause to be constructed at their own cost and expense a miniature railroad on property of the City of Pittsburgh in the Highland Park Zoological Gardens and to convey all their right, title and interest in and to said railroad and equipment therefor to the City of Pittsburgh upon completion of the project; and

Whereas, The Allegheny Conference on Community Development is to act as the dispersing and contracting agent for the donors; and

Whereas, The Mayor and the Council of the City of Pittsburgh desires to accept the aforesaid gift, Now, Therefore, be it

Resolved, That the Mayor and the Council of the City of Pittsburgh do hereby accept with gratitude the generous gift of the Trustees of the Sarah Mellon Scaife Foundation to the City of Pittsburgh of a miniature railroad and equipment therefor to be located at Highland Park Zoological Gardens.

That; The plans and specifications for the construction of the railroad shall be approved by the Director of the Department of Parks and Recreation.

That; The Mayor and the Council of the City of Pittsburgh do hereby grant to the Allegheny Conference on Community Development, its agents and employees, the right and privilege to enter upon the Highland Park Zoological Gardens for the purpose of constructing and equipping said miniature railroad.

That; The Pittsburgh Zoological Society shall have the right to charge a fee for rides on said railroad not to exceed the amount of \$.20 per round trip and all revenue so derived over and above operation costs shall be held by the Society for the utilization and maintenance of additions to the Children's Zoo and the expansion of this new facility.

That; The Mayor and the Council of the City of Pittsburgh shall and do hereby express their sincere appreciation to the Trustees of the Sarah Mellon Scaife Foundation for this splendid additional gift to the citizens of Pittsburgh; and that; a copy of this Resolution be transmitted to the Trustees of the said Foundation.

#### OFFICE OF THE MAYOR

Pittsburgh, Pa.,  
January 24, 1955.

President and Members  
City Council  
City of Pittsburgh.

Gentlemen:—

I am happy to submit to you the name of Robert J. Templeton, 335 Fernhill Avenue, Pittsburgh, Pennsylvania, whom I am appointing Director of the Department of Parks and Recreation, City of Pittsburgh, subject to the approval of your honorable body.

Very truly yours,

David L. Lawrence,  
Mayor.

Which was read, received and filed.

Also

No. 1982.

Resolved, That the appointment by the Mayor of Robert J. Templeton as Director of the Department of Parks and Recreation is hereby approved and confirmed.

Which was read.

Mr. Dinan moved

The adoption of the resolution.

Mr. Dinan:

Mr. President: With your permission and the permission of my colleagues, may I say that I know you are all pleased with the promotion of Howard Stewart, but I want to say that in the elevation of Mr. Stewart, the City

of Pittsburgh has lost one of the finest Directors it has ever had; a truly good example of a fine executive. Mr. Templeton will have a difficult task filling the shoes of his predecessor, but he has the qualifications, and I am sure, with the guiding hand of his predecessor, will continue to do a good job as head of the Department of Parks and Recreation for the City of Pittsburgh.

And the question recurring on the adoption of the resolution, the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Counahan	Schifano
Dinan	Weir
Fagan	Wolk
Jones	Gallagher, (Pres't)
Rodgers	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

Mr. Schifano moved

That the Minutes of Council of Monday, January 10, 1955, and Friday, January 14, 1955, be approved

Which motion prevailed.

Mr. Fagan:

Mr. President and Gentlemen of Council:

I would like to make this motion, that when Council adjourns today it shall do so out of respect to the memory of the late Father James L. Quinn, of happy memory, who passed away last week, and whose funeral will be tomorrow.

He was a resident and a Priest in the Pittsburgh Diocese for the past fifty-seven years. He was Pastor of Resurrection Church for the last forty-six years. Back in 1909 the late Bishop Canevin gave him a temporary appointment to this new parish and that temporary appointment lasted over the

past forty-six years. His first appointment was to St. Patrick's, where he and the oldest lovable Priest of the Pittsburgh Diocese, Father Keltz, were Assistants. Later he was Chaplain at the Western Penitentiary, at Morgantown, and at St. Joseph's Protectory. He was assigned to a number of Catholic missions and non-Catholic missions over a period of several years before becoming Pastor of Resurrection Church. He was one of the real outstanding, liberty-loving and God-fearing citizens, and a great Priest. The President of Council, and I are members of that Parish, and Commissioner Kane and the late Philip Murray were members. I have been in that parish thirty years, and I believe, Mr. Murray was a member of the parish from 1910 until his death.

Father Quinn was respected, loved, revered and admired not only by the people of the Catholic faith but by everybody in the community. When he celebrated his golden jubilee every outstanding Protestant in the community was there to pay his respects and a tribute of his love and admiration for him.

I offer the following prayer as part of my remarks:

Accept, O Lord, we beseech Thee, the prayers we offer for the soul of Thy servant, James, that Thou mayest command him, to whom in this world Thou didst grant the priestly dignity, to be joined in the company of Thy saints, through Jesus Christ, our Lord, Amen.

Mr. Fagan moved

That Council adjourn and stand in silent prayer out of respect to the memory of Father James L. Quinn, late Pastor of the Resurrection Church, Brookline.

Which motion prevailed.

And

Council adjourned.

#### MAYOR'S OFFICE

Pittsburgh, Pa.  
February 14, 1955.

President and Members,  
City Council,  
City of Pittsburgh.  
Gentlemen:

In the course of Pittsburgh's recent history of municipal rebirth and renewal, there have been infrequent yet insistent contentions that the cultural side of our community life has not been improved and enriched in equal measure to the progress made in other fields.

Certainly such critics, however well intentioned they may be, overlook the remarkable forward strides made in the city's own Department of Recreation; the outstanding growth, both in physical plant and in curriculum, of our institutions of higher learning, the impressive contributions of such artistic groups as the Symphony, the Civic Light Opera, the Pittsburgh Playhouse, and numerous similar organizations and

the other cultural achievements of such facilities as Carnegie Institute, Buhl Planetarium, WQED, and various other institutions.

In many of these activities, the City of Pittsburgh has played important roles, in cooperation with private citizens and community-minded organizations. In the instance of one of the most important cultural assets of Pittsburgh, that of providing a highly-respected and widely-used library system, the City, through annual appropriations for operating expenses, has direct responsibility.

An urgent need for improvement and rehabilitation of the Carnegie Library Building in Schenley Park now makes it necessary to request City Council to appropriate \$375,000, to be paid over a three year period beginning in 1955, to the Carnegie Library of Pittsburgh to cover a portion of the cost for this important work.

In the accompanying legislation, providing for such an appropriation, it is pointed up that Carnegie Library has been offered a fund to match the sum provided by the City, which will, of course, generously facilitate completion of the rehabilitation program at the main library building.

In view of City Council's interest in the maintenance of a library system of the highest standards, I am confident that this legislation will be favorably received and acted upon by your body. I am equally certain that the appropriation which this resolution provides will serve as a wise and fruitful investment in Pittsburgh's future as one of America's leading cultural and educational centers.

Very truly yours,

David L. Lawrence,  
Mayor.

Also

No. 2068. Resolution appropriating to Carnegie Library of Pittsburgh, Pennsylvania the sum of \$375,000.00, payable from either tax funds or bond monies, in the sums of \$125,000.00 for the year 1955; \$125,000.00 for the year 1956; and \$125,000.00 for the year 1957; said sums to be expended by the Trustees of Carnegie Library of Pittsburgh,

#### CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Bond Fund No. 18712, Series A, 1953, provides, inter alia, for the expenditure of \$45,000.00 for the purchase of traffic equipment for the Bureau of Traffic Planning, Department of Public Safety, and the sum of \$15,000.00 for the installation of such equipment for the same Bureau and Department; and,

Whereas, The Traffic Engineer of the Bureau of Traffic Planning, Department of Public Safety, is of the opinion that a considerable saving to the City can be made by the employment of temporary personnel for the installation of traffic equipment by the Bureau of Traffic Planning of the Department of Public Safety; and,

Whereas, Such saving of City funds appears to be a good and sufficient reason for the certification of an emergency under the circumstances;

Now, Therefore, we, David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, Controller of the City of Pittsburgh, do hereby certify to the Council of the City of Pittsburgh the existence of an emergency requir-

ing the temporary employment of sufficient personnel for the installation of traffic equipment under the direction of the Bureau of Traffic Planning, Department of Public Safety.

DEPARTMENT OF LAW

Pittsburgh, Pa.,  
February 10, 1955.

Committee on Lands,  
Buildings and Housing,  
City Council,  
City of Pittsburgh.

In Re: Bill No. 2028—Resolution authorizing sale of property to Pittsburgh Piping and Equipment Company.

Gentlemen:

In response to your request of Feb. 9, 1955, be advised that this department believes that the Vacating Ordinance and the Resolution of Sale to the Pittsburgh Piping and Equipment Company should be passed at the same time.

It is also suggested that the Resolution contain the following paragraph:

"That the Mayor be and he is hereby authorized and directed to execute a quit-claim deed to the Pittsburgh Piping and Equipment Company upon payment of the sum of \$80,000.00."

Very truly yours,

J. F. McKenna, Jr.,  
City Solicitor.

Which was read.

Mr. Jones moved

That Bill No. 2028 be recomitted and Bill No. 2102 be referred to the Committee on Lands, Buildings and Housing.

The Chair:

You will recall that at last Tuesday's Committee meeting we discussed this matter, and the fact we advertised the vacation Ordinance, the transaction

should not be completed until anybody who wanted could be given the opportunity to appear for a hearing on the vacation.

And the question recurring on the adoption of the motion, the motion prevailed.

#### MOTIONS AND RESOLUTIONS

Mr. Wolk moved

That the Committee meetings, commencing with the Committee on Finance, be held on Wednesday, Feb. 23, 1955, at 2:00 o'clock, P. M., instead of on Tuesday, February 22, 1955, at 2:00 o'clock, P. M. (Washington's Birthday).

Which motion prevailed.

The Chair:

I want to thank all the members for their patience and attention in hearing with me in presiding over the past two meetings of Council. I hope the Chairman of the Finance Committee and the Chairman of the Health and Sanitation Committee have worked out their problems.

Mr. Dinan:

Mr. President: I want to say this: I noticed today the orderly manner in which the bills were read and laid out.

Mr. Dinan moved

That the Minutes of Council of Monday, February 7, 1955, be approved.

Which motion prevailed.

And upon motion of Mr. Dinan

Council adjourned.

#### CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13, of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all ap-

propriations shall be made annually by general ordinance, except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, The Director of the Department of Public Health, the Director of the Department of Lands and Buildings, and the Director of the Department of Public Works, in letters addressed to the Mayor and City Controller under date of February 17, 1955, have stated that an emergency has arisen in the Department of Public Health, Department of Lands and Buildings, and the Department of Public Works, requiring certain employees of the various above named departments to perform emergency services for the benefit of the City for which they were not fully compensated during the period of October 1st, 1954 to December 31st, 1954, inclusive; and

Whereas, It is necessary that additional funds be provided for additional compensation to those employees aforementioned, who performed these emergency services for the benefit of the City of Pittsburgh, and for which they have not been fully compensated; and

Whereas, Such appears as good and sufficient reason to impel the certification of an emergency under the circumstances;

Now, Therefore, We, David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, Controller of the City of Pittsburgh, do hereby certify to the Council of the City of Pittsburgh, the existence of an emergency requiring the appropriation of an amount not to exceed \$15,096.48, for the payment of extra compensation due employees whose names will appear on a special payroll submitted by the respective departments, and chargeable to Code Account No. 42, Contingent Fund.

David L. Lawrence,  
Mayor

Edward R. Frey,  
City Controller

Dated: Feb. 24, 1955

Which was read, received and filed.

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan	Rodgers
Dinan	Schifano
Fagan	Weir
Jones	Wolk

(Mr. Gallagher (Pres't) not voting.)

Ayes 8. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the bill passed finally.

Also, with an affirmative recommendation,

Bill No. 2126. Resolution authorizing and directing the City Solicitor to satisfy without payment the assessment in the amount of \$201.00 at No. 3627 April Term, 1954, against James A. and Gata M. Bua, for construction of sewer on Midland Avenue, and charging the costs and expenses to the City of Pittsburgh, for the reason that James A. and Gata M. Bua had previously been assessed for a storm sewer on Dorchester Avenue.

Which was read.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the resolution was read a second time.

Mr. Fagan:

Mr. President: On File No. 1163, Bill No. 2125, I would like the Chairman of the Finance Committee to give us a little information on the stock of the General Motors Corporation.

Mr. Wolk:

Mr. President: You either have to subscribe by paying money or sell them.

Mr. Fagan:

What does the Chairman of the Finance Committee recommend?

Mr. Wolk:

I am not recommending anything. I am just going to vote in favor of it.

Mr. Fagan:

Why are you going to vote in favor of it?

Mr. Wolk:

I think it is the right thing to do. I am not recommending anything to anyone else as to what they should do.

Mr. Weir:

I think it would be best to buy the stock, but we are not allowed to.

Mr. Wolk:

Mr. President: I think Mr. Fagan indirectly has raised a question and I want to make a motion. Since we are the owners of 250 shares of General Motors, I move that the City Controller advise Council whether or not he recommends the sale of the original 250 shares.

Which motion prevailed.

And the resolution was read a third time, and upon final passage the ayes and noes were taken, and being taken were:

No. 2180.

#### OFFICE OF THE MAYOR

Pittsburgh, Pa., February 28, 1955.

President and Members

City Council

City of Pittsburgh

Gentlemen:

Under the terms of the housing code legislation enacted in 1954, Pittsburgh will, on March 1, 1955, begin its program to stop the spread of slum and blight and to raise its housing standards to modern levels of sanitation and livability.

As it was pointed out during the drafting of the housing code legislation and in the hearings conducted by City Council, the need for such an ordinance is not unique to Pittsburgh. Indeed, many cities, notably Baltimore, have had such legislation for some time and have been carrying out a housing rehabilitation program with success and accomplishment.

Pittsburgh, with its achievements in urban redevelopment and overall municipal renaissance, has long recognized the threat which continuing spread of blight and development of slums presents to its whole community life. Obviously, the existing redevelopment program could not possibly clear out all areas of blight in Pittsburgh in the immediate future. By enacting the Housing Code, the City recognized its additional responsibility of preventing the spread of blight in districts which can still be salvaged and made into good residential neighborhoods again.

I believe it is well, at this time when the Code goes into effect, to recount the history of this legislation, which had a wide public support from the idea stage until it was enacted into law.

The Civic Club of Allegheny County and the Pittsburgh Housing Association, together with redevelopment, housing, and health officials, first developed the studies which led to the recommendation that a new housing code be prepared. At the prompting of this group, I requested the A. W. Mellon Educational and Charitable Trust to make a grant to the University of Pittsburgh Law School for a project to review existing housing laws and to prepare a new code.

After this was done—and it was a project which took many months—the draft code was reviewed by a citizen's committee, and various groups and individuals, such as the Home Builders Association, the Real Estate Board, labor unions, neighborhood civic groups, social agencies, and others interested in housing improvement and in the Pittsburgh redevelopment program.

The result is the Code which was passed by Council and approved by the Mayor last year and which goes into effect tomorrow.

Under terms of the ordinance, a Housing Coordinating Committee and a Hearing Board are to be staffed with appointments made by the Mayor and approved by City Council. The Committee and the Board will, respectively, set the general policy framework within which the Code will be implemented

and provide an appeal agency for those citizens who believe that the application of the Code in particular instances works an undue hardship.

In the case of the Coordinating Committee, the ordinance prescribes that it shall consist of nine members, including the Director of the Department of Public Health, who shall be chairman, the Planning Director of the Department of City Planning, the Director of the Department of Public Safety, and the City Solicitor.

I have appointed the following persons to the other five positions on the Committee, subject to the approval of City Council:

For a Term of One Year:

Robert B. Pease, 5677 Beacon Street, Pittsburgh, (Representing the Urban Redevelopment Authority of Pittsburgh)

Alfred L. Tronzo, 200 Ross Street, Pittsburgh, (Representing the Housing Authority of the City of Pittsburgh)

For a Term of Two Years:

Mrs. Edward M. Boyne, Undercliff Road, Pittsburgh

George A. Jones, III, 1515 Carson Street, Pittsburgh

For a Term of Three Years:

Roland M. Sawyer, 900 Adelaide Street, Pittsburgh.

Under the terms of the Housing Code, the Hearing Board is to consist of five members, two of which are to be officials or employees of the City in an agency other than the Health Department and three to be public members.

Accordingly, I have appointed the following persons to three-year terms as members of the Hearing Board, subject to the approval of City Council:

David Stahl, Assistant City Solicitor.  
Department of Law, 2325 Beaufort Avenue

Harry A. Cox, Building Construction Inspector, Bureau of Building Inspection, Department of Public Safety, 5419 Miiflin Road

Emil Limbach, 66 Riverview Avenue, Pittsburgh

Charles S. Ingham, 632 Pennridge Road, Pittsburgh

John C. R. Kelly, 1159 King Avenue,  
Pittsburgh

It is apparent that the members of these two agencies and the City officials charged with implementing the Housing Code cannot do the job without broad and energetic support from the community. It is in view of this knowledge that I have appointed a Citizens Council on Neighborhood Improvement, whose members include more than 200 Pittsburghers, representing business, civic, labor, educational, and religious interests in the community. It will be the responsibility of this citizens' group to work with others in informing the public about the Housing Code and about the broad work of neighborhood improvement which can be achieved through the Code and other public and private activities.

Every responsible person realizes and recognizes that the enforcement of the Housing Code is going to present many problems, representing, as it does, probably the most difficult enforcement task since the early days of smoke control. But just as smoke control has been a success, we believe that Housing Code enforcement can be successful also.

Everyone is not going to be in compliance by tomorrow or for months or years thereafter. As I have said before, there will be no policy of "crack-downs" or of being "hard-boiled" for the sake of showing how tough we are. But there will be a steady, unremitting pressure for better housing standards, carried out on an intelligent and planned basis of implementation by competent inspectors, qualified for their positions and properly identified to the public. No successful program can be accomplished through reactive, hit-or-miss enforcement.

I am confident that the purpose of the Housing Code meets with broad public support, as was clearly demonstrated during the public hearings conducted by City Council. I am equally confident that the difficult job of implementing the ordinance will be performed in such a way as to continue to merit for the overall program that community understanding and support which is vital to its success.

Very truly yours,  
David L. Lawrence,  
Mayor.

Which was read, received and filed.

Also

No. 2181.

Resolved, That the appointments by the Mayor of the following members of the Coordinating Committee and the Hearing Board for the enforcement of the Housing Code shall be and the same are hereby approved and confirmed.

Coordinating Committee:

For a Term of One Year

Which was read, received and filed.

Mr. Rodgers moved

That further action on the bills be indefinitely postponed.

Mr. Schifano:

Mr. President: I would like to know what the effect of the response would be.

Mr. Rodgers:

I intend to vote "No".

Mr. Counahan:

Mr. President: I think we should have that clarified. We are bringing in a negative recommendation from the Committee. You vote Aye on the recommendation—that kills the bill. If you vote No, it means you are voting against the recommendation.

Mr. Weir:

Mr. President: I think Mr. Rodgers is correct. What we do here is vote on the bill. The Committee has recommended it negatively and therefore the vote is on the bill. I think Mr. Rodgers is correct. If you want to vote against this, you should vote No.

**Mr. Counahan:**

I think the President should straighten it out. I take the stand the other way. We should understand just how we vote.

**Mr. Rodgers:**

Mr. President: I think that could be explained by each member of Council as he votes. We want to have final action on this bill today.

**Mr. Jones:**

Mr. President: I followed the discussion, and it seems to me it is very simple. We are not voting on the report of the Committee. That is only the intention of the body. We are voting on the bill. We are either for or against it.

**The Chair:**

We have had a situation like this before. I think Mr. Counahan's interpretation is correct.

**Mr. Fagan:**

Mr. President: If there is any element of doubt, all a Councilman has to do is vote for the negative recommendation of the Committee. That kills the bill.

**Mr. Wolk:**

Mr. President: The motion is merely to indefinitely postpone further action on the bill. You do not have the bill printed here.

**Mr. Dinan:**

I don't want it clouded any further. Let us put it to the Chair and put it to a vote.

**Mr. Jones:**

Mr. President: For a matter of information, if we are to vote to indefinitely postpone it, does it mean we cannot bring it up again in this Council?

**The Chair:**

Not this session. The Clerk says, to indefinitely postpone, you cannot bring it up this year.

**Mr. Schifano:**

Mr. President: We had a similar ordinance before us affecting property on Brighton Road and we were re-

quested to take some action because there were some commitments by the purchaser of the property. I do not know what the commitments are on this bill, but I would like to clarify this for all the interested parties involved.

**Mr. Weir:**

Mr. President: Is it your opinion, to vote to indefinitely postpone, the bill cannot be brought up again in this Council?

**The Chair:**

Not in this Council.

**Mr. Weir:**

If that is your ruling and there is no appeal taken, I would say that would be the law of Council.

**The Chair:**

That is my ruling on the advice of Mr. Boxheimer, who is our Parliamentarian.

**Mr. Counahan:**

Mr. President: I believe we had this not long ago and we voted; a negative recommendation was brought in and we voted Aye on that recommendation. That happened to be on Brighton Road and it isn't too far back. We can check that.

**Mr. Weir:**

Mr. President: On the basis of your ruling, that a motion which is carried, to indefinitely postpone action on this bill will result in its being killed so that it could not be brought up again in this Council and there being no appeal from your ruling, I take it that the ruling is final, and I will move that further action on both these bills be indefinitely postponed.

**Mr. Counahan:**

This is a negative recommendation from the Committee. Let us see how we stand on that. You have the report there. Let us straighten that out.

**The Chair:**

For your information, on a similar bill to this, on a negative recommendation of the Committee, Mr. Garland moved that further action be indefinitely postponed, and the Clerk informs me that action kills the bill for the remainder of this year.

Mr. Weir:

Mr. President: It is my intent in making this motion, if we vote on the motion that the bills are killed.

Mr. Counahan:

I don't think that is the proper procedure.

The Chair:

It is the ruling of the Chair on advice of the Parliamentarian of Council and precedents established in former Councils.

Mr. Jones:

Mr. President: I can foresee a situation where the Committee might affirmatively recommend it and before it comes before us the opinions might be such that they do not want to pass it. If I understand Mr. Counahan's statement, he wants to accept or reject the report and then go on to vote on the two bills. We have a report that brings in a recommendation to this body that it is negatively recommended. Do we vote on that report or on the bill?

Mr. Weir:

I felt as you did at the beginning, but I have learned that the bills have not been printed and therefore, they cannot be properly before us. That is why I feel we should accept the ruling of the Chair.

Mr. Jones:

Then we are voting on the recommendation of the Committee?

Mr. Weir:

In effect.

Mr. Jones:

Then that is all that is before us.

Mr. Fagan:

Mr. President: May I have the motion explained?

Mr. Weir:

Mr. President: Because the bills have not been printed, I do not think we can vote directly on the bills. We have to vote on the recommendation of the Committee. The Chair has ruled, after seeking advice from the Parliamentarian that further action be indefinitely postponed. The effect would be, if

passed, to kill the bills in this session of Council. If you vote Aye on this motion, that will be your vote.

And the question recurring on the adoption of the motion, the motion prevailed.

Mr. Jones presented

No. 2260. Report of the Committee on Public Service and Surveys for March 8, 1955, transmitting two ordinances to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 2192. An Ordinance entitled, "An Ordinance granting unto Duquesne University, its successors or assigns, the right and privilege to construct, maintain and use a 6" diameter steam supply line and a 2" diameter return line encased in a reinforced concrete tunnel for heating and miscellaneous purposes, in and across Locust Street, in the First Ward, Pittsburgh, Pennsylvania."

Which was read.

Mr. Jones moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan	Schifano
Dinan	Weir
Fagan	Wolk
Jones	Gallagher, (Pres't)
Rodgers	

Ayes 9. Noes none.

And a majority of the votes of Council, being in the affirmative, the bill passed finally.

Also

Bill No. 2026. An Ordinance

entitled, "An Ordinance vacating a portion of the back channel of Wainwright's Island and adjacent property, in the Ninth Ward of the City of Pittsburgh, from a point at the northeasterly side of Fortieth Street to a point at its intersection with the northwesterly line of the right-of-way of the Pennsylvania Railroad."

Which was read.

Mr. Jones moved

That the bill be recommitted to the Committee on Public Service and Surveys.

Which motion prevailed.

Mr. Weir presented

No. 2261. Report of the Committee on Health and Sanitation for March 8, 1955, transmitting an ordinance to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 2204. An Ordinance entitled, "An Ordinance providing for the letting of a contract for the furnishing and delivery of One (1) Compact Unit for the Positive Automatic Temperature Control of Chemical Solutions, less trade-in, for the Bureau of Medical Services, Department of Public Health, and for the payment thereof."

Which was read.

Mr. Weir moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Counahan	Jones
Dinan	Rodgers
Fagan	Schifano

Weir  
Wolk

Gallagher, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Fagan presented

No. 2262. Report of the Committee on Lands, Buildings and Housing for March 8, 1955, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 2183. Resolution authorizing sale to Robert Stanley Algeo and Ellen J. Algeo, his wife, lot on Ringwalt Street, 19th Ward, for the sum of \$375.00.

Which was read.

Also

Bill No. 2184. Resolution authorizing sale to Joseph B. Buccina and Alberta R. Buccina, his wife, lot on Montclair Street, 15th Ward, for the sum of \$650.00.

Which was read.

Also

Bill No. 2185. Resolution authorizing sale to Frank F. Neaville, lots on Lacock Street and Shore Avenue, 22nd Ward, for the sum of \$6,000.00.

Which was read.

Also

Bill No. 2186. Resolution authorizing sale to Nick Pacella and Rose Pacella, his wife, lots on Cape May Avenue, 19th Ward, for the sum of \$1,200.00.

Which was read.

Also

Bill No. 2187. Resolution authorizing sale to John Plymire, lots on Michigan Avenue, Cardiff Way and Arcadia Way, 18th Ward for the sum of \$1,500.00.

Which was read.

Also

Bill No. 2188. Resolution authorizing sale to John W. Rollin, lots on Dartmore Street, 32nd Ward, for the sum of \$2,000.00.

Which was read.

Also

Bill No. 2189. Resolution authorizing and directing the Mayor, on behalf of the City of Pittsburgh, to join with the County of Allegheny and School District of Pittsburgh on the one part, and Charles F. and Mary K. Taylor, 831 Climax Street, Pittsburgh 10, Pa., on the other part, in agreement for sale of real estate of Calvert Corporation, Brinwood Avenue and Private Road, free and clear of all encumbrances, for the sum of \$250.00, and upon receipt of said sum to execute and deliver a deed for the interest of the City in said property.

Which was read.

Also

Bill No. 2190. Resolution authorizing the Mayor and the Director of the Department of Lands and Buildings, in the name of the City of Pittsburgh, to enter into and execute a lease with Anna B. Dietrich, Harold D. Cochrane, Gladys C. Strauch and Louis H. Cochrane, Jr., for the building now occupied as a branch library and situate on Brighton Road near Woods Run Avenue, for a term of one year, beginning May 1, 1955, and ending April 30, 1956, at an annual rental of \$1,800.00, payable in monthly installments of \$150.00 each, to the Cochrane and Dietrich Property Account; the owners of said building shall pay all taxes, municipal claims and water rents, and any other charges against said building during the term of this lease; said lease shall be approved as to form by the City Solicitor, and charging same to Code Account No. 1361, Miscellaneous Services.

Which was read.

Mr. Fagan moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the rule having been suspended, the resolutions were read a second and third times, and upon final passage, the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Counahan  
Dinan  
Fagan

Jones  
Rodgers  
Schifano

Weir  
Wolk

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

Also

Bill No. 2191. Resolution authorizing the Department of Lands and Buildings to include in all Proposals for sales of public-owned property the following:

In the event that objection to the adequacy of the price fixed in this Proposal is filed and the property is not awarded to the undersigned after bidding in open court, it is agreed that the final Order of Court shall provide that the undersigned be reimbursed for the title search furnished at the rate of \$45.00 for the first thousand dollars or less shown herein, plus \$5.00 for each additional thousand or fraction thereof, to be paid from the final sale price as costs, unless the successful bidder is satisfied to accept the certification of the examining attorney and pay for his services;

Provided, said title report shows all claims and states that upon completion of proceedings under Act No. 514 of 1947—showing all defendants to be served—title to the property is certified to be good and marketable, and free and clear of all encumbrances.

Which was read.

Mr. Fagan moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the resolution was read a second time.

Mr. Fagan:

Mr. President: Just a moment or so before Council convened two gentlemen came to my desk—I do not know their names and I do not know whether they are from Tennessee or Alabama, or where they are from, but apparently they are interested in Bill No. 2191, with reference to fixing fees for searching of titles. Of course, the bill is before us at the present moment,

and as far as I am concerned, the interest that I have is that the people who have purchased property are protected and are not gouged for any fees for searching titles, and therefore, I am in favor of the bill.

**The Chair:**

Members of Council: N. J. Sugarman and Saul W. Goldberg, Attorneys, want to know if they can speak on this bill. I told them they would have to have the unanimous consent of Council.

**Mr. Fagan:**

Mr. President: The reason this resolution is here is the fact that Harry Beschel, in trying to work out the different propositions that come before him with reference to titles, certain parties over the phone told him to do certain things and when he tried to do them, they ran out on him. That is the reason this is before us. We have been hornswoggled in the sale of certain tax properties. In the first place, these men represent people who are buying lots. Certain people who are buying lots are interested in getting their proper assessment. I do not know these men's names, and they said the price for searching titles ought to be \$70.00, instead of the sum stipulated in the resolution.

**Mr. Wolk:**

Mr. President: Originally this came up as a matter of amending the Statute at Harrisburg. Right or wrong, I suggested this method of achieving the objective. Those who might have objections to the fees did not have an opportunity to be heard. We asked Mr. Beschel, who is a lawyer, to make his recommendation as to what the fee should be. They are in accordance with the title company fees, but these men raised a question that on such titles there is an extra fee. Even if we were of the opinion, after another hearing, that the fees be increased, we could not pass it today, because when you amend an ordinance in Council it has to lay over for reprinting. The only reason I did not speak on it, I am going to be absent, and in all fairness, it ought to be recommitted and give everybody an opportunity to express himself. The reason—we waited this long and one week's delay won't do any harm.

**Mr. Jones:**

Time is of the essence. Mr. Beschel is recording certain papers. Their attorneys represent clients who are buying property in the City of Pittsburgh.

**Mr. Fagan:**

Mr. President: Mr. Wolk said there was suggested legislation and, of course, the Council did not agree with that. And then, after Harry Beschel, Counsel for the City and School Taxing Bodies, brought the matter to our attention, I asked in the meeting if it was necessary for a public hearing, and everybody said No. At least that was the consensus of opinion. I again asked that question when it was cleared with the other two taxing bodies. I am in Council, in this building, every day, and to wait until a split second before the legislation is enacted, to ask postponement, I do not think is right. I do not know these gentlemen, and as far as I am concerned, we have been working on this for a long time, and it is going to be beneficial and helpful to those people I want to represent.

**Mr. Dinan moved**

That Bill No. 2191 be recommended to the Committee on Lands, Buildings and Housing, and that a hearing be arranged in order to give these men an opportunity to be heard.

Which motion prevailed.

**Also**

Bill No. 2028. Resolution authorizing sale to Pittsburgh Piping and Equipment Company by special warranty deed only, property between Fortieth Street and Forty-Third Street, 9th Ward, subject to certain rights and privileges, for the sum of \$80,000.00.

In Lands, Buildings and Housing Committee, March 8, 1955, read and amended in the Resolved clause by striking out the words, "by special warranty deed for the sum of \$80,000.00," and by inserting in lieu thereof the words, "That the Mayor be authorized to execute a quit-claim deed to said firm upon payment of the sum of \$80,000.00," and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. Fagan moved

That the resolution be recommended to the Committee on Lands, Buildings and Housing.

Which motion prevailed.

#### MOTIONS AND RESOLUTIONS

Mr. Wolk presented

No. 2263.

DEPARTMENT OF CITY CONTROLLER

Pittsburgh Pa.,

March 7, 1955.

President and Members

City Council

City of Pittsburgh

Gentlemen:

Under date of March 1, 1955, you informed me that your Honorable Body adopted the following motion:

"That the City Controller advise Council whether or not he recommends the sale of the original 250 shares of General Motors Corporation stock."

May I inform you that in addition to the 250 shares of General Motors Corporation common stock the City also holds 480 shares of United States Steel Corporation common stock.

From the information received I am of the opinion that it may be advisable to sell at this time the 250 shares of General Motors Corporation common stock and the 480 shares of United States Steel Corporation common stock.

Very truly yours,

Edward R. Frey,

City Controller.

Which was read, received and filed.

Also

No. 2264.

Whereas, Under date of October 27, 1931, certain notes, both promissory and judgment, and other collateral were deposited with the Colonial Trust Company, as Custodian, as security for cash deposits made by the City of Pittsburgh with the Pennsylvania Trust Company, a banking institution, then in liquidation by the Secretary of Banking of the Commonwealth of Pennsylvania as receiver; and

Whereas, On October 4, 1938, the City of Pittsburgh by order of the Court of Common Pleas of Allegheny County, at No. 3721 January Term, 1934, acquired possession of the unconverted pledged securities deposited under agreement with the Colonial Trust Company as Trustee; and

Whereas By agreement between the Secretary of Banking of the Commonwealth of Pennsylvania, Receiver of the Pennsylvania Trust Company, and the City of Pittsburgh, the herein named securities were appraised and an estimated value placed thereon as of July 10, 1936. Said value was accepted and approved by the Court of Common Pleas of Allegheny County by its Order of October 4, 1938, at No. 3721 January Term, 1934:

No. of Shares	Name	Appraised Value July 10, 1936
160	United States Steel Corporation (Common Stock)	61 $\frac{3}{4}$
125	General Motors Corporation (Common Stock)	70

Whereas, The United States Steel Corporation on May 2, 1949, authorized changing each one share of common stock into three shares of common stock (two additional shares for each one share), thereby increasing the number of shares held by the City of Pittsburgh to four hundred eighty (480).

Whereas, The General Motors Corporation had on October 2, 1950, reclassified its common stock of \$10.00 par value and split it into two shares of common stock of \$5.00 par value, thereby increasing the number of shares held by the City of Pittsburgh to two hundred fifty (250).

Whereas, The above securities are now selling equal to or above the appraised value placed thereon as of July 10, 1936; and

Whereas, It seems advisable to sell the aforesaid securities at or above the appraised value placed thereon;

Now, Therefore, Be It

Resolved, That the City Controller be and he is hereby authorized to sell at market price, through a broker or stock exchange, the four hundred eighty shares of United States Steel Corpora-

tion common stock and two hundred fifty shares of General Motors Corporation common stock;

And Be It Further

Resolved, That the City Controller or Deputy City Controller is authorized to execute and deliver the shares of stock together with the necessary Powers of Attorney to complete the transfer of the stocks to the purchaser thereof, and upon receipt of the proceeds, less the usual brokerage commission, to credit the net amount to the account of the debtor who pledged the aforesaid stocks as collateral. The City Controller shall thereupon be relieved from further accounting for said stocks.

Which was read.

Mr. Wolk moved

The adoption of the resolution.

Mr. Weir:

Mr. President: Do you know how the market is today? The resolution says, "it seems advisable." Does that direct him to sell? I don't think it is advisable.

Mr. Jones:

It may go up and by the same token, it may go down.

And the question recurring on the adoption of the resolution, the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Counahan	Rodgers
Dinan	Schifano
Fagan	Wolk
Jones	Gallagher (Pres't)

Noes: Mr. Weir.

Ayes 8. Noes 1.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

Mr. Weir moved

That the Minutes of Council of Monday, March 7, 1955, be approved.

Which motion prevailed.

And upon motion of Mr. Dinan

Council adjourned.

No. 2289.

CIVIC CLUB OF ALLEGHENY COUNTY

Pittsburgh, Pa.,

March 18, 1955.

Hon. Thomas J. Gallagher, President,  
Council of the City of Pittsburgh,  
City-County Building,  
Pittsburgh 19, Pa.

Dear Mr. Gallagher:

At a recent meeting of the Board of Directors of the Civic Club it recorded its approval of the proposed ordinance that would bar billboards and overhanging signs within 300 feet of the Mellon Park.

At the same time, the Board reaffirmed its position of long standing against the erection of any signs that would detract from the beauty of public or private buildings or which would mar the scenic beauty of our community.

The thought was expressed that the planned beauty of the Mellon Square will do more to enhance the drawing power of any business located therein than would any sign, dwarfed by a multiplicity of competing signs.

Very truly yours,

Jacob M. Murdock,  
President.

Which was read, received and filed.

Also

No. 2290.

Pittsburgh, Pa.,

March 17, 1955.

Hon. Thomas J. Gallagher, President,  
and the members of The Council  
of the City of Pittsburgh,  
City-County Building,  
Pittsburgh, Pennsylvania.

Gentlemen:—

I understand that Bill No. 1994, under which it is proposed to amend the City Zoning Ordinance to change "all that certain property bounded by Grant Street; Fifth Avenue; a line parallel with and distant 300 feet westwardly from Smithfield Street; and Strawberry Way" from a Commercial District to a Commercial Class "A" District, in opposition to which several persons, including myself as Attorney for Gimbel Brothers, Inc., appeared before The

Council at a public hearing on Monday of this week, was ordered reported affirmatively by the Committee on Public Works, yesterday.

I am advised by Mr. George Boxheimer, City Clerk, that the Bill will accordingly be before The Council for action on Monday of next week, March 21st.

May I respectfully and earnestly suggest that, before final action is taken on this bill, an opinion as to the legality of this proposed amendment to the Zoning Ordinance, which would impose "spot zoning" restrictions on the small portion of the triangle above indicated, be requested from the City Solicitor. If such a request is made, I will be glad to appear before the City Solicitor, if he wishes me to do so, to present my views in the matter.

Very truly yours,

Louis Caplan.

Which was read, received and filed.

DEPARTMENT OF LAW

Pittsburgh, Pa.,

March 21, 1955.

Members of City Council,  
City of Pittsburgh.

In re: Bill No. 1994.

Gentlemen:

This will advise that I have reviewed the above bill, this being an Ordinance to change from a Commercial District to a Commercial District, Class "A," all that certain property bounded by Grant Street; Fifth Avenue; a line parallel with and distant 300 feet westwardly from Smithfield Street; and Strawberry Way.

In my opinion this bill is in proper form and is perfectly legal and valid.

I am advised that Louis Caplan, Attorney for Gimbel Brothers, Inc., opposes the bill. I will be very pleased to confer with Mr. Caplan to consider his objections.

Very truly yours,

J. F. McKenna, Jr.,

City Solicitor.

Which was read, received and filed.

Mr. Rodgers moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr Fagan:

Mr. President: File No. 1243, Bill No. 1994, in connection with the communication from Mr. Caplan, the Attorney who represents Gimbel Brothers, he has a request here, and would like to discuss this ordinance with the City Solicitor. We also have a communication from Mr. McKenna, who is head of the Law Department, and it might be advisable to have this bill referred back to Committee so that Attorney Caplan may meet with the City Solicitor. The chances are, from the tone of Mr. Caplan's letter, we might find ourselves in the Civil Courts defending a suit with what he charges as "spot zoning." I think it might save time if the bill is recommended to Committee, and they be given an opportunity to work out an agreement.

Mr. Counahan:

Mr. Fagan, is that a motion?

Mr. Fagan:

It is a suggestion.

Mr. Counahan moved

That the bill be recommitted to the Committee on Public Works.

Which motion prevailed.

(Mr. Rodgers voting No).

Also

Bill No. 2246. Which was read.

Also

Bill No. 2248. An Ordinance entitled, "An Ordinance providing for a contract or contracts for the construction and reconstruction of sidewalks and curbs, and for the adjustment of structures within sidewalk areas in various locations in the City of Pittsburgh, and for the payment of the cost thereof."

Which was read.

Mr. Rodgers moved

A suspension of the rule to allow the second and third readings and final passage of the bills.

Which motion prevailed.

And the bills were read a second time and agreed to.

And the bills were read a third time and agreed to.

And the titles of the bills were read and agreed to.

And on the question, "Shall the bills pass finally?"

Which was read.

Mr. Rodgers moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan	Rodgers
Dinan	Schifano
Fagan	Gallagher, (Pres't)
Jones	

Ayes 7. Noes none.

And there being three-fourths of the votes of Council in the affirmative, the bill passed finally, in accordance with the provisions of the Act of Assembly of May 22, 1895, and the several supplements thereof.

Also

Bill No. 2249. Resolution authorizing the Director of the Department of Public Works to physically open Lizardi Way, from Bradley St., to a point approximately 140 feet westward, with City Forces, for the reason that eighteen residents on Greenleaf Street, from Bradley Street westwardly, have been denied access to their properties for delivery of coal by impassability of a section of Lizardi Way, caused by the recent barricading of a road which traversed private property.

Which was read.

Mr. Rodgers moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times and upon final passage the

ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Counahan	Rodgers
Dinan	Schifano

Nardi and L. P. Nardi, respectively, and properties to the east, north and west thereof; a line parallel with and distant 115 feet northwardly from Pioneer Ave., and the line dividing property now or late of James H. Mathews, and the property to the west thereof."

Which was read.

Mr. Rodgers moved

That Rule 8 be suspended, providing for the mailing of printed copies of all ordinances and resolutions to each member of Council, after the return of such papers from Committee, at least 48 hours previous to their final consideration by Council.

Which motion prevailed.

Mr. Rodgers moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Also

Bill No. 2077. An Ordinance entitled, "An Ordinance vacating a strip 15.0 feet wide along each side of Hethlon Street from Jerome Street to Lohrman Way."

Which was read.

Mr. Jones moved

A suspension of the rule to allow the second and third readings and final passage of the bills.

Which motion prevailed.

And the bills were read a second time and agreed to.

And the bills were read a third time and agreed to.

And the titles of the bills were read and agreed to.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan	Rodgers
Dinan	Schifano
Fagan	Weir
Jones	Gallagher (Pres't)

Ayes 8. Noes none.

And there being three-fourths of the votes of Council in the affirmative, the bills passed finally in accordance with the provisions of the Act of Assembly of May 22, 1895, and the several supplements thereto.

Mr. Counahan presented

No. 2295. Report of the Committee on Filtration and Water for March 15, 1955, transmitting an ordinance to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 2231. An Ordinance entitled, "An Ordinance providing for a contract for a Pitometer Water Waste Survey of certain portions of the water distribution system of the City of Pittsburgh, and for the payment of the cost thereof."

Which was read.

Mr. Counahan moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan	Rodgers
Dinan	Schifano
Fagan	Weir
Jones	Gallagher, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Dinan presented

No. 2296. Report of the Committee on Parks, Recreation and Libraries for March 15, 1955, transmitting an ordinance to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 2233. An Ordinance entitled, "An Ordinance authorizing the City of Pittsburgh to enter into an Agreement with the Pittsburgh Zoological Society for the operation of the former King Residence on Negley Avenue."

Which was read.

Mr. Dinan moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Rodgers:

Mr. President: The bill as drawn would appear to authorize the leasing of the entire operation of the King residence. I suggest an amendment in the title in the second line, "for the operation of portion of the former King Residence on Negley Avenue." In other words the insertion of the two words "of portion," and also in section 1, the addition of the two words "of portion." It seems to me my suggestion will permit the Department of Parks and Recreation to continue the operation of any portion of the building which is not included in the lease.

The Chair:

Mr. Dinan, is that the policy of the Department of Parks and Recreation?

Mr. Dinan:

Mr. President: I do not think that is necessary. It was drawn up the same as the Marshall property at Fifth and Shady. We are turning this over to the Pittsburgh Zoological Society and they will deal with the various groups. We are going to occupy the grounds but the residence will be leased to the Pittsburgh Zoological Society and they, in turn, will sublet it.

Mr. Rodgers:

I understand that, Mr. Dinan; but my suggested amendment would not require the Department of Parks and Recreation to retain any portion of it but it would permit the department to retain control of any portion which might not be desired or required by

the Zoological Society. I think the proposed amendment would give more practicability to the situation.

Mr. Dinan:

Mr. President: Mr. Rodgers has a point but as far as control is concerned, but I think under the rules and by-laws of the Pittsburgh Zoological Society, the Chairman of Parks and Recreation is automatically a member of the Pittsburgh Zoological Society, as well as the Director of the Department of Parks and Recreation, and the former executive director of the Urban Redevelopment Authority, Mr. Robin, and we will have pretty much control.

Mr. Jones:

Mr. President: As I gather from Mr. Rodgers' amendment, this only refers to that part which will not be used by the Zoological Society, and it is that part that he wishes to have in this amendment, that still remains in the province of the City of Pittsburgh, to do whatever it will. They can make whatever use they want of it. I think the amendment at least qualifies the arrangement provided for in the ordinance.

Mr. Dinan:

Mr. President: Again we yield to the legal minds. Not that it serves any purposes, but we will go along with the legal minds.

Mr. Rodgers:

Mr. President: I don't want to go along on those lines.

Mr. Fagan:

Mr. President: The ordinance now reads, "That the Mayor, the Director of the Department of Parks and Recreation and the Director of the Department of Lands and Buildings be and they are hereby authorized and directed to enter into an agreement on behalf of the City of Pittsburgh with the Pittsburgh Zoological Society for the operation of the former King Residence on Negley Avenue." That is very plain. They are going to enter into an agreement and the Pittsburgh Zoological Society is going to have charge of it. If it is going to be amend-

ed, it ought to be referred back to Committee so that the Directors of the Department of Parks and Recreation and the Department of Lands and Buildings can be consulted. It is going to be under the control of the Department of Parks and Recreation, and if it is going to be amended it ought to be referred back to Committee.

**Mr. Counahan:**

Mr. President: I believe a couple of weeks ago we passed an ordinance for the Art Institute of the Carnegie Library for a portion of the building. Is that right?

**The Chair:**

It was requested, but was not granted.

**The Clerk:**

As I understand, they will make their request to the Pittsburgh Zoological Society and that will be granted.

**Mr. Counahan moved**

That the bill be recommitted to the Committee on Parks, Recreation and Libraries.

**Mr. Fagan:**

I second the motion. I do so, because, after all, this building is going to be under the supervision of the Department of Parks and Recreation and if any rents or money are to be collected it is to be done by the Department of Parks and Recreation, and the Department of Lands and Buildings has a right to be consulted and know what the situation is.

**Mr. Counahan:**

Mr. President: In reading this particular ordinance I would possibly agree, but I do not know whether that can be worked out that way. I don't know whether we can take out the Department of Lands and Buildings. If there is any supervision, as far as I am concerned, under a certain ordinance some time back, the Lands and Buildings Department cannot be pushed aside. The building would come under the Department of Lands and Buildings and that is the reason I am making the motion.

**Mr. Jones:**

A question of information—the purpose of your amendment was for the purpose in any activity that the Zoological Society—any part of the building that was not occupied, that the City of Pittsburgh would have the right to use it.

**Mr. Rodgers:**

Absolutely.

**Mr. Jones:**

And that is all that is involved here.

**Mr. Rodgers: Yes.**

And the question recurring on the adoption of the motion, the ayes and noes were taken, and being taken were:

Ayes:—Messrs. Counahan, Fagan, Rodgers, Schifano, Gallagher, (Pres't).

Noes:—Messrs. Dinan, Jones, Weir.

When the name of Mr. Fagan was called, he arose and said:

Mr. President: In qualifying my vote, I do not want divided supervision of a building where the Department of Lands and Buildings can be blamed for something the Zoological Society is responsible for. I want a situation so that we will have it clear and complete and definite and understood, and know who is responsible for the upkeep of the building. For that reason I am voting Aye.

When the name of Mr. Schifano was called, he arose and said:

Mr. President: Inasmuch as this is a controversial matter, I vote Aye.

Ayes 5. Noes 3.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

**Mr. Weir presented**

No. 2297. Report of the Committee on Health and Sanitation for March 15, 1955, transmitting an ordinance to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 2251. An Ordinance entitled, "An Ordinance authorizing

and directing the Mayor and the Director of the Department of Public Health of the City of Pittsburgh to execute a Lease Agreement with the Commonwealth of Pennsylvania, whereby the City will sublet to the Commonwealth a section of the building at 301 Thirty-ninth Street, being a part of 'The Public Health Service Marine Hospital' at Fortieth Street and Penn Avenue, Pittsburgh, Pennsylvania, which premises are presently leased by the City of Pittsburgh from the United States Government."

Which was read.

Mr. Weir moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan	Rodgers
Dinan	Schifano
Fagan	Weir
Jones	Gallagher (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Fagan presented

No. 2298. Report of the Committee on Lands, Buildings and Housing for March 15, 1955, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 2236. Resolution authorizing sale to Loyal T. Elder and Gertrude C. Elder, his wife, lots on Oxford Street, 28th Ward, for the sum of \$750.00.

Which was read.

Also

Bill No. 2237. Resolution authorizing sale to Cecelia F. Farmer, lots on Winterburn Street, 15th Ward, for the sum of \$650.00.

Which was read.

Also

Bill No. 2238. Resolution authorizing sale to John Jugan and Agnes Jugan, his wife, lot on Hodgkiss Street, 27th Ward, for the sum of \$750.00.

Which was read.

Also

Bill No. 2239. Resolution authorizing sale to John Miller and Helen G. Miller, his wife, lot on Oxford Street, 28th Ward, for the sum of \$300.00.

Which was read.

Also

Bill No. 2240. Resolution amending Resolution No. 85, approved Feb. 25, 1955, authorizing sale to Ralph W. Johnson, lots on Mahon Street, corner of Watt Street, 5th Ward, for the sum of \$500.00.

Which was read.

Also

Bill No. 2241. Resolution authorizing and directing the Mayor to execute and deliver a Quit-Claim Deed to Wilbert C. White and Mary N. White, his wife, for property acquired at City Treasurer's Sale No. 230 of 1953, situate in the rear of Verona Boulevard, 12th Ward, upon payment of all taxes, penalties, interest and costs.

Which was read.

Mr. Fagan moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the rule having been suspended the resolutions were read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Counahan	Fagan
Dinan	Jones

Rodgers                      Weir  
Schifano                      Gallagher, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

Also

Bill No. 2028. Resolution authorizing sale to Pittsburgh Piping and Equipment Company, by special warranty deed only, property between Fortieth Street and Forty-third Street, 9th Ward, subject to certain rights and privileges, for the sum of \$80,000.00.

In Lands, Buildings and Housing Committee, March 15, 1955, read and amended in the first Whereas clause by inserting the words, "and certain adjoining property;" by striking out in the Resolved clause the words, "by special warranty deed only, for the sum of \$80,000.00," and inserting in lieu thereof the words, "and that the Mayor be authorized to execute a deed of conveyance to said firm without any covenants or title, expressed or implied, upon payment of the sum of \$80,000.00," and in the last line of the description by striking out the word "Forty-first" and by inserting in lieu thereof the word "Fortieth," and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. Fagan moved

That the amendments of the Lands, Buildings and Housing Committee be agreed to.

Which motion prevailed.

And the resolution, as amended in Committee and agreed to by Council, was read.

Mr. Fagan moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the resolution was read a second time.

Mr. Weir:

Mr. President: Bill No. 2028, that is the resolution authorizing the sale by

the City to the Pittsburgh Piping and Equipment Company property for \$80,000.00. It came to my attention that the Allegheny County Sanitary Authority would be locating one of its main interceptor sewers under a portion of that property. The reason I am bringing this up is that during the week I had Mr. Brandon and counsel for the purchaser together, and as a result their Counsel, the Pittsburgh Piping and Equipment Company, have requested a further provision be inserted in the deed, and they addressed a letter to Director Greene, and it was brought up here now, and I move,

That the resolution be amended by inserting after the sentence on Page 2, "SUBJECT also to public rights in the William B. Foster Plan of Lawrenceville" the words:

"Excepting and reserving unto the City of Pittsburgh, its successors and assigns, including particularly the Allegheny County Sanitary Authority, an easement or right-of-way for the purpose of constructing, maintaining, repairing, replacing, renewing and using a subterranean tunnel and sewer in, under, along and across the property conveyed hereby, such tunnel and sewer to be located not less than 70 feet below the present surface of such property, and

"Pittsburgh Piping and Equipment Company, further, for itself, its successors and assigns, for and in consideration of the sum aforesaid does hereby release and discharge the City of Pittsburgh, its successors and assigns, including particularly the Allegheny County Sanitary Authority, from any and all liability for damages arising or to arise by reason of the exercise and enjoyment of the easement or right-of-way so excepted and reserved, except such damages as may be suffered by the grantee due to the negligence of the City of Pittsburgh or the Allegheny County Sanitary Authority, their successors or assigns."

Of course, naturally, they did not and could not be expected to waive all damages to their plant that might result from the construction of the sewer. Of course, that will not make any material difference, because as the Authority will be letting a contract

to a contractor he will have insurance for damages of that sort. They could not waive that. I move that that wording be inserted.

Mr. Fagan:

Mr. President: The amendment is satisfactory to me with the understanding it has the specific approval of the Law Department. This matter has been before Council for years and since last September we have had it before us a dozen times, and when it was brought in it was referred back for some clause or some change of verbage. If the amendment that is made by Mr. Weir has the approval of the Department, it is satisfactory to me. If it hasn't, I would be opposed to it.

Mr. Weir:

Mr. President: There would be only one possible point and that is the "70 foot" figure. I just went to the phone and tried to check with Mr. Wald and Mr. Laboon and they were both out to lunch and there wasn't anybody present who could guarantee it was right. I cannot take the position of personally guaranteeing the 70 foot figure but I am reasonably sure it is right and we could go ahead and pass it, and if the figure of 70 foot is wrong we could recall it.

Mr. Rodgers:

Mr. President: I think Mr. Fagan seconded the motion, but he already asked a pertinent question as to whether it has been approved by the Law Department. Has it?

Mr. Weir:

I don't know how to answer that, except it was written in a conference at which the Law Department was represented.

Mr. Jones:

Mr. President: Does that mean that the Law Department was a party to drawing this up as a mutual agreement between the parties?

The Chair:

I can't answer that.

Mr. Weir:

Mr. President: This is not a diffi-

cult point. I think it is being magnified somewhat. I think everything here is all right but I cannot be in the position to personally guarantee that 70 feet is correct. I think it is.

Mr. Counahan moved

That the resolution, be referred to the Law Department for approval.

The Chair:

That is not the question. The amendment has to be adopted or rejected.

Mr. Counahan:

Mr. President: Mr. Weir's amendment was not seconded.

Mr. Jones:

Mr. President: I am ready to second Mr. Weir's motion. I gather the Law Department is ready to approve it. If there are any mistakes we can withdraw it next Monday. I second the motion.

And the question recurring on the adoption of the motion, the motion prevailed. (Mr. Counahan voting No).

The Chair:

Mr. Boxheimer informs me that the bill will have to be laid over one week.

The Clerk:

The Rules provide that if a bill is amended in Council, it will have to lay over one week. Sometimes when notified in advance we have bills to be amended printed.

Mr. Jones:

Mr. President: Since we are compelled to lay it over for a week, I move,

That the Resolution as amended be referred to the Law Department in the meantime for approval.

Which motion prevailed.

#### MOTIONS AND RESOLUTIONS

Mr. Fagan presented

No. 2299. An Ordinance providing for a contract or contracts for the construction of a Relief Sewer on the private property of St. Norbert's Roman Catholic Church, Horning Street, Un-

derwood Street and Ivyglen Street, from the mine opening on the private property of St. Norbert's Roman Catholic Church, East of Underwood Street to the existing sewer on Ivyglen St. at or near Saw Mill Run Boulevard, including all other work necessary in connection with the drainage served by this sewer and providing for the payment of the cost thereof.

Which was read and referred to the Committee on Finance.

Mr. Jones presented

No. 2300. Petition for the vacating of Cobb Street between Craftmont Avenue and the West Line of Craftmont Plan.

Also

No. 2301. An Ordinance vacating Cobb Street from Craftmont Ave. to the west line of the Craftmont Plan.

Which were read and referred to the Committee on Public Service and Surveys.

Mr. Rodgers presented

No. 2302. An Ordinance accepting the dedication of Hillview St. as shown on the Parkway Manor Plan of Lots in the Twentieth Ward of the City of Pittsburgh, laid out by Larry A. Wells, Alice S. Wells, William J. Meneely and Lillian S. Meneely, for public highway purposes, opening and naming the same, establishing the grade thereof, and accepting the grading, paving, curbing and sewerage of the same.

Which was read and referred to the Committee on Public Works.

Mr. Dinan presented

No. 2303.

Whereas, The Duquesne University basketball team, under the great coaching of Donald F. "Dudey" Moore, has just completed another of the successful seasons which have become a hallmark of that school's basketball teams; and,

Whereas, These young men have climaxed their efforts with a brilliant victory in the final game of the National Invitation Tournament thus bringing to Pittsburgh one of the top basketball laurels of the 1954-55 season; and,

Whereas, Their conditioning, training,

coolness under fire, self-effacing teamwork and fiery competitive spirit were qualities instrumental in building a team which is today the toast of the Country; and,

Whereas, The 1954-55 team will be remembered as one of the all-time great outfits which have brought honor to the Duquesne University and this city; Therefore, be it

Resolved, That the Mayor and the Council of the City of Pittsburgh extend their heartiest congratulations to the basketball team of Duquesne University for their sterling performance throughout the past season, and particularly during the National Invitation Tournament when their nationally-televized demonstration of top notch athletic ability and teamwork, leading to tournament championship, stirred the civic pride of every Pittsburgher.

Mr. Dinan moved the adoption of the resolution, and that a copy be sent to Father Gallagher, Dudey Moore, Basketball Coach, and the members of the team.

Mr. Dinan:

Mr. President: I am happy to present this resolution. I know that you, Mr. President and my other colleagues and many thousands of other Pittsburghers and residents of Allegheny County, enjoyed three nights of wonderful television entertainment last week, and this resolution is in tribute to the boys who entertained us and did so nobly and brought such great honor to the City of Pittsburgh.

Mr. Fagan:

Mr. President: I would like to extend my personal hearty congratulations to Father Gallagher; also Dudey Moore, the outstanding Coach of Duquesne University, and also to all the players for their successful season and for winning the championship in the tournament.

And the question recurring on the adoption of the motion, the motion prevailed.

Mr. Fagan moved

That the Minutes of Council of Monday, March 14, 1955, be approved.

Which motion prevailed.

And upon motion of Mr. Dinan

Council adjourned.

Which was read and referred to the Committee on Finance.

Also

No. 2320. An Ordinance providing for the letting of a contract

Grant Street and Fifth Avenue; a line parallel with and distant 300 feet westwardly from Smithfield Street and Strawberry Way. Under date of March 21, 1955, I advised you that in my opinion the bill is in proper form and is legal and valid.

Mr. Caplan urged on me several objections to the bill. His objections are based on the fact that the courts frown upon zoning ordinances which have as their sole purpose aesthetic considerations.

Mr. Caplan also stated that the bill discriminates against his client, Gimbel Bros., since other commercial establishments located in the same general business district are free to erect signs as they please.

It is obvious that it is Council's desire to create a park-like area in the heart of the City's business district. Notwithstanding the objections presented by Mr. Caplan, I believe that the courts will uphold the restrictions against the signboards in the area in question. The purpose of the ordinance is to restrict signs generally from any area visible from the park. This will mean that some persons will be affected by the ordinance and others will not, but this is always the case in a zoning matter.

While there is a doctrine in Pennsylvania that zoning laws may not be based solely on aesthetic considerations, there are other obvious benefits that will result from the proposed law. I believe that the construction and maintenance of a park-like area in the vicinity in question will benefit the public health, safety, welfare and morals; and that the legislation incident thereto is valid.

Respectfully submitted,

J. F. McKenna, Jr.,  
City Solicitor.

Which was read, received and filed.

Mr. Rodgers moved

That Rule 8 be suspended, providing for the mailing of printed copies of all ordinances and resolutions to each member of Council, after the return of such papers from Committee, at least 48 hours previous to their final consideration by Council.

#### MOTIONS AND RESOLUTIONS

The Chair presented

No. 2348.

Pittsburgh, Pa.,  
March 22, 1955.

To the President and Members  
City Council,  
Pittsburgh, Pennsylvania.

Gentlemen:—

July 12, 1954, this body set up a Sub-Committee consisting of Messrs. Schifano, Counahan and Jones to lend whatever assistance possible to the parties involved in the department store dispute.

At the time of our appointment there was a problem existing as to how to best remove the rubbish that had accumulated in the various department stores.

At a meeting before Council we were able to get the parties to agree that in the public interest and primarily because of reasons of safety and public health that this was a matter that should be taken care of as expeditiously as possible. This was done, and as a result of this move it was suggested that with the continuation of the same attitude that was apparent at the time of our Councilmanic hearing on behalf of both management and the Unions that there was a possibility that we could look for an early termination of the dispute. With this

thought in mind, this body appointed the three aforementioned Councilmen, and at the time of our appointment there were no talks being held. The atmosphere was tense. There had been numerous incidents, and rather than to help the situation, had a tendency to aggravate it.

The Committee immediately went into action and called the various parties involved in the dispute together. They readily responded to the call of the Committee and we were able to get both sides to resume negotiations.

Following this effort the Committee concentrated its endeavors to see to it that talks continued in the hope that as long as they were meeting, and talking over their differences, that sooner or later some possible basis of agreement would be reached.

And this is exactly what happened. The issues of the dispute were narrowed and were clearly drawn so that the public understood exactly what all the differences were.

While it is questionable as to the exact amount of help and assistance that this Committee rendered, we take a pardonable degree of pride in the fact that we were able, when negotiations had bogged down, to effect a resumption of the talks.

We are, likewise, happy that throughout the entire course of the work of our Committee that at no time was any question raised as to our fairness or impartiality. We had the ear and respect of all parties involved.

As of Monday of this week, a majority of the employees involved in this dispute have returned to work and while there remain some differences, yet to be resolved, we are of the opinion that this Committee can be of no further assistance and with this report we request that we be discharged officially.

We are hopeful for an early settlement of whatever issues remain.

Especially does this Committee wish to thank all the members of Council, who during the course of the work of this Sub-Committee offered helpful suggestions and assistance and the

newspapers who were generous in the handling of releases.

Respectfully submitted,

Emanuel F. Schifano,  
John F. Counahan,  
Paul F. Jones,

Chairman.

In Committee on Public Safety, March 22, 1955, read and ordered returned to Council to be incorporated in the Minutes of Monday, March 28, 1955.

Which was read.

Mr. Dinan moved

That the report of the Subcommittee be read, received and filed and that the Sub-Committee be discharged with a rising vote of thanks.

Which motion prevailed.

Mr. Weir moved

That the Minutes of Council of Monday, March 21, 1955, be approved.

Which motion prevailed.

Mr. Wolk moved

That Council recess until Wednesday, March 30, 1955, at 1:45 o'clock, P. M.

Which motion prevailed.

And

Council recessed.

#### DEPARTMENT OF LAW

Pittsburgh, Pa.,

March 24, 1955.

Council of the  
City of Pittsburgh

In re: Bill No. 2028

Resolution authorizing sale of property in the Ninth Ward to the Pittsburgh Piping and Equipment Co. for \$80,000.00.

Gentlemen:

You requested a report from this Department concerning the language inserted in Bill No. 2028, regarding the Company's waiver of damages for any claim for the passing of a sanitary sewer through any portion of the property which it is purchasing.

That amendment was drawn in the office of the Allegheny County Sanitary Authority with John F. Laboon and Leon Wald, Esquire, for the Authority being present. An Assistant City Solicitor from this Department as well as representatives from the Pittsburgh Piping and Equipment Company were also present. The language was acceptable to all three parties in interest and was, therefore, approved.

Respectfully yours,

J. Frank McKenna, Jr.,  
City Solicitor.

Mr. Counahan:

Mr. President: Do these ordinances mean that two persons who are not qualified under the Charter provisions will continue in the positions specified in these ordinances?

The Chair:

As explained by Mr. Herbert J. Dunsmore of the Department of Public Health in Committee last week, the one appointee has resided in the City of Pittsburgh for more than a year, and the other one lives in a house which is partly in the City of Pittsburgh and partly in the Borough of Swissvale. The two ordinances now before Council, if finally passed, will merely take care of these two appointees, no one else. Is this the information you desire, Mr. Counhan?

Mr. Counhan:

Mr. President. I accept your explanation and will vote for the ordinances.

#### MOTIONS AND RESOLUTIONS

Mr. Rodgers presented

No. 2396.

#### OFFICE OF THE MAYOR

April 4, 1955.

President and Members  
City Council  
Pittsburgh, Pennsylvania.

Gentlemen:

I am transmitting to you for your consideration drafts of ordinance transferring various personnel and code accounts within the Department of Public Works.

Briefly, the legislation will retitle the Bureau of Highways and Sewers as the Bureau of Bridges, Highways and Sewers in the Department of Public Works, which will be responsible for bridge maintenance, in addition to the duties of the presently constituted bureau to maintain highways and sewers.

Personnel and the money with which to perform this work would be transferred from the Division of Bridges and Structures, Bureau of Engineering. Other technical personnel in this Division would be transferred to the Division of Survey and Designs, of the Engineering Bureau and one person would be assigned to the Division of Streets and Sewers, also within the Engineering Bureau.

The Division of Bridges and Structures would then cease to exist.

These changes are part of a general reorganization program now being developed by the Mayor's Management Advisory Committee. Other phases of this program will be submitted to the Council later in the year.

By combining all maintenance activities of the Department of Public Works within one bureau, it is expected to step up and improve this important aspect of municipal service. Further recommendations relating to the Department of Public Works will also be designed to achieve more efficient, economic, and expeditious service and to streamline the administrative structure of the Department.

A very vital phase of this reorganization process was the creation of the Department of Water, which was accomplished last week following action on the part of the General Assembly and the Governor.

This separation of the water function from the Department of Public Works not only was designed to improve that service but to permit improvements in other bureaus within the Public Works Department.

The legislation which is being submitted today is the first step in this process and still another effort on the part of this Administration to assure the citizens of Pittsburgh the most efficient and the most economic performance of municipal services.

I recommend your favorable consideration of these measures.

Very truly yours,

DAVID L. LAWRENCE,  
Mayor.

Also

No. 2397. An Ordinance transferring the aggregate sum of \$142,129.90 within certain code accounts of the Department of Public Works.

Also

No. 2398. An Ordinance amending Sections 62, 63, 64, 65, and 66 of

Ordinance No. 460, approved December 24, 1954, entitled, "An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh and the rate of compensation thereof," by transferring certain positions within the Department of Public Works.

Which were severally read and referred to the Committee on Finance.

Mr. Fagan:

Mr. President: I rise to a question of personal privilege, and would like to have this clipping from the Pittsburgh Post-Gazette of March 30, 1955, incorporated in the record. It is captioned "CENSORSHIP DANGER CITED HERE." Sharon Publisher addresses Rail Men at Luncheon. G. A. Harshman, President of the Pennsylvania Newspaper Publishers' Association, yesterday warned the people's right of information is endangered by 'self-appointed censors.'

"Harshman, publisher of the Sharon Herald, spoke here at a luncheon meeting of the Community Relations Committee of the Pittsburgh railroads.

"The press,' he told the rail officials, 'is the one agency that stands between you and big government. Self-appointed censors of what the public should know abound—all the way from Washington to our city councils and town school boards.'

"Access to legitimate information is something that is guaranteed not to the press but to the people,' Harshman declared.

"It is your battle and one that must be won if freedom is to be preserved."

Mr. Jones moved

That the Minutes of Council of Monday, March 28, Wednesday, March 30, and Thursday, March 31, 1955, be approved.

Which motion prevailed.

And upon motion of Mr. Fagan

Council adjourned.

#### MOTIONS AND RESOLUTIONS

Mr. Dinan presented

No. 2437.

Whereas, A scrappy, hustling Pittsburgh Hornets hockey team has provided sports enthusiasts with a superior brand of hockey throughout the past season as they completed their 64-game schedule in the American Hockey League, and

Whereas, The consistent excellence of the local hockey team led to the regular season championship against rugged competition; and,

Whereas, The Pittsburgh Hornets have now reasserted their superiority by winning the Calder Cup playoffs, thus bringing this prized trophy to Pittsburgh for the second time; and

Whereas, The performance of the Hornets under Coach Howard Meeker, serving his first season at the helm of the local club, has lived up to the long tradition of strong hockey teams here in Pittsburgh; and in their fight for the league leadership and during the playoffs, they have stirred the civic pride of all sports lovers in the Pittsburgh district, Now, Therefore, Be It

Resolved, That the Mayor and the Council of the City of Pittsburgh join in extending official congratulations to Coach Howard Meeker and his champion Pittsburgh Hornets for their valiant efforts which have once again brought recognition to Pittsburgh as one of the finest sports towns in the country.

Which was read.

Mr. Dinan moved

The adoption of the resolution.

Which motion prevailed.

Mr. Jones presented

No. 2438.

Whereas, The Harris Bill (H. R. 4560) which has been introduced into the Congress of the United States, proposes that the Federal Power Commission shall be deprived of jurisdiction over the prices of natural gas sold by gas producers to pipeline companies; and

Whereas, The millions of consumers throughout the United States living in the areas far removed from the producing gas fields, will, if the bill becomes a law, be deprived of any recourse for relief against exorbitant gas prices; and will, in effect, be at the mercy of the gas producers; and

Whereas, The Mayor of the City of Pittsburgh is a member of the "Mayors Committee," a Committee composed of a number of Mayors in consumer cities throughout the United States to oppose the bill; and

Whereas, This Council vigorously opposes the adoption of the bill because of the injustice which it will work to the City of Pittsburgh and its residents, in that the price of natural gas sold at the wellhead will be entirely unregulated; and

Whereas, There has been scheduled in Washington, D. C., on Monday, April 25, 1955, a Conference of City Solicitors from the consumer cities to coordinate their testimony in opposition to the bill; Now, Therefore, Be It

Resolved, That the City Solicitor be and he is hereby instructed to attend the Conference, to appear before the Congress and testify to the reasons why Bill No. 4560 should be defeated.

Which was read.

Mr. Jones moved

The adoption of the resolution.

Mr. Jones:

Mr. President and Members of Council:

I do not think there has been a piece of legislation offered in Congress that vitally affects the residents of Pittsburgh more so than does this bill. It is tantamount to giving the gas suppliers a license or covenant to charge excessive rates to every gas user in the City of Pittsburgh, and it is incumbent upon this Council to oppose this contemplated unjustifiable increase.

Council ought to go on record not only to oppose this legislation but to instruct the Solicitor to make known our feelings to Congress on this unwarranted attempt on the part of those who sponsor the bill to cause an increase in price for this commodity.

We passed a smoke ordinance here and thousands of persons have converted to gas and thousands more are contemplating doing it, and if this is not regulated the price of this commodity to the consumer is going to soar.

So, I ask that all the members vote for this resolution.

And the question recurring on the adoption of the resolution, the motion prevailed.

Mr. Schifano presented

No. 2439. Communication from T. Robert Brennan, Esq., relative to payment due the widow of Walter Miller, patrolman, Bureau of Police, D. P. S., for overtime work performed.

Which was read and referred to the Committee on Finance.

Mr. Jones moved

That the Minutes of Council of Monday, April 4, 1955, be approved.

Which motion prevailed.

Mr. Wolk moved

That Council recess until Wednesday, April 13, 1955, at 1:45 o'clock, P. M.

Which motion prevailed.

And

Council recessed.

Pittsburgh, Pa.,

Wednesday, April 13, 1955.

And the hour of 1:45 o'clock, P. M.,  
having arrived and the time of the re-  
cess having expired, Council recon-  
vened and there were

Present:—Messrs.

#### MOTIONS AND RESOLUTIONS

A group of twenty-five members of the Student Council of the Knoxville Junior High School, under the sponsorship of Mr. Morris Shratter, attended this meeting of Council. They were welcomed by President Gallagher and Mr. Dinan explained the procedure of Council to them. Mr. Shratter acknowledged the welcome and thanked Council for the explanation by Mr. Dinan.

Mr. Fagan:

Mr. President: On the question of personal privilege, I have in my hand an editorial that appeared in the Pittsburgh Press, captioned "How Your Dimes Can Buy Health." It has to do with the Poliomyelitis Program. It goes on to tell about the wonderful

work done by Doctor Jonas E. Salk. I presume the other members of Council have read it, but I would like to have it made a part of today's record.

I also hold in my hand a copy of a communication I addressed to Dr. Jonas E. Salk, of the University of Pittsburgh, on April 14th. I would like to have it also made a part of today's record, and would ask the Clerk to read it. If any of the members of Council or any of the school children present have not read this editorial, I would suggest that they do so, because it is really worth reading. It tells of the part that Franklin D. Roosevelt played in bringing about this research and the discovery of the vaccine that has made possible what we now know as 80% or 90% effective. I read in the morning Post-Gazette that Doctor Salk intends to carry on until he has made this vaccine 100% effective in the prevention of infantile paralysis or polio.

The editorial in the Pittsburgh Press of Sunday, April 17, 1955, is as follows:

#### "HOW YOUR DIMES CAN BUY HEALTH

"While the flush of success in the long, gruelling fight against infantile paralysis still is in the headlines, let us consider how it all happened.

"First of all, of course, there was the disease itself, and the deadly fear of it. Nothing can stimulate public action as an epidemic can do, or dread of it.

"Yet polio has been acrippler for centuries. And the elder among us can recall the frightening epidemic of 1916.

"It was 50 years ago that scientists discovered polio was caused by a virus.

"Still it was only in the last few years that the problem was attacked on anything like an adequate scale—and, as a result, virtually all of our progress has occurred in these few years.

"It was the dramatic personality of Franklin D. Roosevelt which got the show on the road. A victim of the disease, Mr. Roosevelt in 1927

set up the Warm Springs Foundation, first institution exclusively concerned with polio. Even that was a relatively small effort.

"It was the idea of a 'March of Dimes' to celebrate the late President's birthday which really launched the program now capped by the success of Dr. Jonas E. Salk and his University of Pittsburgh researchers.

"Since 1938, the National Foundation for Infantile Paralysis has spent more than 200 million dollars—aiding victims, training doctors, nurses and technicians, financing research. All of this paid for in dimes donated by the general public.

"It is the story of what research can do—and what is not done without research. It is evidence of what can happen when the public is inspired to furnish the financial means, whether in dimes, or even pennies.

"Take such a commonly known ailment as deafness. There are 750,000 persons in the United States who are totally deaf. Another 3,500,000 are partly deaf. Yet only \$200,000 has been spent for research on disorders of the ear, according to a recent inquiry.

"Consider, then, the possibilities if this problem were tackled with the same intensity, scholarship and financing which have been applied to polio.

"There are other grave problems: cancer, heart disease, mental illness, multiple sclerosis, epilepsy, cerebral palsy, muscular dystrophy, blindness, arthritis, diabetes, to name the worst ones.

"The answer in every case is more and better research. And, as with polio, the research could be financed by dime, or even penny, donations, once the problems were publicly appreciated, and the impetus and dramatic appeal supplied."

The communication from Mr. Fagan to Dr. Salk is as follows:

"April 14, 1955.

"Dr. Jonas E. Salk,  
University of Pittsburgh,  
Pittsburgh 13, Penna.

Dear Doctor Salk:

It was with great interest that I read in the press the many articles reporting the resounding success of the polio vaccine which you and your associates developed.

I wish to join your host of friends and admirers in extending hearty congratulations and sincere felicitations on this greatest of scientific discoveries of modern times.

This vaccine will be of great benefit to mankind in preventing the dread disease of polio, which has crippled and maimed young as well as old.

Again congratulating you because of your great contribution to science and humanity, I am

Sincerely,

Patrick T. Fagan."

Mr. Wolk:

Mr. President: All of us were saddened by the passing of one of our most outstanding citizens, Edgar J. Kaufmann. The death of this great philanthropist, business man and civic leader has left a void in our community life.

So that we may more adequately and completely express our regret in the passing of this great citizen, I move that the Chair appoint a committee of Council to prepare a memorial resolution, and when Council adjourns, it shall do so out of respect to the memory of Edgar J. Kaufmann.

Which motion prevailed.

Mr. Schifano moved

That the Minutes of Council of Monday, April 11, 1955, and Wednesday, April 13, 1955, be approved.

Which motion prevailed.

And by rising and standing in silent prayer for one minute out of respect to the memory of Edgar J. Kaufmann,

Council adjourned.

#### REPORTS OF COMMITTEES

Mr. Wolk presented

No. 2502. Report of the Committee on Finance for April 19, 1955, transmitting sundry ordinances and a resolution to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 2458. An Ordinance entitled, "An Ordinance transferring the sum of \$10,000.00 from Code Account No. 7, Clean-Up Campaign to Code Account No. 7-1, Clean-Up Campaign Equipment."

Which was read.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan	Schifano
Dinan	Weir
Fagan	Wolk
Jones	Gallagher (Pres't)
Rodgers	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 2456. An Ordinance

entitled, "An Ordinance authorizing the Mayor and the Director of the Department of Public Works to execute a long-term agreement with the Allegheny County Sanitary Authority providing for sewage treatment and disposal service to the City of Pittsburgh and its residents, and imposing charges therefor."

Which was read.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Fagan:

Mr. President: On Bill No. 2456, I would like to be enlightened as to whether institutions, hospitals, public and private schools, which now receive a certain amount of water free from the City, will be required to pay a fee under the ordinance now before us for consideration.

Mr. Weir:

Mr. President: I believe that in a hospital for example, where there is a particular rate, the water is measured. They get so many gallons per person per day free. It may happen from that system they actually will not pay a water bill but they do know how much water enters the building. I would not want to say there are no places where it is not measured. I would not be certain of that. However, I believe the water is measured whether they happen to get it actually free or not.

The Chair:

Is that satisfactory, Mr. Fagan, or do you want to send for the Attorney for the Sanitary Authority, Mr. Leon Wald?

Mr. Fagan:

Mr. President: I would like it made clear. This is a voluminous piece of legislation. There are a lot of things involved.

Mr. Weir:

Mr. President: This is a very complex agreement. I believe though, that

Mr. Wald will say, if he comes here, that we are already committed to all of these provisions through the tri-party agreement we have entered into with the Allegheny County Sanitary Authority as has each and every one of the various municipalities in the service area. I am quite sure that all of these provisions are in this contract already, so that actually we are committed by the contract now to these provisions.

Mr. Fagan:

Mr. President: In order to clarify this situation I suggest that you send for Mr. Leon Wald, Attorney for the Allegheny County Sanitary Authority.

This was agreed to, and the bill was laid on the table until the arrival of Mr. Wald.

And Leon Wald, Attorney for the Allegheny County Sanitary Authority appeared.

Mr. Fagan:

Mr. Wald, I would like to have some information on this bill as to whether institutions, hospitals, public and private schools, which now receive a certain amount of water free from the City, will be required to pay a fee under the ordinance now before us for consideration.

Mr. Leon Wald:

Mr. President and Members of Council: This ordinance is similar to the ordinance passed by Council some years ago. It requires that all property owners, whether individuals, firms or corporations, as well as institutions, are required to pay a service charge.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan  
Dinan  
Fagan

Jones  
Rodgers  
Schifano

Weir  
Wolk

Gallagher, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 2457. An Ordinance entitled, "An Ordinance authorizing the employment of sixty (60) temporary laborers in the Bureau of Highways and Sewers, Department of Public Works, for the period of the 1955 City-Clean-Up Campaign, and providing for the payment of the costs thereof."

In Finance Committee, April 19, 1955, bill read and ordered returned to Council with an affirmative recommendation, subject to the filing of a certificate of emergency signed by the Mayor and the City Controller.

Which was read.

Also

No. 2503.

CITY OF PITTSBURGH  
CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when a special appropriation may be made to meet the same; and

Whereas, The Director of the Department of Public Works in letters addressed to the Mayor of the City of Pittsburgh and the City Controller under date of April 6, 1955, has stated another City Clean-Up Campaign is scheduled for this year and, as in the past years, block-by-block refuse pick-ups will be made; and

Whereas, Funds were appropriated by Ordinance No. 459, approved December 24, 1954 but that no provision was made for the employment of personnel, and for the carrying out of this work it will be necessary to have the city employ labor as well as some of the equipment and personnel of the Department of Public Works; and

Whereas, Such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances.

Now, Therefore, we David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, City Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh the existence of an emergency requiring the Director of the Department of Public Works to employ sixty (60) temporary laborers in the Bureau of Highways and Sewers, Department of Public Works, during the period covered by the 1955 Clean-Up-Campaign at the prevailing wage rate established by Ordinance for such classification of employment, and that he be further authorized to rent trucks and other equipment or to assign trucks, equipment or personnel of the Department of Public Works that he deems necessary for use in connection with this work.

DAVID L. LAWRENCE,

Mayor.

EDWARD R. FREY,  
City Controller.

Dated: April 18, 1955.

Which was read, received and filed.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Also

Bill No. 2459. Resolution authorizing the Director of the Department of Public Works to employ any equipment or personnel of the Department of Public Works that he deems necessary, and to issue requisitions for supplies, materials and equipment, or vouchers for miscellaneous expenses in connection with the 1955 City Clean-Up-Campaign, and charging the costs thereof to Code Account No. 7, Clean-Up-Campaign.

Which was read.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Counahan	Schifano
Dinan	Weir
Fagan	Wolk
Jones	Gallagher, (Pres't)
Rodgers

## MOTIONS AND RESOLUTIONS

The Chair presented

No. 2510.

Whereas, Large areas of the municipalities situated in the lower part of the watershed of Turtle Creek, in Allegheny County, Pennsylvania, have for many years suffered extensive physical damage, irreparable financial hardships, and intolerable human suffering and loss of life all caused by the periodic flooding of Turtle Creek and its tributary, Trompson Run;

Whereas, The latest flood, which occurred on 15-16 October 1954, besides causing extensive general loss to residential and commercial areas, also resulted in damage to, the loss of man-hours of employment in, and the interruption of national defense production at the two principal industries in the area—Westinghouse Electric Corporation and Westinghouse Air Brake Company—which aggregated many millions of dollars in value, and as a consequence of which the communities face a possible curtailment of local primary employment opportunities unless prompt steps are taken to prevent a recurrence of this flooding;

Whereas, The Pittsburgh Regional Planning Association and the Allegheny Conference on Community Development have recently completed a comprehensive long-range plan for the revitalization of the Lower Turtle Creek Valley, which plan places the matter of flood prevention as basic to the future of the area; and

Whereas, An immediate restudy of the entire situation at once by the Corps of Engineers, U. S. Army, is imperative before the proper steps to correct this flooding can be determined, the said study is estimated by the U. S. Engineers to cost approximately \$61,500, and for which purpose no funds are presently available;

Now, Therefore, Be It Resolved by the Mayor and the Council of the City of Pittsburgh, Allegheny County, Pennsylvania, and it is hereby resolved

by and with the authority of the same, that, acting on behalf of the residents and industrial and commercial interests of the municipality, it does hereby request of United States Senators Martin and Duff, Congressmen Buchanan, Corbett, Eberharter and Fulton, and all other Pennsylvania Congressmen, that they do everything within their power to assure that the sum of \$61,500 is included in the national budget for the fiscal year of 1956 for the required restudy of the Turtle Creek flood problem, and that the Corps of Engineers, U. S. Army, also be provided with all necessary authorizations for making such a restudy as an item of the highest priority.

Which was read.

Mr. Fagan moved

The adoption of the resolution.

Which motion prevailed.

Mr. Fagan moved

An Ordinance entitled, "An Ordinance appropriating and setting aside the sum of \$100,000.00 to Code Account No. 41, Refunds—Taxes (Real Estate) for the purpose of providing sufficient funds to refund Assessment Adjustments approved by the Allegheny County Board of Assessment, Appeals and Review, as well as Orders of Court on Appeal."

In Finance Committee, April 26, 1955, bill read and ordered returned to Council with an affirmative recommendation, subject to the filing of a certificate of emergency signed by the Mayor and the City Controller.

Which was read.

Also

No. 2534.

#### CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when a special appropriation may be made to meet the same; and

Whereas, The City Treasurer's letter addressed to the Mayor and City Controller under date of April 22, 1955, has stated that the 1955 appropriation to Code Account No. 41, Refunds—Taxes (Real Estate) was \$110,000.00, and assessment adjustments approved by Allegheny County Board of Assessmen, Appeals and Review and issued to the City of Pittsburgh for which refunds of taxes paid were made in excess of \$90,000.00 in 1955 covering the years 1951-1952-1953-1954; and

Whereas, At the present time assessment adjustments have been certified by the Board of Assessment necessitating refunds in excess of the unexpended balance, and available information would indicate that further additional refunds will be necessary; and

Whereas, Due to pending assessment appeals before the Board of Assessment the amount required for refunds to the end of 1955 covering both Orders of the Board and Appeals in Court cannot be accurately determined. However, an additional appropriation of \$100,000.00 to Code Account No. 41, Refunds—Taxes (Real Estate) will provide sufficient funds to permit uninterrupted processing of these refunds as occasions arise; and

Whereas, Such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances.

Now, Therefore, We, David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, City Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh the existence of an emergency requiring the additional appropriation of \$100,000.00 to Code Account No. 41, Refunds—Taxes (Real Estate) for the purpose of providing sufficient funds to refund Assessment adjustments approved by the Allegheny County Board of Assessment, Appeals and Review as well as Orders of Court on Appeal.

DAVID L. LAWRENCE

Mayor.

EDWARD R. FREY,

City Controller.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 2491. An Ordinance entitled, "An Ordinance supplementing Section 2 and Section 3 of Ordinance No. 335, entitled, 'An Ordinance regulating the use and operation of vehicles on the streets of the City of Pittsburgh and providing penalties for the violation thereof,' approved October 3, 1922, as amended and supplemented."

Which was read.

Mr. Schifano moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Fagan:

Mr. President: On File No. 1386, Bill No. 2491, I would like to ask Councilman Schifano about that provision which reads: "No Parking at any time, including Sunday, Avalon Street, from Allequippa Street to Centre Avenue, North Side; Allequippa Street, from Breckenridge Street to Avalon Street, easterly side; Lawson Street, from Webster Avenue to Wylie Avenue, westerly side; Forbes Street, from Techview Terrace to Beeler Street, northeasterly side; Forty-Fourth St. from Keller St. to Penn Avenue, west side; Chessland Street, from Brett Street to Poplar Street, westerly side; Brett Street, from Chessland Street to Dead end,

southwesterly side"; and several others. If you will recall when we put similar regulations in force Downtown parking is permitted on Sunday, and I wonder if the same thing applies to these streets.

Mr. Schifano:

Mr. President: I have not made a study of this bill, but we had a sixty day trial period and I assume that inasmuch as there has been no complaint to Council or I assume there has been no complaint to our Traffic Division, that when this ordinance was presented by this body that it had the approval of the people who are living in the vicinity of those streets. We have no complaint from the churches evidently.

Mr. Jones:

Mr. President: For the information of Mr. Fagan, I can answer for the first three streets. Avalon Street runs parallel with Centre Avenue, and on Sunday afternoon cars that wish to go to the Veterans' Hospital would find it impossible to get through and the only way to alleviate it would be to have parking restricted to the side where the people live and leave the opposite side open. The same is true of Allequippa Street. I am certain this is to serve the people who wish to go out to visit at the Veterans' Hospital. Lawson Street is between Webster and Wylie Avenues. That was requested because when parking was allowed on both sides people could not get in. When Superintendent Malone went up there he found that if a fire broke out there it would constitute a real danger and hazard, and the only way we have to increase the ingress and egress there would be to have parking restricted to one side.

Mr. Fagan:

Mr. President: It says "No Parking at any Time." Is one side of the street restricted for parking? That is the reason I ask the question.

Mr. Jones:

Mr. President: It says "Westerly side of Lawson Street," and that means no parking at any time, including Sunday. If you have double parking nobody can get through.

**Mr. Fagan:**

They allow parking only on one side of the street.

**Mr. Jones:**

Yes.

**Mr. Fagan:**

Why is it captioned, "No Parking at any time?" What does it mean?

**Mr. Schifano:**

The first one says, "North Side," which means that on the south side parking is permitted.

**Mr. Fagan:**

Then the caption of the bill ought to be changed.

**Mr. Rodgers:**

Mr. President: I believe it is correct. If you read the full body of the bill it applies to one side only and I do not think any amendment is necessary to clarify the situation.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan	Schifano
Dinan	Weir
Fagan	Wolk
Jones	Gallagher, (Pres't)
Rodgers	

When the name of Mr. Fagan was called, he arose and said:

Mr. President: From the information I have received, I am voting Aye.

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

**Mr. Fagan presented**

No. 2538. Report of the Committee on Lands, Buildings and Housing for April 26, 1955, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation.

The Chair presented

No. 2545.

Whereas, Scientific studies carried on in many cities over the past ten years have demonstrated conclusively that the addition of fluorides to drinking water can bring about striking reductions in dental decay our children experience, and that this resistance to decay is a lifetime protection; and

Whereas, Every major recognized health organization in the United States, including the American Dental Association, the American Medical Association, United States Public Health Service, National Research Council, as well as their local counterparts, the Allegheny County Medical Society, the Pennsylvania Department of Health and the Odontological Society of Western Pennsylvania have endorsed the principle of fluoridation; and,

Whereas, More than 1000 communities in which twenty million Americans live now add fluorides to the drinking water, and plans have been approved to provide this service for some twelve million other Americans; and

Whereas, For the past several years, the City of Pittsburgh has been adding fluorides to its water, thus pro-

viding Pittsburgh children with the protection against dental caries which fluoridation insures, Now, Therefore, Be It

Resolved, That the Mayor and the Council of the City of Pittsburgh urge the South Pittsburgh Water Company, which provides water service for part of the City, to undertake a program of fluoridation of its water, in order that all the residents of Pittsburgh may have the benefits of fluoridation, a public health protection which can be provided safely and inexpensively.

Which was read.

Mr. Weir moved

The adoption of the resolution.

Which motion prevailed.

Mr. Jones moved

That the Minutes of Council of Monday, April 25, 1955, be approved.

Which motion prevailed.

And upon motion of Mr. Dinan

Council adjourned.

#### CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Article IV., Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, The Director of the Department of Water, and the Director of the Department of Public Health, in letters addressed to the Mayor and

City Controller under date of May 3, 1955, have stated that an emergency has arisen in the Department of Water and the Department of Public Health, requiring certain employees of the various above-named departments to perform emergency services for the benefit of the City for which they were not fully compensated during the period of January 1, 1955 to March 31, 1955, inclusive; and,

Whereas, It is necessary that additional compensation be paid to the employees aforementioned, who performed emergency services for the benefit of the City and for which they have not been fully compensated, and

Whereas, Such appears as good and sufficient reason to impel the certification of an emergency under the circumstances;

Now, Therefore, We David L. Lawrence, Mayor of the City of Pittsburgh and Edward R. Frey, Controller of the City of Pittsburgh, do hereby certify to the Council of the City of Pittsburgh the existence of an emergency requiring the payment of an amount not to exceed \$2,370.59 as extra compensation due employees whose names will appear on a special payroll submitted by the respective departments and chargeable to the following Code Accounts:

#### MOTIONS AND RESOLUTIONS

Mr. Wolk:

Mr. President: The Special Committee which you appointed, consisting of Mr. Fagan, Mr. Jones and myself, to draft a suitable resolution on the death of Edgar J. Kaufmann, has this resolution to present:

No. 2585.

Whereas, The life of every community and of every nation has been enriched and inspired from time to time by the works and by the accomplishments of outstanding citizens, and

Whereas, The City of Pittsburgh, whose municipal rebirth has become a source of pride and of confidence, has been uniquely fortunate in having various citizens whose industry and whose abilities have been devoted wholeheartedly to their community's improvement, and

Whereas, Of all these many able citizens, none exceeded the late Edgar J. Kaufmann in civic vision, in generosity, in dedication to Pittsburgh's renaissance, or in contributions to the welfare and the well-being of its citizenry, and

Whereas, In his lifetime, Edgar J. Kaufmann achieved, through his interest in this City and through his amazing foresight into its future growth, a position of respect and esteem that will long remain the most outstanding of his various accomplishments, in the fields of business, of philanthropy, of the arts, and of public service;

Now, Therefore, Be It

Resolved, That the Mayor and the Council of the City of Pittsburgh express to the widow and to the son of the late Edgar J. Kaufmann their deep and heartfelt sympathy, which is tendered with the confident knowledge that the many works of Mr. Kaufmann will serve not only as a fitting and living memorial to him, but as an inspirational standard of citizenship for all those who remain to carry on this program of community improvement to which he devoted himself with such selflessness and with success.

Which was read.

Mr. Wolk moved

The adoption of the resolution.  
Which motion prevailed.

Mr. Wolk moved

That the City Clerk be authorized to have a copy of this resolution engrossed and forward it to the family of the late Edgar J. Kaufmann.

Which motion prevailed.

Mr. Schifano moved

That the Minutes of Council of Monday, May 2, 1955, be approved.

Which motion prevailed.

Mr. Fagan moved

That Council recess until Tuesday, May 10, 1955, at 2:30 o'clock, P. M. (E. S. T.)

Which motion prevailed.

And

Council recessed.

Pittsburgh, Pa.,

Tuesday, May 10, 1955.

And the hour of 2:30 o'clock, P. M. (E. S. T.) having arrived and the time of the recess having expired, Council reconvened, and there were

Present:—Messrs.

#### MOTIONS AND RESOLUTIONS

The Chair presented

No. 2637. Resolved, That the Mayor, in consultation with the County Commissioners, appoint a committee in such number as they deem advisable, to inquire into the matter of the feasibility of selecting a site or sites for the establishment of a heliport or heliports in the City of Pittsburgh.

Which was read.

Mr. Schifano moved

The adoption of the resolution.

Which motion prevailed.

Also

No. 2638.

Whereas, This Council did on April 18, 1955, by Resolution No. 174, express its opposition to the Harris Bill (H. R. 4560) which had been introduced into the Congress of the United States, and which proposes that prices of natural gas sold by producers at the wellhead for transmission in interstate commerce shall be free of regulation by the Federal Power Commission; and

Whereas, A similar bill (S. 1853) has been introduced into the Senate of the United States; and

Whereas, The Mayor of the City of Pittsburgh is a member of a Committee of Mayors, composed of a number of Mayors in consumer cities throughout the United States to oppose this legislation; and

Whereas, This City's opposition to the legislation is based on the fact that it will place consumers of natural gas at the mercy of the producers, and will create a gap in the regulatory processes designed to control prices of natural gas sold in interstate commerce;

Now, Therefore, Be It

Resolved, That David L. Lawrence, Mayor of the City of Pittsburgh, be and he is hereby authorized and directed, on behalf of the City of Pittsburgh, to testify before the Senate Committee on Interstate and Foreign

Commerce to the reasons why Senate Bill No. 1853 should be defeated.

Which was read.

Mr. Weir moved

The adoption of the resolution.  
Which motion prevailed.

Also

No. 2639.

Whereas, The Federal Government and the City of Pittsburgh entered into an agreement on March 30, 1950, under which the Government leased to the City the Public Health Service Marine Hospital located at Fortieth Street and Penn Avenue, Pittsburgh, Pennsylvania, for the operation of a Public Health Service Center by the City; and

Whereas, The Director of the Department of Public Health has been advised by representatives of the United States Department of Health, Education and Welfare that the Public Health Service Marine Hospital may shortly be declared surplus property by the Federal Government; and

Whereas, The provisions of the Federal Property and Administrative Services Act of 1949 authorize the conveyance of surplus Federal property to political subdivisions and authorize certain public benefit allowances where the property will be used for public health purposes; and

Whereas, The facilities at the Public Health Service Marine Hospital now include maternal and child health clinics, an arthritic clinic, a tuberculosis screening program, a smoke control laboratory, the central office for the City's milk control program and the district office for other environmental sanitation services, the district headquarters for City public health nurses, a model nursery operated in conjunction with the University of Pittsburgh School of Medicine, a field training center operated jointly with the Federal Government and the State Department of Health, and other facilities of a similar nature; and

Whereas, It is deemed to be to the best interests of the City of Pittsburgh to continue the use of the Public Health Service Marine Hospital for these same purposes;

Now, Therefore, Be It

Resolved, That the Mayor and the Director of the Department of Public Health be and they are hereby authorized and directed to make application to the proper Federal authorities for acquisition of the Public Health Service Marine Hospital in the event that it is declared to be surplus property by the Federal Government; and

Be It Further

Resolved, That Dr. I Hope Alexander, Director of the Department of Public Health, and Homer R. Greene, Director of the Department of Lands and Buildings, are hereby designated as the City officials to carry on negotiations with the Federal Government for the acquisition of this property.

Which was read.

Mr. Fagan moved

The adoption of the resolution.  
Which motion prevailed.

Also

No. 2640. Resolved, That the Mayor be and he is hereby requested to return, without action thereon, Bill No. 2519, Resolution authorizing sale to Samuel J. Jones and Evelyn C. Jones, his wife, lot on Ossipee Street, Fifth Ward, for the sum of \$1,000.00.

Which was read.

Mr. Fagan moved

The adoption of the resolution.  
Which motion prevailed.

And the Mayor having returned without action thereon

Bill No. 2519. Resolution authorizing sale to Samuel J. Jones and Evelyn C. Jones, his wife, lot on Ossipee Street, Fifth Ward, for the sum of \$1,000.00.

In Council, May 9, 1955, read, rule suspended, read a second and third times and finally passed.

Which was read.

Mr. Fagan moved

To reconsider the vote by which the resolution was read a second and third times and finally passed.

Which motion prevailed.

And the question recurring, "Shall the resolution be read a second and third times and finally passed?"

The motion did not prevail.

Mr. Fagan moved

That the resolution be recommended to the Committee on Lands, Buildings and Housing.

Which motion prevailed.

Mr. Counahan moved

That the Minutes of Council of Monday, May 9, 1955, and Tuesday, May 10, 1955, be approved.

Which motion prevailed.

And upon motion of Mr. Counahan Council adjourned.

SOUTH PITTSBURGH WATER CO.

Pittsburgh, May 20, 1955.

George Boxheimer, City Clerk,  
510 City-County Building,  
Pittsburgh, Pennsylvania.

Dear Mr. Boxheimer:

This will acknowledge receipt of your letter of May 9, 1955, with which you enclosed copy of Resolution No. 208 authorizing the Mayor and the Council of the City of Pittsburgh to urge South Pittsburgh Water Company to undertake a program of fluoridation of its water supply.

The South Pittsburgh Water Company will be glad to fluoridate its water supply when and if the governing bodies of all of the other municipalities supplied request such action.

Very truly yours,

SOUTH PITTSBURGH WATER CO.

G. F. Eynon,  
Manager.

Which was read, received and filed.

MAYOR'S OFFICE

Pittsburgh, May 23, 1955.

President and Members,  
City Council,  
City of Pittsburgh  
Pittsburgh, Pennsylvania.

Gentlemen:

The need for the development of comprehensive capital improvement programs in the cities of America has never been more immediate than it is at this time. Especially is this true of cities such as Pittsburgh, which has devoted so much of its energies and its resources to a program of redevelopment and rebirth toward the end that we may achieve here a more liveable city, secure in its values and confident in its vitality.

It was in light of this knowledge that I asked various officials of the City to form together a committee which would concern itself with the thoughtful development of capital improvement programming, coordinating needs of departments of the City government with long-range goals of the redevelopment program.

On that Committee, which is chaired by the planning director of the Department of City Planning, serve the directors of Public Works, Water, Lands and Buildings, and Parks and Recreation. In addition the budget controller, the Mayor's executive secretary, and the executive director of the Urban Redevelopment Authority also are members of the capital improvement group. Staff work, including research, for the Committee is the responsibility of City Planning.

This Committee, which was called together upon the recommendation of the Mayor's Management Advisory Committee, met early in January to discuss its function, formulate its procedures, and begin immediate consideration of the Mayor's Management Advisory Committee, met early in January to discuss its function, formulate its procedure, and begin immediate consideration of the capital improvement requests for 1955. In addition, members of the Committee, in cooperation with other officials, closely examined the unexpended balances in various bond accounts previously established through Councilmanic action.

As a result of this examination and through some re-scheduling of work, the Committee was able to achieve the release of \$1,254,492 to the several parent bond accounts, where it can be applied against 1955 departmental requests. Beyond that, there has already

been authorized the expenditure of \$1,140,633 in bond moneys for projects which are recommended for inclusion in the 1955 bond program. In the instance of the Water Department, \$588,400 of the rehabilitation fund would be devoted to major capital improvement works recommended by the committee.

There is, therefore, a total of \$2,983,525, both in bond and rehabilitation accounts, which is available for use in accomplishing a capital improvement program for this year.

On the expenditure aide, there are the requests made by various departments, plus the already-authorized appropriations of \$150,000 to the Auditorium Authority of Pittsburgh and Allegheny County and of \$125,000 to the Carnegie Library of Pittsburgh.

After complete study, analysis, and review by the Capital Improvement Committee, it is recommended that the City of Pittsburgh capital improvement program for 1955 amount to \$5,963,633. After deducting the balances and other funds referred to above, such a program calls for \$2,980,108 in new borrowings this year.

It should be emphasized that this recommendation is modest almost to the point of being minimal. Departmental requests exceeded the recommended program by several millions of dollars. However, the Committee very properly took into account the City's ability to finance the requested projects and made its recommendations accordingly.

Although I am including with this letter more complete data on the bond program for the information of members of the Council, it is appropriate to outline here how the requested program is developed departmentally. It is particularly pertinent to point up that the Department of Water would receive the largest of all departmental allocations. Equally pertinent is the fact that this allocation marks the real beginning of the major rehabilitation and modernization program for the City's water system, but that it is only the beginning. Larger amounts will be needed in the next several years to complete the work.

In summary form, it is recommended that the 1955 bond program be established as follows:

Agency	Proposed Project Expenditure	Funds Available	New Funds Needed
Water .....	\$2,155,000	\$ 588,400	\$1,566,600
Public Works .....	2,110,232	250,232	1,860,000
Lands and Buildings .....	990,401	565,401	425,000
Parks and Recreation .....	265,000	265,000	-----
Traffic Planning .....	123,000	60,000	63,000
Planning Commission .....	10,000	-----	10,000
Auditorium Authority .....	150,000	-----	150,000
Carnegie Library .....	160,000	-----	160,000
<b>TOTAL.....</b>	<b>\$5,963,633</b>	<b>\$1,729,033</b>	<b>\$4,243,600</b>
LESS—Released Balance to Parent Bond Funds .....			\$1,254,492
<b>COUNCILMANIC BOND FUNDS NEEDED .....</b>			<b>\$2,980,108</b>

This 1955 program includes money for at least two projects directly related to the redevelopment project in the Lower Hill area; namely, the appropriation to the Auditorium Authority and provision for land acquisition and architects's fees for a new fire station to replace No. 3 on Webster Avenue which will be razed to make way for the Crosstown Thorofare.

In 1956, the City's obligations in this area will grow considerably and they will continue to exist in sizeable amounts at least through 1958. Beyond this particular project the City must make provision for funds to be used in other redevelopment and renewal work now contemplated or which can be reasonably expected.

Upon these commitments, there must

be added funds to complete the rehabilitation and modernization of the water system which will include full electrification of pumping stations, installation of a clarifier or chemical treatment system in addition to the sand filter process at the filtration plant replacement and extension of pipelines, and various other modernization activity.

Street construction and reconstruction, replacement of such public facilities as various police and fire stations, and improvement and expansion of parks and recreation facilities also demand large expenditures of bond money during the next several years.

These facts serve merely as an indicator of the scope of work which the City of Pittsburgh must undertake as capital improvements during the five years ahead.

The Capital Improvement Committee is, at the present time, compiling data upon which to base a five year programming of major municipal works. On the basis of the information now before this group capital improvement needs and commitments for the period of 1956 through 1960 amount in excess of \$20,000,000.

It is obvious that much work remains to be done before an accurate appraisal of these needs can be completed and definite recommendations presented. It is vital however that full consideration be given now to future capital improvement projects upon which much of Pittsburgh's continued growth and development will depend.

I am assured by the Council's many contributions to the Pittsburgh improvement program and by its devotion to that work that future plans for redevelopment and for municipal modernization will have your considered attention and your hearty support.

As I pointed up in my 1955 budget message to City Council, municipal expenditures which go toward improvement, reconstruction, and redevelopment are the money we cannot afford not to spend, because they affect the municipal plant which is the core of modern urban existence.

I am confident in the belief that the 1955 capital improvement recom-

mendations not only have been prudently arrived at, but that they also underline the value and the role of the Capital Improvement Committee.

I am certain the Council will deal with these recommendations wisely as drafts of ordinances are presented to achieve their implementation. I urge such action if, for no other reason, than to emphasize this city's determination to carry forward its work of municipal renaissance upon which we have embarked so successfully.

Very truly yours,

DAVID L. LAWRENCE,  
Mayor.

#### CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, At the time of the appropriation for the Rehabilitation and Reconditioning of the Water System, it was not known whether the work would

be done by the City or by contract, or both, and no provision was made for inspection; and

Whereas, The Director of the Department of Water in letters addressed to the Mayor and City Controller, under date of May 12, 1955, have stated that an emergency has arisen in the Department of Water requiring the employment of certain technical assistants as inspectors to aid in carrying out the proposed rehabilitation and improvement program in the Department of Water; and

Whereas, It is necessary that additional funds be provided for salaries and wages for those employees aforementioned, who will perform emergency services for the benefit of the City of Pittsburgh; and

Whereas, Such appears as good and sufficient reason to impel the certification of an emergency under the circumstances;

Now, Therefore, We, David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, Controller of the City of Pittsburgh, do hereby certify to the Council of the City of Pittsburgh, the existence of an emergency requiring the employment of technical assistants aforementioned, and an appropriation of an amount not to exceed Fifteen Thousand Dollars (\$15,000.00), for salary and wages thereof, chargeable to-----

David L. Lawrence,

Which motion prevailed.

And the bill was read a second time.

Mr. Fagan:

Mr. President: Does the bill have the approval of the Law Department?

The Chair:

The Clerk says No.

Mr. Rodgers:

Mr. President: Although this ordinance is complicated because the description is very technical, the description was written and approved by the Department of City Planning, and was carefully checked by Mr. Weir and myself. I think, as far as the description is concerned, there is no problem in my mind. What it does is change the entire area from "B" Residence to "C" Residence, excluding four lots facing on Penn Avenue, 260 feet by 120 feet.

Mr. Fagan:

Mr. President: There was so much controversy over the bill, I think it should have the approval of the Law Department.

And the bill, as read a second time, was agreed to.

Which was read.

Also

Bill No. 2682. Resolution authorizing the City Solicitor to accept from Pittsburgh Railways Company \$12,500.00 each quarter during 1955 in payment for franchise license charges, street cleaning, snow removal, bridge rental and pole and wire inspection fees, and to file with the Pennsylvania Public Utility Commission a certified copy of this resolution, together with acceptance thereof by Pittsburgh Railways Company.

Which was read.

Mr. Fagan:

Mr. President: File No. 1480, Bill No. 2681, and File No. 1481, Bill No. 2682—I would like to make a suggestion to Council that we have these bills read a first time today, and that they be read again next Monday and on the following Monday, for this reason:

The argument advanced by Mr. Marshall, who represented the Department of Law of the City of Pittsburgh, the Pittsburgh Railways Company was asking that the bill be reduced due to the fact that they had eliminated a lot of their tracks or had given up their right-of-way or franchise, and that is more or less true.

On Wyoming Street, in Mt. Washington, they have abandoned some of their track there, and the people who live on that street would like to have that track removed because there is only parking on one side of the street, and when it rains and snows and sleets, it makes it very dangerous. That franchise has been given up quite a while ago but the tracks are still on the street. At both ends of the street there are no connections—just merely the track there. Of course on the other streets where they have abandoned their franchise or right-of-way and no longer use it, the people would like to have the Pittsburgh Railways Company remove their tracks.

When they abandoned the interurban street car line that went as far as Drake and on into Little Washington, they salvaged their tracks and viaducts, bridges and trestles. The same thing

took place on the Charleroi line from Simmons to Roscoe, Pa.

I thought it might be possible for the Committee to negotiate during the next two weeks and see if we could get some agreement. Due to the fact that we are making some great concession, it might be possible to negotiate in the next two weeks and they will agree to remove the tracks where they have abandoned their franchise and right-of-way. After all, there are a lot of repairs to be made there, and at the same time it is dangerous and hazardous to the people who travel on these streets, especially in automobiles and trucks. I think it might be advisable for the Law Department and the Chairman of the Committee on Public Works to work with them, to negotiate to see if anything can be worked out where they have abandoned their right-of-way.

The Chair:

Do you make that as a motion, Mr. Fagan?

Mr. Fagan:

Mr. President: I merely make it as a suggestion.

Mr. Jones:

Mr. President: Is it Mr. Fagan's thought that by holding up this particular piece of legislation that it might expedite an agreement to remove these abandoned tracks?

Mr. Fagan:

That is my thought in the matter, Councilman Jones.

The Chair:

The suggestion is that on Bill No. 2681 and Bill No. 2682, that they be held over for second reading next Monday, and third reading the following Monday.

Mr. Weir:

Mr. President: On Wyoming Street, the street car service is totally discontinued there.

Mr. Fagan:

That is correct.

Mr. Weir:

Are they running buses?

The Chair:

They are running buses, Mr. Weir.

Mr. Fagan:

Mr. President: On Wyoming Street at least 600 feet or more the track is really dangerous.

Mr. Wier:

Mr. President: Of course, where they have abandoned the service finally or completely in a particular area they have to do it with permission from the Public Utility Commission after a hearing after which time they fix the responsibility. I don't know what occurred here, but I assume they permitted them to abandon it without lifting the tracks. If that is what occurred there isn't anything we could do about it. I am not familiar with this, but I assume that the regular procedure was followed.

The Chair:

I agree with Mr. Fagan. I think we should hold these two bills over and give the Law Department and the Director of the Department of Public Works an opportunity to negotiate with the Pittsburgh Railways Company and inform Council if and when these tracks are removed. If there is no objection, these bills will be passed over until next Monday, for second reading, and the following Monday for third reading, with the understanding that the Law Department and the Pittsburgh Railways Company will get together on the matter.

Also

Bill No. 2663. Resolution authorizing the issuing of a warrant in favor of Lowther Buildings, Inc., in the sum of \$21.20, refunding amount paid for building permits for Edward Wronch and John Borsos for erection of two dwellings, which were cancelled, and charging same to Code Account No. 42, Contingent Fund.

In Council, May 31, 1955, resolution read.

Which was read a second time.

Also

Bill No. 2682. Resolution authorizing the City Solicitor to accept from Pittsburgh Railways Company \$12,500.00 each quarter during 1955 in payment for franchise license charges, street cleaning, snow removal, bridge rental and pole and wire inspection fees, and to file with the Pennsylvania Public Utility Commission a certified copy of this resolution, together with acceptance thereof by Pittsburgh Railways Company.

In Council, May 31, 1955, resolution read.

Which was read a second time.

Mr. Rodgers:

Mr. President: I wish to report that the Director of the Department of Public Works and the City Solicitor and myself met with representatives of the Railways Company on Friday (June 3, 1955). There are certain items of information we are waiting for, so that I expect to have our final report next Monday.

Mr. Rodgers moved

That Bill Nos. 2681 and 2682 lay over until final report is received.

Which motion prevailed.

Also

Bill No. 2730.

Resolved, That Rule I and Rule X of the Rules of Council shall read as follows:

## RULE I

Stated meetings of Council shall be held on Monday of each week at 2:00 o'clock, P. M., (E.S.T.) during January, February, March and April, 1955; at 1:00 o'clock P. M. (E.S.T.) during May, June, September and October, 1955; at 2:00 o'clock, P. M., (E.S.T.) during November and December, 1955, and at 1:00 o'clock, P. M., (E. S. T.) on July 11 and 25, 1955.

## RULE X

All Standing Committees of Council shall meet on Tuesday of each week, and on such succeeding days the Committees may determine, and such meetings shall begin at 2:00 o'clock, P. M., (E.S.T.) during January, February, March and April, 1955; at 1:00 o'clock, P. M. (E.S.T.) during May, June, September and October, 1955; at 2:00 o'clock, P. M. (E.S.T.) during November and December, 1955, and at 1:00 o'clock, P. M., (E.S.T.) on July 12 and 26, 1955.

In Council, May 31, 1955, read and laid over one week, and a copy furnished each member.

Which was read.

Mr. Rodgers:

Mr. President: I propose an amendment to the resolution before us. I notice that in the last line of Rule I, it says "and at 1:00 o'clock, P. M. (E.S.T.) on July 11 and 25, 1955." And also in Rule X, "at 1:00 o'clock, P. M., (E.S.T.) on July 12 and 26, 1955." Those dates, July 11 and 25, are Mondays. During the summer months the Law Department has a skeleton crew working on Saturdays, so that this would mean if we would have these meetings on Monday the 11th and Monday the 25th, that matters which might come up Thursday or Friday in the preceding week would cause quite a rush to get them up here in time for Monday's meeting.

Also, during the summer, in July perhaps, some members of Council may be away on week-ends. Therefore, I propose that in Rule I, the Resolution read "at 1:00 o'clock, P. M., (E.S.T.) on July 12 and 26, 1955." This would be on Tuesday. And similarly in Rule X, "at 1:00 o'clock, P. M., (E.S.T.)

July 13 and 27, 1955." The Committed meetings would then be on Wednesday. I think this will expedite the business of Council because of the situation in the Law Department of the skeleton force on Saturday.

Mr. Rodgers moved

That Rule I be amended by striking out the words "July 11 and 25, 1955" and by inserting in lieu thereof the words "July 12 and 26, 1955" and Rule X by striking out the words "July 12 and 26, 1955" and by inserting in lieu thereof the words "July 13 and 27, 1955."

Which motion prevailed.

Mr. Rodgers moved

That the resolution, as amended, be adopted.

Upon which motion, the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Counahan	Schifano
Dinan	Weir
Fagan	Wolk
Jones	Gallagher (Pres't)
Rodgers	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

## REPORTS OF COMMITTEES

Also

Bill No. 2716.

#### CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when a special appropriation may be made to meet the same; and

Whereas, The City Treasurer's letter addressed to the Mayor and the City Controller under date of May 24, 1955 has stated that the 1955 appropriation to Code Account No. 35 Refunds—Earned Income Tax, is insufficient to cover claims for refunds now in process, and likely to be received later in the year; and

Whereas, The total amount of the refunds now in process and those likely to be received in the future cannot be accurately determined, but it is the opinion of the Treasurer that an additional appropriation of \$50,000.00 to Code Account No. 35 Refunds—Earned Income Tax, for the purpose of providing sufficient funds to cover refund claims now in process and likely to be received later; and

Whereas, Such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances.

Now, Therefore, we David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, City Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh the existence of an emergency requiring the additional appropriation of \$50,000.00 to Code Account No. 35 Refunds—Earned Income Tax for the purpose of providing sufficient funds.

DAVID L. LAWRENCE,  
Mayor.  
EDWARD R. FREY,  
City Controller.

Dated May 25, 1955.

In Finance Committee, May 31, 1955, read and ordered returned to Council to be made a part of the record.

Which was read, received and filed.

#### MOTIONS AND RESOLUTIONS

Mr. Rodgers:

Mr. President: I was talking with Mr. Stewart of the Urban Redevelopment Authority this morning and I am happy to report that the plans of the lower hill redevelopment have been submitted to the United States Government and have been tentatively approved.

The application of the Urban Redevelopment Authority for financial aid has been progressing satisfactorily in Washington.

There are certain things that we have to do in the various local public bodies that are involved in this lower hill redevelopment. One important thing is for City Council to hold public

hearings upon all phases of the matter.

It has been suggested to me by the Urban Redevelopment Authority that the 6th of July, 1955, at 1:00 o'clock, P. M. (E. S. T.), be set for a hearing before City Council. That requires advertising, and I move

That the City Clerk be authorized and directed to insert this advertisement this week and thereafter, as required by law, contingent upon receipt from the Mayor, as Chairman of the Urban Redevelopment Authority, a letter so requested. As I say, that is expected Wednesday of this week. Therefore, my motion, as soon as that is received and is in the Clerk's hands, that he proceed with the advertising for the public hearing on July 6, 1955, at 1:00 o'clock, P. M. (E. S. T.).

Which motion prevailed. (Mr. Wolk not voting.)

Mr. Schifano moved

That the Minutes of Council of Tuesday, May 31, 1955, be approved. Which motion prevailed.

And upon motion of Mr. Dinan Council adjourned.

Mayor David L. Lawrence,  
and Members of Council,  
510 City-County Building,  
Pittsburgh 19, Pa.

Attention: Geo. Boxheimer,  
City Clerk.

Gentlemen:

We are pleased to send you the following progress report on our work preparatory to the issue of revenue bonds and the beginning of construction of the Sewage Disposal System under our long-term agreement with you.

We have appointed Burgwin, Ruffin, Perry and Pohl as our Bond Counsel, Singer, Deane and Scribner as our Financial Advisors, and the Mellon National Bank and Trust Company as the Fiscal Agent for our bonds. We have also expanded our engineering staff and have retained experts on right-of-way and other real estate problems.

Every effort is being made to start construction at the earliest feasible date. We shall keep you informed from time to time of the progress toward completion of this important public project.

Respectfully yours,

ALLEGHENY COUNTY SANITARY  
AUTHORITY

J. F. LABOON,  
Executive Director.

In Council, June 6, 1955, read a second time and laid over pending receipt of report.

Which was read.

Also

No. 2814.

#### DEPARTMENT OF LAW

June 10, 1955.

City Council of the  
City of Pittsburgh.

Gentlemen:

By communication of June 1, 1955, your Honorable Body directed the Department of Law, in conjunction with the Director of the Department of Public Works and the Chairman of the Public Works Committee, to confer with officials of the Pittsburgh Railways Company on the question of removal of abandoned tracks in connection with proposed settlement, the subject of Bill No. 2681.

On June 3, 1955, the undersigned, together with Councilman Rodgers and Director Devlin of the Department of Public Works, conferred with Mr. Palmer, President of the Railways Company and Mr. Thomas, General Counsel, on this subject.

Representatives of the Railways Company emphasized the fact that settlement of the City's claim had been reached independent of the matter of removal of abandoned lines. Mr. Palmer and Mr. Thomas both said, however, that they are quite willing to discuss the matter of removal of lines with representatives of the City at any time in an attempt to settle this subject.

Removal of abandoned railway lines may be accomplished pursuant to one of several methods:

1. Removal may have been authorized or directed by city ordinance, in

which case the abandonment would necessarily follow the terms of the ordinance;

2. The abandonment may have been directed by the Pennsylvania Public Utility Commission, or a court having jurisdiction over this subject. In such case, of course, the abandonment would follow the terms of the Commission or court order.

Thus, the situation is that the removal of trackage on each specific abandoned line is controlled by its own peculiar facts. For instance, the trackage of Route No. 33, Wyoming, Woodstock and Sycamore Streets, which was mentioned by your Honorable Body, was abandoned in 1931 pursuant to an agreement between the Pittsburgh Railways Company, West End Traction Company, Pittsburgh and West End Railways Company, and the City of Pittsburgh. This agreement was authorized by Council by Ordinance No. 524, approved October 15, 1941. The agreement was then submitted to the Public Utility Commission, Docket No. 24076, and was approved by formal order of the Commission on December 8, 1931. This agreement calls for the Railways Company to remove the tracks when and if the City of Pittsburgh repaves or restores the surface of these streets. None of these streets have been disturbed since the abandonment in 1931, and there is no immediate contemplation of a repaving or restoring of these streets. Therefore, under the terms of the 1931 agreement, there is no obligation on the Railways Company to remove these tracks at this time, and if the City should require the removal, there is a real likelihood that the City would have to bear the expense.

It is the conclusion of the undersigned that the question of track removal must be handled individually, and that it has no direct relationship to the proposed settlement, Bill No. 2461.

James S. Devlin, Director of the Department of Public Works, concurs in this report.

Respectfully submitted,

J. Frank McKenna, Jr.,  
City Solicitor.

Which was read, received and filed.

Mr. Fagan:

Mr. President: The City of Pittsburgh spends nearly three million dollars a year for the health, welfare and the public safety of the people of the City of Pittsburgh, and I am very much in favor of that, keeping people safe, healthy and alive, but here is a condition where you have a real hazard on Wyoming Street. The people have complained about it. The Pittsburgh Railways Company has done nothing to remove the rails, and I would like to request the City of Pittsburgh—the Department of Public Works—go into that matter, because, there isn't any doubt about it that this is a real hazard. When it rains, like it has been doing for several days and when it sleets and snows, it is a real hazard, and I think the City of Pittsburgh is going to have to face actions for damages for loss of life or limb. The people have complained for a long time, especially the citizens of Wyoming St., and I think they should have some relief. These tracks are of no use or value and they will never be used again by the Pittsburgh Railways Company or the West End Traction Company.

I make the request, Mr. President, that the City of Pittsburgh do something in behalf of the citizens of Wyoming Street.

Mr. Fagan moved

That the Department of Public Works be requested to furnish a report, recommendation and estimate of the cost of either removing the street railway tracks or covering the same on Wyoming Street, between Boggs Avenue and Virginia Ave., 19th Ward.

Which motion prevailed.

And the resolutions were read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Counahan	Schifano
Fagan	Weir
Jones	Wolk
Rodgers	Gallagher (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

No. 2904.

June 21, 1955.

President and Members  
City Council

Subject: Proposed Bell Telephone Company Headquarters Building—Redevelopment Area No. 1—Project Area "B"—Gateway Center

The Urban Redevelopment Authority by letter of June 14, 1955, transmitted to the Commission, plans and data relative to the proposed Bell Telephone Company Headquarters Building at Stanwix Street and Boulevard of Allies in the Gateway Center, in accordance with Article IV of the redevelopment contract between the Urban Redevelopment Authority and the Equitable Life Assurance Society of the United States.

The Planning Commission at its meeting of June 21st considered the material and the report of its staff thereon. After considerable discussion the following actions were taken:

Motion: That the recommendation of the Committee on General Plans today be received and accepted, and approval be given to the Bell Telephone Building Project identified as the "Plan for the Proposed Headquarters Building, Stanwix Street and Boulevard of the Allies," dated 5-16-55 and 5-20-55, submitted by the Bell Telephone Company of Pennsylvania, as being in conformity with either of the two plot plans for the block previously approved in this meeting. Carried.

The reference in the foregoing motion to the plot plans relates to the following action taken by the Commission earlier in the meeting:

Motion: That the recommendation of the Committee on General Plans today be received and accepted; that the two preliminary plot plans for the block submitted by the Equitable Life Assurance Society, and identified as "Plot Plan—Gateway Center"—1 and 2—dated May, 1955, be considered as alternate solutions generally acceptable as to (1) site arrangement and number of proposed buildings; and (2) overall building coverage and building intensity. Carried.

Yours very truly,

C. RONAL WOODS,

Planning Director.

## MOTIONS AND RESOLUTIONS

Mr. Counahan:

Mr. President: The Sub-Committee of Council, consisting of Messrs. Fagan, Schifano and myself, appointed to study and make recommendations relative to gas explosions, wishes to submit a report prepared by Louis Rosenberg, Special Assistant City Solicitor.

Mr. Counahan presented

No. 2908.

### DEPARTMENT OF LAW

June 20, 1955.

Hon. John F. Counahan, Patrick T. Fagan, Emmanuel F. Schifano

Re: Gas Explosion--Councilmanic Subcommitee.

Sirs:

This report comes to you confirming all previous communications, conferences and oral reports had with your committee or with individual members of the committee to date.

While the main purpose of your sub-committee is to recommend appropriate legislation intended to eliminate gas explosions within the City of Pittsburgh, it was nevertheless necessary that proper inquiries, research and investigation be made into all phases of the subject matter in order to intelligently arrive at the most satisfactory legislation.

Originally, as you recall, it was intended that the legislation be simple but we realized that explosions may occur from external building causes, internal building causes, or in combination of these two. The subject matter calls for proper consideration of the utility companies as well as the consumer and consideration for the responsibilities and assumptions of risk of both of these. We were concerned as well with the administration and enforcement of this character by a special administrator or law enforcement officer or through the medium of all concerned.

We were concerned very emphatically about the ability of the City of Pittsburgh to enforce legislation as it had been enacted in the face of burdensome expenses imposed upon property

owners, gas users, or the utilities. We were naturally curious about what other municipalities might have done in connection with this subject matter. We, by necessity, had to know what expert and professional agencies and similar institutions knew and had presented either to municipal governments or to professionals recommending approved information and practices in connection with this particular subject matter.

Our procedure then followed our thinking and we procured sufficient information so that up to now we have a portion of the ordinances made up of provisions in the rough that includes primary installation precautions for outside and inside of buildings.

We have not yet prepared the provisions in rough draft for special uses such as water heaters, room or space heaters, floor furnaces, clothes driers, etc., nor for commercial equipment such as in restaurants, hotels, and other similar uses within the business districts of the City.

As you know, we have proceeded with the thought in mind that the ordinance should be completed in the rough and then presented to the various technical experts for their criticism, approval, disapproval, and suggested revision. We have also proceeded with the thought in mind that for economy purposes the administration and enforcement of this contemplated ordinance could be as easily and efficiently handled through our various present responsible officials in the different departments now concerned with related subjects.

We proceeded also with the thought in mind that explosions do occur and no matter how hard we may try to anticipate by legislative provision for the elimination of explosions we shall not be able completely to do so but that it must be our effort to eliminate wherever and however possible as many as might be and that therefore whatever efforts we expend in arriving at a reasonably good ordinance may have the good effect that we are hoping for.

Report will be made to you as soon as possible of the further procedure and every effort will be made to have the matter completely finished as soon

as possible so that it may be submitted to the Councilmanic body and the public, if so desired, but with the thought in mind that the majority of its provisions will have been acceptable to the vast majority.

Respectfully yours,

LOUIS ROSENBERG  
Special Assistant  
City Solicitor.

Which was read, received and filed.

The Chair presented

No. 2909.

#### CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

WHEREAS, Article XIV., Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations

shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

WHEREAS, the Director of the Department of Public Health, in letters addressed to the Mayor and the City Controller under date of July 22, 1955, has stated that due to the fact that Vacation Relief was not provided for Municipal Hospital in Ordinance No. 460, approved December 24, 1954; and

WHEREAS, because of this situation an emergency has arisen making it necessary to employ persons not provided for in this Salary Ordinance; and

WHEREAS, if such persons were not employed, it would be necessary for the City to pay regular employees time and a half for overtime; and

WHEREAS, Such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances;

NOW, THEREFORE, We DAVID L. LAWRENCE, Mayor of the City of Pittsburgh and EDWARD R. FREY, Controller of the City of Pittsburgh, do hereby certify to Council the existence of an emergency making it necessary to employ Engineers and Apprentice Engineers for Vacation Relief at Municipal Hospital for a total of forty-two (42) days each, in the Department of Public Health, for the purpose herein set forth.

CITY OF PITTSBURGH

CERTIFICATE OF EMERGENCY

WHEREAS, Article 14, Section 13 of of Act of March 7, 1901, P.L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance, except in cases of emergency when a special appropriation may be made to meet the same; and

WHEREAS, a letter from the Director of the Department of Public Health addressed to the Mayor and the City

Controller under date of July 8, 1955, calls attention to the facts herein contained; and

WHEREAS, it appears that Ordinance No. 459 of 1954, being the appropriation ordinance for the year 1955, specifically Code Account No. 1233, sets up the sum of \$169,708 for salaries, regular employees; and

WHEREAS, since said appropriation, a vaccine has been made available by reason of recent scientific discovery, to combat the occurrence of poliomyelitis; and

WHEREAS, it becomes necessary to obtain the services of additional child health physicians to administer the said vaccine to the children of school age within the City of Pittsburgh; and

WHEREAS, the administration of said vaccine undoubtedly will counteract the evil affects of said disease; and

WHEREAS, the said Code Account No. 1233 in Ordinance 459 of 1954 is inadequate for the purpose of obtaining the services of additional child health physicians to administer the said vaccine; and

WHEREAS, there appears that Code Account No. 1233-1 of said Ordinance No. 459 of 1954 sets up the sum of \$24,000 for professional medical services; and

WHEREAS, there remains in said Code Account No. 1233-1 the unused sum of \$11,580 which, it is contemplated, will not be necessary for expenditure in the fiscal year of 1955, and therefore, is available for use for the purposes herein set forth and required as an expenditure under Code Account No. 1233; and

WHEREAS, such circumstances appear to make good and sufficient reason to employ the certification in emergency.

NOW THEREFORE,

We, DAVID L. LAWRENCE, Mayor of the City of Pittsburgh and EDWARD R. FREY, City Controller of the City of Pittsburgh, do hereby certify to the Council of the City of Pittsburgh the existence of emergency requiring the transfer of appropriation of \$11,580

from Code Account No. 1233-1 to Code Account No. 1233, of Ordinance No. 459 of 1954, being the appropriation ordinance for the year 1955, for the purpose of providing sufficient funds to administer the vaccine for the prevention of poliomyelitis in children within the City of Pittsburgh.

## MOTIONS AND RESOLUTIONS

Mr. Jones presented

No. 8118 An Ordinance amending Zoning Ordinance No. 372, approved August 9, 1923, Zone Map Sheet Z-N10-E-15, by changing from a Light Industrial, One Hundred Twenty-five Foot and Fifth Area District to an "A" Residence, Forty-five Foot and Second Area District, all that certain property bounded by Enfield Street; the southerly line of Maripoe Street extended westwardly; a line parallel with and distant 100 feet westwardly from the westerly line of Enfield Street north of the first angle in said street north of Maripoe Street and said line extended southwardly; the lines dividing properties, now or late, of Schuylkill Improvement Land Company and of the Pittsburgh Junction Railroad Company from property to the east thereof, the northeasterly boundary line and the southeasterly boundary lines of the Columbia Place Plan of Lots; and, the line of the "A" Residence District north of Morewood Avenue.

Which was read and referred to the Committee on Public Works.

Mr. Jones moved

That the ordinance be advertised, and that a hearing be fixed for Tuesday, September 6, 1955, at 2:15 o'clock, P.M., (E.S.T.).

Which motion prevailed.

Mr. Wolk presented

No. 3119 Communication from the Department of Law requesting the release of \$3,000.00 in Code Account No. 1075, Miscellaneous Services, from the fourth quarter to the third quarter of 1955.

Which was read.

Mr. Wolk moved

That in this instance the quarterly allotments be amended in said Code Account, and the City Controller be requested to change his records accordingly.

Which motion prevailed.

Mr. Rodgers:

Mr. President: I wish to report for the Sub-Committee consisting of Messrs. Jones, Schifano and myself, appointed to study the reclaimed asphalt program.

Early in June \$50,000.00 was appropriated for the purchase of materials and the improvement of streets with reclaimed asphalt.

I want to report that to date Mahon Street and Watt Street, in the Fifth Ward, which total approximately 1,100 lineal feet, have been improved at a cost of \$5,500.00. Also Camfield Street, in the Bon Air District, in the Eighteenth Ward, was completed just last week.

The Department of Public Works and our Sub-Committee are working now to select other streets and we expect to have more completed next week, and the entire program practically completed within two weeks.

We want to suggest to all the other members of Council, that if they get the opportunity, we would like to have them examine these streets and see what the condition is. I will say, for myself, and I think I speak for Mr. Jones and Mr. Schifano, that we are very well satisfied with the results. Of course, time will tell. The Works Department tells us that the streets need traffic in order to get the best out of them. Apparently asphalt needs use to keep the life in it.

That is our progress report now. We expect to be practically completed in two weeks.

Mr. Jones:

Mr. President: I might say Mr. Rodgers is giving serious study or seriously controlling our slag program, because, as compared to this, I think it is a waste of money, and rather than put slag on and have it washed away, it would be better that we go into the reclaimed asphalt program, which is more or less a permanent proposition, as compared to the slag program, which is only temporary at best.

---

Mr. Schifano:

Mr. President: When I went with Paul Jones to Mahon Street and Watt Street I saw that in the course of one day the complexion of the whole area had changed.

Mr. Jones moved

That the following members be excused for absence from Council and Committee meetings:

Mr. Counahan on July 6, 12 and 13, 1955.

Mr. Dinan on July 6, 12, 13, 26, 27 and 29, 1955.

Mr. Weir on July 26 and 27, 1955

Mr. Gallagher (Pres't) on July 26, 27 and 29, 1955.

Which motion prevailed.

And upon motion of Mr. Wolk

Council adjourned.

#### CITY OF PITTSBURGH

##### CERTIFICATE OF EMERGENCY

WHEREAS, Article 14, Section 13 of of Act of March 7, 1901, P.L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance, except in cases of emergency when a special appropriation may be made to meet the same; and

WHEREAS, a letter from the Director of the Department of Public Health addressed to the Mayor and the City Controller under date of July 8, 1955, calls attention to the facts herein contained; and

WHEREAS, it appears that Ordinance No. 459 of 1954, being the appropriation ordinance for the year 1955, specifically Code Account No. 1233, sets up the sum of \$169,708 for salaries, regular employees; and

WHEREAS, since said appropriation, a vaccine has been made available by reason of recent scientific discovery, to combat the occurrence of poliomyelitis; and

WHEREAS, it becomes necessary to obtain the services of additional child

health physicians to administer the said vaccine to the children of school age within the City of Pittsburgh; and

WHEREAS, the administration of said vaccine undoubtedly will counteract the evil affects of said disease; and

WHEREAS, the said Code Account No. 1233 in Ordinance 459 of 1954 is inadequate for the purpose of obtaining the services of additional child health physicians to administer the said vaccine; and

WHEREAS, there appears that Code Account No. 1233-1 of said Ordinance No. 459 of 1954 sets up the sum of \$24,000 for professional medical services; and

WHEREAS, there remains in said Code Account No. 1233-1 the unused sum of \$11,580 which, it is contemplated, will not be necessary for expenditure in the fiscal year of 1955, and therefore, is available for use for the purposes herein set forth and required as an expenditure under Code Account No. 1233; and

WHEREAS, such circumstances appear to make good and sufficient reason to employ the certification in emergency.

#### NOW THEREFORE,

We, DAVID L. LAWRENCE, Mayor of the City of Pittsburgh and EDWARD R. FREY, City Controller of the City of Pittsburgh, do hereby certify to the Council of the City of Pittsburgh the existence of emergency requiring the transfer of appropriation of \$11,580 from Code Account No. 1233-1 to Code Account No. 1233, of Ordinance No. 459 of 1954, being the appropriation ordinance for the year 1955, for the purpose of providing sufficient funds to administer the vaccine for the prevention of poliomyelitis in children within the City of Pittsburgh.

## MOTIONS AND RESOLUTIONS

The Chair appointed Messrs. Fagan, Wolk and Rodgers as a Committee to prepare a memorial resolution on the death of Doctor James P. Kerr, a former member and President of City Council and Controller of the City of Pittsburgh.

Mr. Fagan presented

No. 3276

Pittsburgh, Pa.  
September 9, 1955.

Councilman Patrick T. Fagan  
Room 510 City-County Building,  
Pittsburgh, Pa.

Pittsburgh Building and Construction Trades Council at its regular meeting Wednesday, September 7th, 1955, unanimously voted to protest any action taken to pass Zoning Ordinance Number 3101. Enactment of this vicious measure would mean the loss of work for many of our trades and we strongly urge you to defeat this bill.

Tim Crannan, Secretary

Pittsburgh Building Trades Council

Which was read.

No. 3277

Pittsburgh, Pa.  
September 9, 1955.

Mr. Patrick T. Fagan  
Council, City of Pittsburgh  
City-County Building,  
Pittsburgh, Pa.

The Pittsburgh Central Labor Union protests the contemplated enactment of Council Bill No. 3101-55 which proposes to change zoning laws to prohibit and eliminate advertising signs and billboards in and around the lower Hill District Redevelopment project. Changing zoning laws is considered arbitrary and decidedly unfair to businesses involved and to workers employed in advertising industry. Respectfully request that proposed bill be emphatically voted down.

Pittsburgh Central Labor Union  
John A. Felgel, President  
A. P. Dudich, Secretary.

Which was read.

Mr. Fagan moved

That No. 3276 and No. 3277 be made part of the record.

Which motion prevailed.

Mr. Fagan moved

That the Minutes of Council of Tuesday, September 6, 1955, be approved.

Which motion prevailed.

Mr. Fagan moved

That when Council adjourns it shall adjourn out of respect to the memory of Doctor James P. Kerr, a former member and President of City Council and Controller of the City of Pittsburgh.

Which motion prevailed.

And

Council adjourned.

### CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

WHEREAS, Article XIV, Section 13 of the Act of March 7, 1901, P.L. 20, as amended by the Act of May 31, 1911, P.L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when a special appropriation may be made to meet the same; and

WHEREAS, The Director of the De-

partment of Public Works in letters addressed to the Mayor of the City of Pittsburgh and the City Controller under date of September 1, 1955, has stated that although Ordinance No. 3, approved January 15, 1955 provided for the payment of \$6,350.00 for a Roller Engineer, no funds were appropriated therefor and that the additional sum of \$1,150.00 is necessary to provide for the payment of labor forces to repair machinery at the Asphalt Plant when shut down on Saturdays and Sundays; and

WHEREAS, in order to complete the regular scheduled work for the remainder of the year, it is necessary to transfer the sum of \$7500.00 to the Wage Account of the Asphalt Plant in the Bureau of Bridges, Highways & Sewers, Department of Public Works; and

WHEREAS, such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances.

NOW, THEREFORE, we, DAVID L. LAWRENCE, Mayor of the City of Pittsburgh, and EDWARD R. FREY, City Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh the existence of an emergency requiring the transfer of \$7500.00 to Code Account No.1655-2, Wages, Temporary Employees, Asphalt Plant, Bureau of Bridges, Highways & Sewers, Department of Public Works.

Mr. Schifano:

Mr. President: On Bill No. 3204, File No. 1868, I want to say that I have a communication from the Traffic Engineer, of the Department of Public Safety, Bureau of Traffic Planning, Mr. Gittens, which I will read:

No. 3324

DEPARTMENT OF PUBLIC SAFETY  
BUREAU OF TRAFFIC PLANNING

September 19, 1955

Emanuel Schifano, Councilman  
City of Pittsburgh  
Pennsylvania

Dear Councilman Schifano:

On August 25, 1954, the Better Traffic Committee concluded several discussions pertaining to the use of radar for making speed checks, and passed the following motion:

"IT WAS MOVED AND APPROVED

That the Better Traffic Committee endorse the purchase of at least one radar speed meter."

The Bureau of Traffic Planning and the Better Traffic Committee took cognizance of the fact that a speed measuring device is needed for traffic studies. It is intended that the radar speed

measuring equipment will be mounted in an automobile and transported from one point to another in making speed studies.

The Bureau of Traffic Planning receives numerous complaints from individuals concerning the use of excessive speed on City streets. An accurate speed measuring device is needed in order to study the location involved and obtain factual data of minimum, maximum, and average speeds. This kind of information can not be obtained by having traffic officers patrol any given area on a motorcycle. The presence of a uniformed officer tends to change normal driving habits.

Many requests are received for "SLOW" signs, "WATCH CHILDREN" signs, and speed limit signs. Any decision to erect caution signs is based upon observations. No observation can provide information accurate enough to determine whether caution signs are required. It is also important that a speed measuring device be obtained so that the effectiveness of caution signs can be determined. It is expected that factual information on driver's habits will indicate those conditions under which the erection of caution signs will be most beneficial.

Only by carefully studying driver's habits on the major roadways can the Bureau of Traffic Planning recommend proper speed limits. The posting of speed limit signs must be based upon safe driving habits, and it is important that the speed limit be neither too high nor too low. If the speed limit is too low, drivers are induced to commit violations where no violation is intended.

Very truly yours,

MICHAEL J. GITTENS  
Traffic Engineer

It will not be necessary to purchase a car to transport the equipment.

Mr. Gittens told me verbally that they have received a number of complaints of speeding on Beechwood Boulevard, Braddock Avenue, Saw Mill Run Boulevard, The Boulevard of the Allies and the Bigelow Boulevard.

Recently the Coroner of Allegheny County, Doctor McClelland was concerned about so many deaths on the Penn-Lincoln Parkway.

This device will give us an opportunity to determine how fast they are traveling on the parkway. If it will save one life it will be worthwhile.

I ask that this communication be made a part of the record.

Which was received and filed and made part of the record.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan	Schifano
Fagan	Weir
Jones	Wolk
Rodgers	Gallagher (Pres't)

(Mr. Dinan not voting).

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Fagan presented

No. 3325 Report of the Committee on Lands, Buildings and Housing for September 13, 1955, transmitting sundry resolutions to Council.

Which was read, received and filed.

#### MOTIONS AND RESOLUTIONS

Mr. Fagan:

Mr. President, The Sub-Committee consisting of Councilmen Rodgers, Wolk and myself, appointed to prepare a memorial resolution on the death of Doctor James P. Kerr, a former member and President of this body, and Controller of the City of Pittsburgh, wishes to submit the following resolution:

Mr. Fagan presented

No. 3326

Dr. James P. Kerr, claimed by death at the age of 91, was born in Beaver County, Pennsylvania, May 6, 1864. He was the son of a physician in whose footsteps he followed, and after graduating from grade and high schools in Beaver, he entered the School of Medicine at the University of Maryland, graduating in 1888. A year after his graduation, he came to Pittsburgh's

South Side, where he was engaged in active practice for nearly 60 years.

He was a distinguished surgeon, a good husband and father, and a courageous man. He was well and favorably known to the people of his adopted city, where he served in several public offices—first, as a member of the Council, then as its president and later as City Controller.

In 1904, when Saint Joseph's Hospital was organized, he became its chief surgeon and served in that capacity and a president of the staff for more than 40 years.

In 1911 he was appointed by the then Governor of Pennsylvania, the Honorable John K. Tener, to serve as one of the first members of the Council of Nine. He continued in that capacity until 1918 when he resigned to enter the United States Army in World War I as a major in the medical corps. He was promoted to Lieutenant-Colonel in charge of Base Hospital No. 77 at Beaune, France.

In 1930, on the death of the City Controller, Daniel Winters, he was appointed to succeed him. He was elected in 1931 and re-elected in 1935. In this position he became known as the "watch-dog of the treasury". He was a staunch defender of the city's credit and would not allow loose charges concerning the city's finances to stand unchallenged.

Though a man of strong convictions, he had a fine sympathy for the hardship of others. His patients remained his life-long friends, and in public life his associates and the public never ceased to respect his high character. He laid down hard rules for his own conduct as a public servant and required that his subordinates follow rigid standards. He could be a strict disciplinarian when he felt his official duties demanded it.

It is given to few to live so long and to serve mankind so faithfully and in so many capacities. Pittsburgh has benefited by his life and contributions to the community's welfare.

THEREFORE, BE IT

RESOLVED, That the Mayor and the Council of the City of Pittsburgh express to the family of the late Dr.

James P. Kerr their deep and heart felt sympathy on the loss of their illustrious father, a good citizen and eminent surgeon and physician, and sincerely mourn his passing; and be it further

RESOLVED, That a copy of this resolution be forwarded to the family of the late Dr. James P. Kerr.

Which was read.

Mr. Fagan moved

The adoption of the resolution by a rising vote and that a copy also be sent to Sister Mary Philip, Superintendent of St. Joseph's Hospital.

Which motion prevailed.

The Chair presented

No. 3327 Resolved, That the Mayor be and he is hereby requested to return, without action thereon, Bill No. 3168, Resolution repealing Resolution No. 552, approved December 27, 1954, authorizing the execution and delivery of a quit-claim deed to Hattie Ebster, widow, for a lot 19 x 115 Rodman Street, 11th Ward, taken at City Treasurer's Sale No. 192 of 1953.

Which was read.

Mr. Fagan moved

The adoption of the resolution.

Which motion prevailed.

And the Mayor having returned without action thereon

Bill No. 3168 Resolution re-

pealing Resolution No. 552, approved December 27, 1954, authorizing and directing the Quit-Claim Deed to Hattie Ebster, widow, for property on Rodman Street, 11th Ward, which was acquired at City Treasurer's Sale No. 192 of 1953, upon payment of all taxes, penalties, interest and costs.

In Council, September 12, 1955, Read, rule suspended, read a second and third times and finally passed.

Which was read.

Mr. Fagan moved

To reconsider the vote by which the resolution was read a second and third times and finally passed.

Which motion prevailed.

And the question recurring, "Shall the resolution be read a second and third times and finally passed".

The motion did not prevail.

Mr. Fagan moved

That the resolution be recommitted to the Committee on Lands, Buildings and Housing.

Which motion prevailed.

Mr. Counahan moved

That the Minutes of Council of Monday, September 12, 1955, be approved.

Which motion prevailed.

And upon motion of Mr. Fagan

Council adjourned.

Mr. Rodgers moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Fagan:—

Mr. President: File No. 1915, Bill No. 3101, does that bill have the approval of the Law Department?

The Chair:

The Clerk informs me that none of these bills are referred to the Law Department.

Mr. Fagan: It is a zone change and

there is no immediate rush of it going through.

Mr. Wolk: Oh, yes, there is.

Mr. Fagan: What is the immediate rush?

Mr. Wolk: If you do not pass it they can get a permit for anything.

Mr. Rodgers

Mr. President: I think that in a zone change it is important that when we have made up our minds, it should be done rather than be laid over unless it is necessary. But in any zone change, until it is passed it leaves the area open for the issuance of permits which would later become legal non-conforming uses. Unless there is some real question or some necessity for laying it over it should be acted on as early as possible.

Mr. Fagan: The Department of Public Safety could be notified not to issue any permits.

Mr. Wolk: What is the question?

Mr. Fagan: You are changing from Commercial and Light Industrial to Commercial, Class "A" and Light Industrial, Class "A".

Mr. Wolk: There is no problem there. Whether it is legal or not, it is up to whoever wants to oppose it.

Mr. Fagan: Wouldn't it be better to have the official O.K. of the Law Department?

Mr. Wolk: I don't understand. Why wasn't it raised in Committee?

Mr. Fagan: Is there any reason it could not be referred now? Is there anything unparliamentary about raising the question now?

Mr. Wolk: I don't see any question about it on a legal angle.

J. Frank McKenna, Jr., City Solicitor, was asked to appear before Council and inform the Council whether the Law Department approves this ordinance, as amended.

Mr. McKenna appeared and stated that he would like to have at least twenty-four hours' time in which to study this ordinance and advise Council whether it meets with the approval of his department.

This was agreed to.

Mr. Rodgers moved

That the bill be referred to the Department of Law for approval.

Which motion prevailed.

Also, with an affirmative recommendation,

Bill No. 3352 Resolution authorizing the Director of the Department of Public Works to issue a permit to the Esso Standard Oil Company and the O. K. Grocery Company for the grading and surfacing of Thirty-Fifth Street, from the west line of the Pennsylvania Railroad right-of-way to a point four hundred forty feet westwardly, in accordance with the plans and specifications approved by the Department of Public Works and under regulations and conditions established by said Department; the grading or improvement herein authorized shall be a temporary paving, a permanent paving not being authorized by this Resolution, and if and when the street is subsequently improved with permanent paving, the abutting property owners will be assessed benefits therefor.

Which was read.

Mr. Rodgers moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

#### DEPARTMENT OF LAW

October 4, 1955

Honorable President and Members  
City Council  
City of Pittsburgh

In re: Bill No. 3101

Gentlemen:

You have submitted to this Department the following question:

Council Bill No. 3101 provides that certain properties in the downtown section of the City shall be changed from Light Industrial to Light Industrial Class A, and from Commercial to Commercial Class A. Class A in each case means that signboards are restricted in the areas so designated.

The district involved is located in the general area bounded by Forbes Street, Ross Street, Fifth Avenue, Grant Street and Liberty Avenue; and thence extending in an irregular line from a point northeast of Fifteenth Street to Forbes Street at Marion Street. Within that general boundry lie the Commercial and Light Industrial districts affected by the bill.

An amendment has been proposed to this bill which will eliminate from the affected land a line parallel with and distant ten feet eastwardly from the easterly line of Grant Street between Fifth and Liberty Avenues. Also, it is proposed that additional property in the southern sector of the above described land, along Forbes Street, be removed from the districts wherein signboards are prohibited.

The applicable law provides that, prior to the establishment of zones within the City, there must be notice and public hearings. The same provision of the law is applicable to amendments or changes in zonings. Hearings have already been held relative to the proposed changes to Commercial Class A and to Light Industrial Class A.

The amendment proposed relating to the ten feet along Grant Street and to the property along Forbes Street in the southern sector does not provide for a change of zoning, but rather for a continuance of the classification of the area described in the amendment as it existed prior to the introduction of Bill No. 3101.

Under these circumstances, you are advised that a public hearing on the amendment is not required.

We have examined Bill No. 3101 and find it to be in proper form.

Respectfully,

J. FRANK McKENNA, Jr.  
City Solicitor

Which was read, received and filed.

Mr. Fagan

Mr. President: I am glad we now have a report from the Law Department and we can go ahead and vote intelligently, at least I can, on the bill.

I hope that the opinion of the Law Department will be made a part of the record.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill passed finally.

Which were read and referred to the Committee on Public Works.

Mr. Schifano:

Mr. President: Before we adjourn, I would like to say that the family of the late Honorable Premo J. Columbus, requests that the members of Council act as Honorary Pallbearers at his funeral to be held at St. Gabriel's Church in Whitehall, at 10:00 o'clock, A.M., Thursday, October 6, 1955. I would suggest that we arrive there about 9:45 A.M.

Mr. Dinan moved

That Council adjourn.

Which motion prevailed.

Which motion prevailed.

And the bill was read a second time.

Mr. Fagan:

Mr. President: File No. 1957, Bill No. 3415, in connection with the pipe cleaning operation, I would like to know if, after the Company has done the job, it has met the requirements of the Water Department, as to pressure, etc.

Mr. Counahan:

Mr. President: It has met the requirements on a temporary basis. The idea of this is to give more pressure and more water at a higher elevation than has been served before.

There is a long-range plan wherein

it will, in all probability be necessary to have a reservoir on Garfield hill to serve this particular area. This expenditure is helping the situation on a temporary basis. It is not the complete solution to the problem. It will probably be three or four years before we can say that we have solved the problem. However, it is giving them temporary relief.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

Which was read.

Mr. Rodgers moved

That the amendments of the Public Works Committee be agreed to.

Which motion prevailed.

And the bill, as amended in Committee and agreed to by Council, was read.

Mr. Rodgers moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Fagan:

Mr. President: File No. 1967, Bill No. 3259, which has to do with the widening of Negley Run Boulevard, in Section 3 it says: "The costs, damages and expenses occasioned thereby and the benefits to pay the same shall be assessed against and collected from properties benefited thereby in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania". Will there be assessments?

Mr. Rodgers: I don't believe there will be.

Mr. Fagan: It is superfluous then.

Also

Bill No. 3428 An Ordinance entitled, "An Ordinance accepting the dedication of Hestor Drive, an unimproved street, as laid out in 'Ridgemont No. 4 Plan of Lots', in the Twentieth Ward of the City of Pittsburgh, by Bal-lon and Vetter, Builders, Inc., a Cor-poration of Pennsylvania, for a public highway, opening and naming the same".

In Public Works Committee, October 11, 1955, bill read and ordered returned to Council with an affirmative recom-mendation, subject to report from the Department of City Planning.

Which was read.

Also

No. 3501

Pittsburgh, Pa.  
October 14, 1955.

Council Bill #3428 (55), relative to the acceptance of HESTOR DRIVE (20th Ward), which your committee by letter of October 11th referred to the Department of City Planning, has been received and considered.

HESTOR DRIVE, as laid out in the Ridgemont No. 3 plan of lots approved by the Planning Commission on February 11, 1947, was dedicated as a public street by the then-owner of property on both sides of the street. Subsequent thereto, a revised plan of the property along the west and north-west side of the street was submitted as Ridgemont No. 4, and approved by the Planning Commission on August 23, 1955.

In both instances it was the inten-

sion of the Commission that Hestor Drive would ultimately become a public street in the City's street system. It is therefore the opinion of this De-partment that the acceptance of Hestor Drive as an unimproved street, subject to what maintenance of that nature the City can give it, and the properties fronting thereon be subject to assess-ment when and if a final street paving is made on the street, would be in line with the Commission's thinking.

Yours very truly,

C. Ronal Woods,  
Planning Director

Which was read, received and filed.

Mr. Rodgers moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

Mr. Dinan:

Mr. President: I do not know whether my hearing served me right, but when that gentleman appeared before us last Tuesday he said this street would be improved at no cost to the City.

Mr. Rodgers:

Mr. President: He was speaking of the other streets in the plan, which he is improving as part of the development. There is already in there a hard sur-face, but not acceptable City paving. This bill specifically limits the accept-ance of an unimproved street. We will give it unimproved street maintenance. If it is permanently improved it will be an assessment job.

Mr. Dinan: Either by petition or under the Act of 1895?

Mr. Rodgers: Yes.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agree-ably to law, and were:

Ayes:—Messrs.

Counahan	Rodgers
Dinan	Weir
Fagan	Wolk
Jones	Gallagher (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

#### MOTIONS AND RESOLUTIONS

Mr. Dinan moved

That the following members be excused for absence from Council and Committee meetings:

Mr. Counahan on October 25, 1955;  
Mr. Rodgers on October 10, 1955;  
Mr. Weir on October 3, 1955.

Which motion prevailed.

Mr. Dinan moved

That the Committees, beginning with the Committee on Finance, meet on Thursday, November 10, 1955, (instead of Wednesday, November 9, 1955) at 2:00 o'clock, P.M.

Which motion prevailed.

Mr. Jones moved

That the Minutes of Council of Monday, October 17, 1955, be approved.

Which motion prevailed.

Mr. Schifano:

Mr. President: With your permission and the permission of my colleagues in Council, I would like to read the following editorial which appeared in the Pittsburgh Post-Gazette following the death of the late, beloved Howard C. McKinney:

"In the death of Howard C. McKinney, Pittsburgh has lost perhaps its most effective crusader against juvenile delinquency. As founder and director of Hill City Youth Municipality, he accomplished much in developing a better sense of civic responsibility among thousands of children in the Hill District.

"Except during time out (1942-48) for overseas service with the Red Cross and the United Nations Relief and Rehabilitation Administration, Mr. McKinney served Hill City from its founding in 1939 until he was fatally stricken. The job was far from easy. There were discouraging times when the youth center was badly handicapped by lack of funds.

"But the friendly director never lost hope nor his sense of dedication. Until the end he labored valoriously and against heavy odds to bring a better life to children who might otherwise have become charges upon society.

"Howard McKinney was a fine citizen; his untiring efforts should produce good results for many years to come. We hope that worthy successors will be found to carry on Hill City as a permanent memorial to his vision and faith."

Mr Schifano:

Mr. President: At this time I should like to move that when Council adjourns, that it does so out of respect for the memory of Howard C. McKinney, late Director of Hill City Youth Municipality, and illustrious public servant, and that we rise in our respective places for a moment of silent prayer for the repose of the soul of the late, beloved Howard C. McKinney.

Which motion prevailed.

And

Council adjourned.

#### DEPARTMENT OF LAW

November 14, 1955.

#### FINANCE COMMITTEE COUNCIL OF THE CITY OF PITTSBURGH

Gentlemen:

In reply to your letter of November 10, 1955, concerning Bill No. 3579, a proposed ordinance providing for contracts for repairs, maintenance and servicing of City-owned personal property, you are advised that Ordinance No. 396, approved October 18, 1955, considered the same general problem and listed specifically the items to be maintained or repaired. It did not include the items listed in the proposed ordinance (Bill No. 3579) and the latter Bill represents additional maintenance and repairs necessary for the preservation of City property.

It is the opinion of this Department that the proposed ordinance is in proper form and there can be no legal objection to its enactment by Council.

Respectfully yours,

J. F. McKenna, Jr.

City Solicitor

Which was read, received and filed.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

Which was read.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the rule having been suspended, the resolutions were read a second time.

Mr. Fagan:

Mr. President: On Bill Nos. 3596, File No. 2051 and Bill No. 3599, File No. 2054, did we get the information from those departments in connection with the payment of the claims?

Mr. Dinan to the Clerk: Did you get any report of what action was taken?

The Clerk: On the two bills that were laid over—these two bills you affirmed, you asked for a report on future resolutions as to what disciplinary action was taken against the truck driver.

Mr. Dinan: We also wanted a report on these two resolutions.

The Clerk: A separate motion was made on Bill No. 3599.

Mr. Wolk: We did not affirm these two resolutions subject to a report. We affirmed these and we want a report on those that we did not affirm.

The Clerk: One was referred to Mr. Schifano.

Mr. Fagan: We did ask for information on these two bills. We affirmed them subject to receiving some information as to whether there was disciplinary action taken, or what was done.

Mr. Wolk: We asked for information but it does not affect the passage of these resolutions.

And the resolutions were read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Which was read.

Mr. Jones moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Fagan:

Mr. President: On Bill 3586, File No. 2056, the construction that the Baltimore and Ohio Railroad Company is going to do, is that going to interfere with the new bridge? There is going to be a new bridge built in Glenwood.

Mr. Jones:

I am sorry, I cannot tell you. It says at a point near the Glenwood Bridge.

I thought it would be safe to assume that since this bill has the approval of the Works Department that they certainly would not permit it to interfere with the construction of the new bridge. It does have the approval of the department.

The Clerk: You will notice Paragraph 3, the Railroad will protect the City and save it harmless from any damages.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

#### CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

WHEREAS, Article XIV., Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually be general ordinance except in cases of emergency when a special appropriation may be made to meet the same; and

WHEREAS, The Director of the Department of Water in letters addressed to the Mayor of the City of Pittsburgh and the City Controller under date of October 20, 1955, has stated that an emergency has arisen in the Distribution Division, Department of Water, making it necessary to transfer the sum of \$32,500.00 to Code Account No. 1775, Salaries and Wages, Regular and Temporary Employees, Distribution Division, Department of Water, in order to meet payrolls for the remainder of the year for the following reasons:

1. The 1955 appropriation was reduced by one third (1/3) compared to the 1954 appropriation. It was intended that several reservoirs would be mechanized and watchmen would be transferred to other departments. However, factory delay in delivery of equipment necessitated retaining watchmen on this payroll.

2. No appropriation was provided for payment of wages for laborers working on the Pitometer Water Waste Survey.

3. Overtime pay, previously charged to Contingent Fund — Code Account No. 42, was charged to this account.

WHEREAS, Such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances.

NOW, THEREFORE, We David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, City Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh the existence of an emer-

gency requiring the transfer of \$32,500.00 to Code Account No. 1775, Salaries and Wages, Regular and Temporary Employees, Distribution Division, Department of Water.

And the bill was read a second time.

Mr. Fagan:

Mr. President: Bill No. 3625, File No. 2077, does this bill have the approval of the Law Department?

Mr. Schifano: It is not necessary that this bill have the approval of the Law Department.

Mr. Fagan: There is a technical question as to whether you can use the equipment.

Mr. Schifano: You cannot use it for law enforcement or for arresting persons.

Mr. Fagan: I raise the question so I will be protecting myself as a Councilman if something may occur as a result of our using this instrument.

Mr. Schifano: This is not to be used for the purpose of catching speeders in the sense that they will be charged with speeding. It is for the purpose of making a study of traffic conditions

along the highways so we can determine our own speed limit depending on the average speed the motorists use on those highways. In a twenty-five mile-an-hour zone the radar may determine it should be raised to thirty-five miles an hour, or vice versa. It is for the purpose of making studies.

Mr. Fagan: As a result of your explanation, it will not be used as evidence in Traffic Court.

Mr. Dinan:

Mr. President: I had the same thought myself, but after the explanation by the Chairman of the Public Safety Committee I know this machine will be used for no other purpose than what he has stated.

The Chair: We have a report from Mr. Gittens, Traffic Engineer.

Mr. Dinan: I do not think it is necessary to hear Mr. Gittens' report. I am satisfied with Mr. Schifano's explanation.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan	Schifano
Dinan	Weir
Fagan	Wolk
Jones	Gallagher (Pres't)
Rodgers	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Fagan presented

No. 3689 Report of the Committee on Lands, Buildings and Housing for November 15, 1955, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 3617 Resolution authorizing sale to Walter Joseph Beloncis and Mary Beloncis, his wife, lot on Brinwood Avenue, 29th Ward, for the sum of \$750.00.

Which was read.

#### MOTIONS AND RESOLUTIONS

Mr. Dinan:

Mr. President, at the meeting of Council last Monday, I stated that I, with representatives of the Department of Parks and Recreation, was to meet with representatives of the School District of Pittsburgh, on the subject of continuing the recreational program in the schools for the year 1956. With your permission, I would ask that my statement to Council at the last meeting be corrected. I am not saying this a typographical error, as I inadvertently said in my remark that there would be no increase in the cost of this operation in 1956. That is incorrect, because the cost will be slightly higher in 1956 than in 1955 by about \$400.00. That's my reason for asking that the correction be made in my remarks.

When the City initiated this program a year and a half ago, a committee of four, including myself, was appointed to confer with representatives of the School Board concerning these activities. This committee was active during this period. However, in order to clarify the City's position for 1956, a committee of five representing the City, comprising the Director of the Department of Parks and Recreation, Mr. Templeton; Mr. Risedorph; Emmett Ricards, and one other gentleman and myself met with Doctor Dimmick; Mr. Rothrock, Secretary of the School Board; Mr. Roberts; a man who is head of the custodial department and another man who has something to do with buildings. We had a very fine meeting last Wednesday. This committee representing both the City and the School District meets twice a year. They stated at the first meeting there would be a report sent out to all principals and all custodians of the buildings where we had taken over the recreational program. This past year is the first full year we had it and I am happy to report to my colleagues and happy to report to the Mayor that the program is working out well and to the satisfaction of the School Board and the City, and I feel that my colleagues are of the same

opinion. It has been a wonderful thing and I feel sure that we share in the congratulations of our employees for the fine recreational program that has been in operation.

We have one thought in mind, that it will not increase the cost, but in some neighborhoods where the population is diminishing, we will cut down and increase the services in those districts where the population is increasing. But the overall picture is very good, and I want to say now that we are all gratified. Doctor Dimmick is satisfied and he is more than pleased with the cooperation between the official family of the City and the schools of the City of Pittsburgh.

The Chair: If there is no objection, the correction will be made in the Minutes.

Mr. Jones moved

That the Minutes of Council of Monday, November 14, 1955, be approved, as corrected.

Which motion prevailed.

The Chair: The Committee on Hearings will meet on Friday, November 25, 1955, at 2:00 o'clock, P.M. on the tax bills. Anybody interested will be heard at that time. We have but one request from the Committee of 8,000 for the repeal of the Mercantile Tax Ordinance.

And upon motion of Mr. Dinan

Council adjourned

-------	------

When the name of Mr. Fagan was called, he arose and said:

Mr. President:

On Bill No. 3660, File No. 2090, I am going to vote Aye, but my reason for voting on this bill, if we would have had those spreaders this morning we would not have had so much confusion in traffic. We would have been able to spread salt on the street of the City. We should have had the spreaders months ago. I am voting Aye.

Ayes 6. Noes 2.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 3661 An Ordinance entitled, "An Ordinance providing for the letting of a contract for the furnishing and delivery of One (1) Semi-Portable Air Compressor for the Department of Public Works, Bureau of Automotive

## MOTIONS AND RESOLUTIONS

Mr. Dinan presented

No. 3718

WHEREAS, the University of Pittsburgh football team, playing one of the most rugged schedules in the nation, has earned a place as one of the teams in the Sugar Bowl game on New Year's Day; and

WHEREAS, in compiling a record which attracted nationwide attention, the Pitt football representatives have brought great credit to their school, and proved themselves worthy successors to the hard-hitting football teams which once made the name of Pitt synonymous with topnotch collegiate football; and

WHEREAS, in his first season as head football coach at his alma mater, John Michelosen has produced a sturdy, well drilled squad which picked up impetus as the season progressed, reaching a November peak which was reminiscent of the power of the Sutherland coached outfits in the heyday of Pitt football; and

WHEREAS, Pitt's invitation to participate in the Sugar Bowl classic brought a surge of pride to Pittsburgh sports lovers, who only infrequently in recent years have had opportunity to rave about their city's representatives in collegiate and professional sports; Therefore Be It

RESOLVED that the Mayor and the Council of the City of Pittsburgh officially extend to the University of Pittsburgh football team and its coaches their congratulations for a tough job well done, and express the hope that another of the sterling performances, which won Pitt the Sugar Bowl nomination, will return them the winners over Georgia Tech in the holiday game.

#### REPORTS OF COMMITTEES

Mr. Wolk presented

No. 3719 Report of the Committee on Finance for November 29, 1955, transmitting sundry ordinances to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 3668 An Ordinance entitled, "An Ordinance re-enacting Ordinance No. 404, entitled, 'An Ordinance to provide revenue for the City of

Pittsburgh by imposing a mercantile license tax on persons engaging in certain occupations and businesses therein; providing for its levy and collection and for the issuance of mercantile licenses; conferring and imposing powers and duties on the Treasurer of the City of Pittsburgh, and imposing penalties", approved December 1, 1953, as amended by Ordinance No. 383, approved November 12, 1954, for the year 1956; fixing the rate of the mercantile license tax at one (1) mill on the gross volume of business done by wholesalers and two (2) mills on the gross volume of business done by retailers".

Which was read

Also

Bill No. 3669 An Ordinance entitled, "An Ordinance re-enacting Ordinance No. 489, entitled, 'An Ordinance to provide for the issuance of mercantile licenses to persons engaging in certain occupations and businesses upon the payment of fees therefor; conferring and imposing powers and duties upon the Treasurer of the City of Pittsburgh," approved December 1, 1947, for the year 1956, fixing a license fee of two dollars (\$2.00) for a wholesale or retail place.

of business and a license fee of four dollars (\$4.00) for a wholesale and retail place of business".

Which was read.

Also

Bill No 3671 An Ordinance entitled, "An Ordinance re-enacting Ordinance No. 406, entitled, 'An Ordinance to provide revenue for the City of Pittsburgh by imposing a tax on certain classes of personal property; providing for the assessment and collection of the same; conferring and imposing powers and duties on the City Treasurer and imposing penalties', approved December 1, 1953, for the year 1956, and fixing a tax of two (2) mills on the value of all intangible personal property, including mortgages, judgments, accounts bearing interest, stocks, bonds, etc., with certain exception and on the value of the equitable interest in such personal property owned by residents of the City".

Which was read.

Mr. Wolk moved

That Rule 8 be suspended, providing for the mailing of printed copies of all ordinances and resolutions to each member of Council, after the return of such papers from Committee, at least forty-eight hours previous to their final consideration by Council.

Which motion prevailed.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the bills.

Which motion prevailed.

And the bills were read a second time.

Mr. Fagan:

Mr. President: I would like to ask the Chairman of the Finance Committee why we are passing these bills before we have the budget.

Mr. Wolk: Because there won't be any question that the City will need this money. In fact the budget will be introduced on Thursday, and this money from these taxes will absolutely be required. Under the law these bills have

to become law thirty days prior to the first of the year when they are effective.

Mr. Fagan: If there is going to be any increase in the tax rate in the City of Pittsburgh, it must be on real estate.

Mr Wolk: Either that or new taxes.

Mr. Fagan: You have the tax bills that are now here, before the budget, and if the budget is increased and it will be increased because there are mandatory wages to be met if we continue to carry on the prevailing wages and because of that there is going to be an increase in expenditures.

Mr. Wolk: Yes. Any other revenue will have to come from taxes on real estate or any new taxes that may be suggested, but we will absolutely require these taxes, without question.

Mr. Fagan: I appreciate that very much, and probably will need more taxes in order to meet the obligations of the City of Pittsburgh. I want to vote intelligently on these bills and know what I am doing before I vote. Thanks for the information.

And the bills, as read a second time, were agreed to.

And the bills were read a third time and agreed to.

And the titles of the bills were read and agreed to.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan	Schifano
Dinan	Weir
Fagan	Wolk
Jones	Gallagher (Pres't)
Rodgers	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Also

Bill No. 3670 An Ordinance entitled, "An Ordinance re-enacting Ordinance No. 413, entitled, 'An Ordinance imposing a tax for general revenue purposes of one-half of one per centum

( $\frac{1}{2}$  of 1%) on salaries, wages, commissions and other compensation earned during the period beginning January 1, 1955, and ending December 31, 1955, by residents of the City of Pittsburgh, and on salaries, wages, commissions and other compensation earned during said period by non-residents of the City of Pittsburgh for work done, or services performed or rendered in the City of Pittsburgh, and on the net profits earned during said period from businesses, professions or other activities conducted by residents of the City of Pittsburgh, and on the net profits earned during said period from businesses, professions or other activities conducted in the City of Pittsburgh by non-residents; requiring the filing of declarations and returns, and the giving of information by employers and by those subject to the tax, imposing on employers the duty of collecting the tax at source, providing for the administration and enforcement of the ordinance, and imposing penalties for violation thereof, approved November 24, 1954, as amended by Ordinance No. 445, approved December 16, 1954, for the year 1956, and fixing the rate of the tax at one-half of one per centum ( $\frac{1}{2}$  of 1%) on salaries, wages, commissions and other compensation, and on net profits"

Which was read.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Dinan	Schifano
Fagan	Weir
Jones	Wolk
Rodgers	Gallagher (Pres't)

Noes: Mr. Counahan.

Ayes 8. Noes 1.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 3672 An Ordinance entitled, "An Ordinance re-enacting Ordinance No. 405, entitled, 'An Ordinance to provide revenue for the City of Pittsburgh for the year 1954 by imposing a tax upon the privilege of attending or engaging in amusements, including every form of entertainment, diversion, sport, recreation and pastime, requiring all persons, partnerships, associations and corporations conducting places of amusement to secure permits; imposing duties and conferring powers upon the Treasurer of the City of Pittsburgh; prescribing the method and manner of collecting the tax imposed by this ordinance, and imposing penalties for violation thereof' approved December 1, 1953, as amended by Ordinance No. -----, approved -----, 1955, for the year 1956, and fixing a tax on the privilege of attending, or engaging in amusements, including every form of entertainment, diversion, sports, recreation, pastime, etc., at the rate of ten (10%) per centum of the established price therein to be paid by the person attending the same and to be collected by the producer and paid to the City Treasurer".

In Finance Committee, November 29, 1955, bill read and amended in Section 1 and in the title by inserting in the blank spaces in two places the number "463" and the date "November 29", and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. Wolk moved

That the amendments of the Finance Committee be agreed to.

Which motion prevailed.

And the bill, as amended in Committee and agreed to by Council, was read.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

The Chair:

Gentlemen of Council: The Mayor is ready to submit his budget to Council. I appoint Messrs. Dinan and Fagan to escort the Mayor to the Council Chamber.

(After the return of the Committee and the Mayor):

The Chair:

Members of Council and Gentlemen: His Honor, David L. Lawrence, the Mayor of Pittsburgh.

Mayor Lawrence:

President and Members:

I have the honor to herewith submit the general budget for the operation of Pittsburgh's city government during the

1956 calendar year. This budget consists of estimated revenues to be received and the expenditures required to support all phases of the municipal operation, other than the Water Department, in the year that is ahead.

The hard difficulties of municipal finance, which are reflected in this budget, are neither new nor are they unique to Pittsburgh.

All municipalities, including Pittsburgh, are faced with the problems of meeting constantly-increasing pressures for more intensive and expanded municipal services, while finding themselves, at the same time, tightly confined financially both by legal restrictions and by the community's ability to pay and its willingness to pay.

In recent years, we have attempted to pay for the broadening of services and to overcome the costs of inflation by spreading the municipal tax base through the levying of the earned income, mercantile, personal property and amusement taxes.

The income from these sources, which are assessed under authority of Act 481 of the 1947 session of the Pennsylvania Legislature, will amount to \$10,030,000 in 1956. This figure, which is developed by applying the same rates of taxation that were in effect in 1955, exceeds the yield which would be realized if the

rate of taxation on real estate were increased 14 mills on land and seven mills on buildings.

Beyond the revenues which these sources provide, Pittsburgh has made a vigorous and determined effort to rebuild this community, to develop a city whose confidence and whose facilities will be the sources, of both economic strength and of human betterment.

This work, in which the city government has taken a leading and indispensable part, has had a beginning more successful than any of its advocates would have dared expect when it got underway after World War II. Even more important, it has become a program of self-generating goals, a work whose end lies only in the limit of our capacity to think and plan and dream ahead toward greater achievement and toward fuller realization of mankind's enlarging vision.

Among the various favorable impacts of this program of municipal rebirth and of community growth has been the increasing real estate assessment within Pittsburgh and even beyond the City line.

In 1946, the assessed value of real estate in Pittsburgh, totaling land and buildings together, was \$962,476,157.

In 1956, the Allegheny County Board of Property Assessments, Appeals and Reviews has certified that the assessed value of land and buildings in the city will amount to \$1,115,996,148, a growth in the combined valuations during the past ten years of \$153,519,991.

It is pertinent to emphasize that this increase has been accomplished despite the fact that the Board follows the questionable policy of assessing property on the basis of 1941 replacement value. Therefore, the natural growth in values which has accrued during the rising economy of the past fourteen years is not reflected in the assessments which the Board has established.

Even more unjustifiable, however, is the fact that land assessments, be determined by the Board, are certified in 1956 at \$404,980,277, the lowest since the City instituted the graded tax program over forty years ago. This decline in land assessment, on which the tax

rate is twice that on buildings, not only threatens the City's income but it also strangely contradicts all the facts of our record of community rebirth and of our effort to recapture values.

Since the County Board took over the responsibility for the City in 1943, land values have dropped \$66,379,495. Valuations on land, certified by the Board for 1956, are more than 14 per cent below the assessments of 1943, and they are \$16,434,801 less than they were in 1946. Although exemptions have increased in the same period, they do not come close to equaling the overall decline, nor should exemptions, as such, be charged off entirely as losses. Actually, land used for such purposes as parking garages and parks, while exempt itself, should have the effect of raising values around it.

None of this, apparently, is reflected in the calculations or in the policies of the County assessing body.

The result is that land values continue to drop, according to the assessors, and the City's yield from the graded tax, whose impact on land is twice that on buildings, is reduced. In 1956, for example, although total assessments are above those for 1955, the City will collect \$238,000 less in current real estate taxes than it did in the previous year, if the same rates were applied in both instances.

The threat of such a continuing decline, which, to my mind, cannot be substantiated, demands that the Mayor and Council move speedily to meet with the Board of County Commissioners and the Board of Assessors to review the policies and the procedures which develop such unrealistic and inaccurate reflections of land value in Pittsburgh.

I intend to call for such conferences early in January and I am hopeful that a sub-committee of City Council will join me in presenting the City's viewpoint to the two boards.

To get to the hard figures of the 1956 budget, the expenditure requests, excluding the Department of Water which will be dealt with in a separate budget, total \$42,722,947, only \$18,599 more than appropriations made in 1955 for similar purposes. The 1956 expenditures will be \$467,302 below the basic requests

made by the various departments, this amount having been cut by the Mayor's office after departmental estimates were received.

If we were not required to spend \$150,707 in additional money for mandatory increases for police, fire, nursing, sanitation and library personnel, the 1956 expenditure requests would be more than \$130,000 below the appropriations for the past year.

Despite these reductions, provision has been made to continue the development of the health department, already the best in the State, into the best in the nation. Money has also been requested to provide for year-round maintenance of Mellon Square Park and to permit the start of a senior citizens recreation program in the Department of Parks and Recreation.

Offsetting this new program, which is necessarily more limited than any would like, we have reduced various appropriations by eliminating jobs and by curtailing some activities, such as bridge maintenance where the State Highways Department will now assume part of the responsibility which previously rested with the City.

This is a severe budget, trimmed and pared more closely than many budget-makers would advocate.

It is designed, however, to preserve our basic services, while keeping the costs of these services at the barest minimum.

It makes no provision for any wage increase for the municipal employees, not because such adjustments would not be desirable or justifiable, but because there is simply no means to pay for them.

Even so, the requested expenditures are \$3,021,483 more than the 1956 estimated receipts of \$39,701,464.

The reasons for the difference, despite holding the budget line to approximately the 1955 level, are three-fold:

1. In 1955, we estimated revenues at \$41,146,218, but actual receipts will fall short of this amount by \$866,000. This decline is caused principally by failure of the Legislature to appropriate money from which the City would have received

\$500,000, as reimbursement for its public health program, and also by the fact that payments from the Pittsburgh Railways Company for franchise charges were \$270,000 below the budgeted figure. In addition, revenues from real estate and mercantile taxes will not meet the 1955 estimates.

2. The 1955 budget was balanced by employing an estimated cash surplus, left from 1954 operations, of \$1,400,000. A final accounting set this figure at \$1,269,619, or \$130,381 short of anticipation. This entire amount was needed to pay for 1955 operations. Indeed, if all the money appropriated for 1955 had been expended, we would have a deficit for the year of \$1,148,076. Because of prudent fiscal control, it is expected that there will be sufficient cancellations in various accounts to make up for this deficiency. There will not be enough, however, to provide any cash surplus from 1955 operations which can be applied to balance the 1956 budget.

3. The 1956 estimates, as compiled by the City Treasurer, are expected to be \$578,629 less than money actually received in 1955. This reduction is attributable to a fall-off, previously referred to, in real estate; a drop in receipts from the earned income tax, now at one-half of one per cent; and the non-recurrence of income from the Pittsburgh Railways Company.

If it is not expected that the mercantile and personal property taxes will be more productive this year than last, the reduction of 1956 income would be even greater. It should be emphasized that we have again budgeted in anticipation that the State will reimburse Pittsburgh for the public health program in the amount of seventy-five cents per capita. This is done in the firm belief that the Legislature cannot and will not continue to ignore its obligation to this and other communities to which it committed itself in 1951.

Thus, it is apparent that \$3,021,483 in new revenues will be necessary to carry on the City's activities in 1956.

Because it has completed a temporary financing arrangement, the Allegheny County Sanitary Authority will be able to repay the City the \$2,500,000 which

was advanced for its planning and programming. In addition, the Authority, under its loan agreement with the City, is obligated to pay interest charges and the various costs incident to the sale of bonds from which most of the money was advanced.

This means there will be available to the City, for 1956 operating uses, \$1,156,000. The remainder of the money owed must be held to pay for the bonds still outstanding.

Although it is a non-recurring income item, I recommend that this available repayment from the Sanitary Authority be utilized to help balance the 1956 budget.

There still remains, however, a substantial gap of \$1,865,483 between 1956 expenditures and 1956 revenues.

To compensate for this amount would require an increase in real estate taxes of about three mills on land and one and a half mills on buildings, if the burdens were put entirely on this base.

I believe it would be more equitable if the City were to adopt a deed transfer tax, levied at the rate of one per cent, which is in use in many other communities in this area and throughout the State.

Such a tax would yield approximately \$700,000.

An increase of two mills on land and one mill on buildings, calculated on the basis of a 94.1 per cent collection, will produce \$1,428,000.

Taken together these two sources would develop the revenue necessary to bring the budget into balance.

There is not, to my knowledge, any other combination of taxes, presently available to us, which would produce a comparable income.

I am reluctant to request a change in real estate taxation, because this Administration has consistently sought to keep this burden at the lowest possible rate. It is pertinent to note, however, that the millage has been increased only once since 1946. In 1953, in fact, it was reduced one mill on land and a half mill on buildings to bring it to its present level. An addition of two mills on land

and one on buildings for 1956 would set the rate at only a mill higher than it was in 1952.

Even if these upward adjustments are made, the problem of Pittsburgh's municipal finance will hardly be solved. The Sanitary Authority repayments cannot be counted upon again in 1957. With the addition of the deed transfer tax, we will have, for all practical purposes, reached the limit of levies which can be legally imposed under the restrictions of Act 481.

There remains only the alternatives of receiving more funds from the State, of effecting the transfer of responsibilities to other levels of government, of continuing the effort to expand our real estate values, and of pressing to seek out every means of reducing the cost of government services and of abandoning those functions which are the most expendable.

Through the Mayor's Management Advisory Committee, we are reviewing and evaluating all of the present municipal operations with this goal in mind.

There is a point, however, beyond which no one can ask the municipal employee to go. Neither this budget nor last year's provided any increase in salary or wages for the city employees, despite the fact that practically all other workers in the community have had upward wage adjustments. By paying less and asking more, the City suffers the possibility of getting less and less service in areas which are becoming increasingly important and necessary.

Last year, I recommended continued recognition of the long established principle of paying the prevailing union wage. However, I suggested that working days be reduced in order to offset the cost of any increases.

Not only did this formula complicate and hinder some City operations, but union rates pile on top of each other, it also becomes less applicable as the one year after the next. Therefore, I suggest that the Council review and re-examine the policy established last year, to determine what changes are necessary and desirable in order to meet the prevailing wage principle while keeping the cost of such policy at a minimal.

While this budget is a severely austere one, it is, needless to say subject to searching analysis and study by City Council. If we have overlooked or missed some areas of reduction, I know that the Council will seek them out and take appropriate action. On the other hand, if the Council should wish to make additions, I can only caution that such action will make necessary tax increases beyond those which I have been forced to suggest.

As difficult as the financial problems appear, I have not lost confidence in our capacity to find solutions in this area of our community life in the same spirit and with the same determination we have employed here in our efforts toward civic betterment and human advancement.

I know that the public spirited citizens, who have worked so successfully on various committees and authorities to accomplish our municipal rebirth, will join with me and the members of Council as we strive to build Pittsburgh into a city as solvent financially as it is progressive civically.

By continuing to work together, with vigor, courage, and imagination, we can build on top of our achievements of the past years a community whose growth and whose success will be a source of pride for all Pittsburghers and a thing of admiration for men and women across America and throughout the world.

The Chair: Thank you Mayor Lawrence. I am sure the members of Council will give your budget serious study and try to solve some of the problems before us.

#### PRESENTATIONS

Mr. Wolk presented

No. 3720 Departmental Estimates for the fiscal year beginning January 1, 1956.

Which was read and referred to the Committee on Finance.

Mr. Schifano presented

No. 3721 Communication from the Department of Public Safety advising of institution of 60-day trial of certain traffic regulations effective December 5, 1955.

Which was read, received and filed.

Mr. Wolk

Mr. President: As Chairman of the Budget Committee, unless the members of Council have other suggestions, I would like to call a public hearing on the budget for next Wednesday, at 2:00 o'clock, P.M. I think the budget for the Department of Water will be submitted to Council next Monday.

This will be a public hearing for those who are interested and concerned about the budget in general. After this public hearing is held, I want to set hearings for any group of employees, as we have done in the past, to begin at 10:00 o'clock, Friday morning, December 9, 1955. Mr. Boxheimer will receive all requests, and we will continue those hearings all day Friday and all day Saturday, if necessary.

Unless there are other suggestions that will be my action with the public hearings on the budget and for hearing those groups of employees who want to be heard.

The Chair: The City Clerk will take note and notify the interested parties of the hearings.

Mr. Schifano moved

That Council adjourn.

Which motion prevailed.

And

Council adjourned.

#### MOTIONS AND RESOLUTIONS

Mr. Jones:

Mr. President: I want to make a brief report of the Bi-Centennial Committee. I will not take time to read the entire report of the initial meeting of the committee held on the 22nd of November. If you will recall, it was at the time I was absent from the Committee meetings of Council.

At that time we were able to perfect our organization. Officers were elected. The Mayor was elected Honorary Chairman of the Committee. Edward R. Weidlein, Jr., was elected Vice Chairman. J. Stanley Purnell was elected Executive Secretary, and Lawrence C. Woods, Jr., is Chairman.

They plan to set up a corporation, somewhat involved, so as to receive donations from the various business institutions in the City of Pittsburgh who will be interested in this Bi-Centennial celebration.

The preliminary plans call for it to begin in November of 1957 and run until November, 1958—a whole year.

From time to time, as it progresses, as representative of the Committee, I propose to keep you informed as to our progress.

Those who are interested in the other phases of the report, which has to do with the phraseology of the resolution that we adopted, whereby we would go into Common Pleas Court and get a charter, I want to make this report available to those who might be interested in looking over the Minutes in detail.

The Chair: Don't you think it should be incorporated in the Minutes of Council?

Mr. Jones: In line with that suggestion, I present a copy of the Minutes of this Committee.

Mr. Jones presented

No. 3754

#### Minutes of the First Meeting of the BICENTENNIAL COMMITTEE November 2, 1955

The first meeting of the Bicentennial Committee of Pittsburgh was held at 2:15 p.m., November 22, 1955, in the Wherrett Conference Room in the Civic Building, 200 Ross Street. The following members of the Executive Committee were present:

L. C. Woods, Jr., Chairman  
Stanton Belfour  
A. W. Conover  
John A. Feigel  
Leland Hazard  
James F. Hillman  
Hon. Paul F. Jones  
Park H. Martin  
J. Stanley Purnell, Secretary  
John P. Robin  
W. P. Snyder, Jr.  
A. B. Van Buskirk  
E. R. Weidlein, Jr.  
Mayor David L. Lawrence

Members of the Executive Committee not present were:

Hon. Anne X. Alpern  
Leon Falk, Jr.  
A. J. Federoff  
Fred C. Foy  
Mrs. C. S. Heinz  
Hon. John J. Kane  
C. A. McClintock  
D. J. McDonald  
Richard K. Mellon

In addition, Mr. Howard B. Stewart

was in attendance representing Commissioner Kane, and Mr. John Grove of the Allegheny Conference was present by a special invitation, along with Mr. Walter Gelsey, Secretary to Mayor Lawrence.

#### SUMMARY OF MINUTES

1. Mr. Woods explained briefly the basis on which he had accepted the Chairmanship and his understanding of the over-all philosophy behind the undertaking.

2. Mayor David L. Lawrence, who had appointed members of the Executive Committee, explained his concept of the Bicentennial Celebration.

3. By appropriate motion, Mayor Lawrence was elected honorary Chairman of the Executive Committee.

4. Edward R. Weidlein, Jr. was elected Vice Chairman.

5. J. Stanley Purnell, Secretary of the Executive Committee, was also elected Treasurer.

6. The Secretary explained briefly the organizational factors to be considered in the establishment of an appropriate organization to handle the Bicentennial Celebration as well as the various forms of organization which could be considered for adoption. Mr. Purnell pointed out that legal counsel had been consulted and had recommended that a specially formed non-profit corporation would best meet the various organizational factors considered. Upon proper motion, the Executive Committee passed a resolution to this effect, subject to further advice by legal counsel. During the course of the discussion, it was particularly pointed out that provision should be made for the terminal disposition of funds.

Mr. Purnell further proposed a suggested phraseology of the purpose of the Bicentennial Celebration which, after discussion, is as follows:

The purpose for which the corporation is formed is to memorialize the 200th Anniversary of the founding of the City of Pittsburgh, commencing in the Year 1758. Special effort will be made to promote community and national pride, to foster culture, education, science, and religion, and to engender good will and patriotism.

The above phraseology is to be reviewed in further detail by legal counsel and the Secretary was instructed to proceed with taking the necessary steps to establish the non-profit corporation. The incorporators will be the entire Executive Committee.

7. A Personnel Committee was appointed primarily for the purpose of selecting an Executive Director of the Bicentennial Celebration. Mr. Leon Falk was elected Chairman of this Committee on which Messrs. John Grove and Stanton Belfour will also serve.

8. By proper motion, the Chairman was given authority to appoint a Finance and Budget Committee.

9. The Chairman informed the Committee that the Equitable Life Assurance Society had offered office space free of charge in Gateway Center for the use of the Bicentennial organization. While the offer is only for one year, Mr. Woods felt that there is a strong likelihood that this period would be extended for a longer period of time on the same basis. It was the consensus of the Executive Committee that Gateway Center will be a highly satisfactory location for the office facilities and that the generous offer of Equitable should be accepted. Mr. Belfour also pointed out that the Western Pennsylvania Historical Society had offered space for the Bicentennial organization should it be decided to locate its activities in the Oakland area.

10. It was unanimously determined by the Executive Committee that the celebration should start on November 27, 1958, and tentatively would be scheduled to continue for the succeeding one year period. Mr. Belfour emphasized the importance of November 27 as the actual founding date of the City of Pittsburgh, citing General Forbes' memorable letter to William Pitt, Earl of Chatham, in which, under the date of November 27, 1758, Forbes "took the liberty" of naming this site in honor of the Prime Minister of Great Britain.

11. The matter of a commemorative postage stamp honoring the 200th Anniversary of Pittsburgh was discussed and it was agreed that steps should be initiated to determine whether such a stamp could be issued by the Post Office Department.

12. The Executive Committee indicated that the best time for subsequent meetings would be early Friday afternoon, beginning at 1:15 and ending at 2:45.

13. The Chairman referred to the suggestion of a leading member of the Executive Committee to consider commemorating Pittsburgh's Bicentennial through the media of special celebrations, conventions, or meetings of organizations now in existence. For example, a great art exhibit might be planned for the Bicentennial year to be sponsored by the Carnegie Institute, and it might be feasible to have the Bicentennial Celebration include programs by the Pittsburgh Symphony, the Civic Light Opera, the Playhouse, and other organizations devoted to culture and recreation. Such organizations might consider raising special funds for such an occasion.

Further, the Chairman pointed out that it had been suggested that the Bicentennial year might well be marked by meetings of outstanding importance which would attract national in international attendance—for example, a scientific conference, a conference on education, labor, and industry, and exhibits religious as well as historical.

Members of the Executive Committee were asked to think of various types of organizational meetings and activities which would help to draw the attention of the people of the community and our country to Pittsburgh's contribution to the many phases of modern living. Members were asked to send their suggestions to the Secretary or the Chairman until such time as an Executive Director may be appointed.

It was further emphasized that there seemed to be no reason why organizations might not start having meetings or commemorative activities prior to November 27, 1958.

There being no further business, the meeting was adjourned at 3:30 P. M.

Which was read, received and filed.

Mr. Wolk presented

No. 3755

RESOLVED, That the City Clerk of the City of Pittsburgh is hereby authorized and directed, pursuant to the requirements of Section 2 of the Act of June

25, 1947, P. L. 1145, as amended, to publish the following notice by advertisement once a week for three (3) weeks in a newspaper of general circulation within the City of Pittsburgh and in the Pittsburgh Legal Journal:

**NOTICE OF INTENT OF CITY OF PITTSBURGH TO ENACT AN ORDINANCE IMPOSING A TAX UPON THE PRIVILEGE OF TRANSFERRING REAL PROPERTY WITHIN THE CITY.**

In accordance with Section 2 of the Act of June 25, 1947, P. L. 1145, as amended, the City of Pittsburgh hereby gives notice of its intention to enact an ordinance imposing a tax, for general revenue purposes, on the privilege of transferring real property situate within the City, during the period beginning February 1, 1956 and ending December 31, 1956. The tax will be imposed upon every person who makes, executes, issues and delivers any document transferring real property situate within the City of Pittsburgh, or any interest therein, at the rate of one (1) per cent of the value of such property.

The proposed tax is necessary in the judgment of the governing officials of the City of Pittsburgh to meet part of the cost of operation of the City government, including salaries and wages of officers and employees, supplies, utilities and other expenses.

It is estimated that the aforesaid tax will yield \$650,000 during the year 1956.

The ordinance imposing the above tax has been introduced in City Council, and copies are on file in the Office of the City Clerk where they may be examined by any interested person.

Which was read.

Also

No. 3784

CITY OF PITTSBURGH  
CERTIFICATE OF EMERGENCY

WHEREAS, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when a special appropriation may be made to meet the same; and

WHEREAS, The Director of the Department of Water in letters addressed to the Mayor of the City of Pittsburgh and the City Controller under date of November 30, 1955, has stated that an emergency has arisen in the Mechanical Division, Department of Water, requiring the transfer of \$4000.00 to Code Account No. 1756—Salaries and Wages, Regular Employees, and \$1000.00 to Code Account No. 1761—Wages, Regular Employees, Mechanical Division, Department of Water, for the reason that deficits exist in the aforementioned accounts because of overtime which was previously charged to a special fund but was required to be paid from regular appropriations in the aforesaid accounts; and

WHEREAS, It is necessary to make the transfers in order to provide funds for payment of salaries and wages for the remainder of the year; and

WHEREAS, Such appears to be a good and sufficient reason to impel the certification of an emergency under the circumstances.

NOW, THEREFORE, We, DAVID L. LAWRENCE, Mayor of the City of Pittsburgh, and EDWARD R. FREY, City Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh the existence of an emergency requiring the transfer of \$4000.00 to Code Account No. 1756 Salaries, Wages, Regular Employees, and \$1000.00 to Code Account No. 1761 Wages, Regular Employees, Mechanical Division, both within the Department of Water. (Transfer from Code Account 1757, Wages, Temporary Employees, Mechanical Division, Department of Water.)

DAVID L. LAWRENCE  
Mayor

#### MOTIONS AND RESOLUTIONS

Mr. Jones presented

No. 3788

#### OFFICE OF THE MAYOR

December 12, 1955

Pittsburgh, Pa.

President and Members  
City Council  
City of Pittsburgh

Gentlemen:

I am transmitting, herewith, the draft of an ordinance which will waive the City against the Pittsburgh Railways Company, conditioned upon the the various annual charges made by Railways Company dropping from its proposed fare structure the charge for transfer privileges.

This action is recommended not because the City can afford to surrender any revenue source, but rather because it has long been the determination of the Mayor and Council to keep the fares of mass transit riders at the lowest possible rate. A charge for transfers not only would be harmful to the street car rider, but it would also tend to drive more customers away from mass transit.

I am convinced that this community realizes the necessity of mass transit to its continued prosperity and growth. Although this Administration and the Pittsburgh Railways Company have not always been in accord in the means of preserving the mass transit industry in a healthy state, there is, I am confident, a desire on both sides to use every practicable means to encourage more

people to use the existing mass transportation facilities.

Therefore, I recommend that the Council act favorably on this proposed resolution, which will waive franchise charges to the Pittsburgh Railways Company, effective October 1, 1955. Although the City, at this time especially, is hesitant to give up any revenue, the loss in this instance should be more than regained by the contribution this action will make toward an improved mass transit system in the Pittsburgh area.

Very truly yours,

DAVID L. LAWRENCE

Mayor

Which was read, received and filed.

No. 3789

WHEREAS, the Pittsburgh Railways Company has filed a new tariff effective December 18, 1955, which among other changes calls for a charge of one (1) cent for a transfer; and

WHEREAS, the Pittsburgh Railways Company has in the past paid a certain consideration to the City of Pittsburgh for services rendered by the City, such as pole and wire inspection, street cleaning, and City bridge rentals; and

WHEREAS, the said Company has proposed to the City that it will waive the one (1) cent transfer charge and postpone the effective date of said new tariff to January 1, 1956, in consideration of the City's waiver of any charges for services herein described, and rentals; and,

WHEREAS, this Council is of opinion that it will be in the public interest to waive said charges in consideration of the Pittsburgh Railways Company eliminating from its new tariff the one (1) cent transfer charge; NOW, THEREFORE, BE IT

RESOLVED, The City of Pittsburgh does hereby suspend and waive its annual charge against Pittsburgh Railways Company for pole and wire inspection, street cleaning, bridge rentals and similar franchise contract and ordinance charges for the period including the last quarter of 1955, and

annually thereafter until the said suspension and waiver are revoked by notice to the Company by the City sixty (60) or more days prior to the year in which said charges shall again become payable. Upon revocation aforesaid, payments by the Company to the City shall be \$50,000 per annum, payable quarterly. It is the intention of the City that revocation shall not be exercised of (a) the one (1) cent transfer charge is deleted from presently filed tariffs and (b) the Company files no new tariffs increasing rates or fares or imposing new or additional charges; AND BE IT FURTHER

RESOLVED, That the provisions of this resolution shall only become operative upon the filing within sixty (60) days after passage of this resolution with the Controller of the City of Pittsburgh of a statement by the Pittsburgh Railways Company that it accepts the terms of this resolution; and after approval by the Pennsylvania Public Utility Commission of said resolution and its acceptance by the Pittsburgh Railways Company.

Mr. Jones moved

The adoption of the resolution.

Mr. Jones:

Mr. President: Perhaps a word of explanation should be given about this resolution, and a brief explanation as to why it is necessary that Council pass it.

Briefly it means that we are giving up \$12,500.00 that we will be entitled to for charges for the balance of this year, because, under the terms of this resolution, it is retroactive to October 1st. The fifty thousand dollars in the future will not be forthcoming. It constitutes a contribution on the part of the City of Pittsburgh towards the Pittsburgh Railways Company because, we, as a body, think it is vital to the future progress of our City. It is just as natural, in my mind, as any service we render, — water service, collection of rubbish and garbage and police and fire protection. We would be crippled without it. We had an example of the prolonged strike some months ago. Business downtown lost millions of dollars because of the suspension of these facilities. We just had before us those

business people who were calling upon Council for relief from the Mercantile tax. This is an example where the City of Pittsburgh, through its Council, acting in the public interest, is making a contribution to these businesses who are affected if we were to lose these customers or potential customers, who might want to come into the downtown area, simply by the imposition of this transfer charge. We are giving that up, and I think, in doing so, we are making an investment, not only to every business in the downtown triangle, but I think we have reason to expect that since we are dropping these charges it might result in improved conditions on the part of the Railways Company. They might be able to give better service and thus encourage people to use mass transportation. Everybody knows we have a parking situation in the town area. We should encourage people to use mass transportation. Our experience has been that every time the Pittsburgh Railways Company has gone before the Public Utilities Commission for the purpose of a fare increase, they have lost thousands of car riders. And that is one of the things they are complaining about — that these suburban communities, with their shopping centers and simply because we have not been able to give the proper mass transportation service. We are seeking to correct that.

We are not only giving this relief, but we have done more than that. We have compromised the bill of past charges that we expected to receive that would help us balance our budget for 1955. This not only constitutes a contribution coming from the City of Pittsburgh but it is a contribution of the business houses who pay into the City of Pittsburgh a mercantile tax, and I believe they are going to get real returns for it. To increase trolley rates would be to lose more business.

Carrying out the terms of the resolution and in accordance with it, and because this is a vital public utility, and because it is affecting the public interest, I think we should vote in favor of it.

Mr. Dinan:

So it is made clear, my interpretation of it, the part of the streets the Pittsburgh Railways Company now has, it

is their duty or responsibility if we have a snowfall, to keep the track of the railways Company clear.

Mr. Jones: I understand they are still responsible for that.

Mr. Dinan: I hope, with the passage of this resolution, it results in a better feeling between the Railways Company and the City. They are responsible for the space between the car tracks and eighteen inches outside. Up to this time we have had a problem. We have been criticised because the street was good outside of the eighteen inches, and there were holes inside, between the tracks and eighteen inches outside, and I think this contribution on our part will bring better service between the City and the Railways Company to the satisfaction of the citizens of the City of Pittsburgh, to the extent that the Railways Company will make a better effort to keep the streets repaired.

Mr. Jones: I think this ought to be mentioned — we spent thousands of dollars in Public Utility rate cases. Certainly, with this understanding, it will not be necessary to call on our Law Department to expend huge sums for expert testimony in future rate increases by the Railways Company. So, that will save us some money.

The Chair: Mr. Gerlack has asked me to recognize him.

Mr. Dinan:

Mr. President: This Council never refuses any citizen a chance to be heard.

Mr. John Gerlach:

Mr. President and Members of Council:

Thank you very much for the courtesy to express my views on the resolution which has just been presented to your body for consideration and action.

I am unalterably opposed to the City making this concession to the Pittsburgh Railways Company, because I believe the Company is financially able to meet its obligations to the City of Pittsburgh. Further, no action should be taken on the legislation now before you until you have had an opportunity to thoroughly look into the financial

structure of the Railways Company.

Mr. Jones:

And the question recurring on the adoption of the resolution, the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Counahan	Rodgers
Dinan	Schifano
Fagan	Wolk
Jones	Gallagher (Pres't)

Mr. President: I would like to make the announcement that at six o'clock this evening, at Mellon Square Park,

the Mayor is going to light the Christmas tree and turn on the lights at the Nativity scene.

As you know, formerly we had the Christmas tree in the corridor of the City-County Building. This year we have moved it to the Civic Center in the downtown part of the City of Pittsburgh.

I think it would be only fitting and proper that all of the members of Council, who can possibly attend, be there. There will be no speeches — simply the lighting of the tree and the Nativity scene.

It is the intention of the Department of Parks and Recreation to keep the tree and the Nativity scene lighted from eight o'clock in the morning until twelve o'clock, midnight. It is our hope that the weather will be mild enough that at some time during the Christmas Season we can turn on the fountain and do it all in full fashion. I want to remind the people that only weather permitting can this be done. It takes a certain amount of time for these fountains to fill and a certain amount of time to drain, and if it is freezing weather we do not want to ruin what we have already accomplished.

I would like to have all of my colleagues attend the lighting ceremonies at six o'clock this evening.

Mr. Dinan moved

That Council recess until 2:00 o'clock, Tuesday, December 13, 1955, and that we stand in silent prayer out of respect to the memory of John Peter "Honus" Wagner.

Which motion prevailed.

Also

Bill No. 3769 An Ordinance entitled, "An Ordinance providing for the letting of a contract for the furnishing and delivery of one (1) Semi-Portable Air Compressor for the Department of Public Works, Bureau of Automotive Equipment, and for the payment thereof".

Which was read.

Mr. Rodgers moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Dinan:

Mr. President: I would like to ask Mr. Rodgers, Chairman of the Committee on Public Works, a question. Will the purchase of this semi-portable air compressor require a new compressor operator?

Mr. Rodgers: If it requires it, we will not have it, because we did not put it into the budget.

Mr. Dinan: Then we should not have it, if we do not have a man to operate it.

Mr. Rodgers: I do not believe it is going to require an operator. I might suggest that we call Director Devlin and have it decided.

Mr. Rodgers moved

That the bill lay over until Director Devlin arrives.

Which motion prevailed.

And James S. Devlin, Director of the Department of Public Work, appeared before Council.

Mr. Rodgers:

Director Devlin informs me that this compressor will be used in the shop mainly and will be operated by the present repair force. It will not require an additional operator.

Mr. Dinan: How can you operate this with a laborer when we have to have Union labor?

Director Devlin: We have Union labor. This is not a mobile piece. It will be used in the shop and we do not have to have an operator engineer to operate the compressor in the garage. Any mechanic can operate it.

Mr. Rodgers: It will be operated by a Union man.

Director Devlin: Would you prefer to have a man sit there and wait to operate it?

Mr. Dinan: It isn't what I prefer.

The Chair: Does that come under the jurisdiction of the Mechanics' Union?

Director Devlin: It would come under the jurisdiction of the mechanics. They don't have operating engineers to pump the tires. Anybody can start a compressor. It is essential to the operation of the garage.

The Chair: Any other questions?

Mr. Dinan: The only thing, why can't we operate all the other compressors the same way.

Director Devlin: We are permitted by the Operator Engineers for a truck driver to operate it. In the large sizes the Operating Engineers demand that we have a man start the compressor, and we have such a man. That is your portable on wheels compressor. But on a small type the truck driver starts the compressor.

Mr. Dinan: The only thing that disturbs me is that when they find it is out there they will be in here to have us put on an operator.

Director Devlin: We have one in the shop.

Mr. Dinan: I am probably ahead of myself, but I like to be ahead of myself. I am going along with it because Director Devlin needs it. I like to give him anything he needs for the welfare of the City.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Counahan  
Dinan  
Fagan  
Jones  
Rodgers

Schifano  
Weir

#### ONE HUNDRED EIGHTH COUNCIL

THOMAS J. GALLAGHER.....President

GEORGE BOXHEIMER.....City Clerk

HARRY RUDICK.....Ass't City Clerk

Pittsburgh, Pa.,

Thursday, December 29, 1955.

Council met pursuant to motion adopted at meeting held Wednesday, December 21, 1955.

Present:—Messrs.

Counahan	Rodgers
Dinan	Schifano
Fagan	Weir
Jones	Gallagher (Pres't)

Absent: Mr. Wolk.

Mr. Fagan:

Mr. President: I would like to announce that the Chairman of the Finance Committee, Mr. Wolk, is in Montefiore Hospital. I talked with his brother, Mayer, at noontime, and there is nothing seriously wrong. The Doctor advised him, because of fatigue, to go to the hospital for a day or two. Thank the Lord there is nothing serious. He is merely there for a rest. Mayer said to express his regrets at not being here at this meeting because that is one of the reasons he did not leave town on the Doctor's advice. The Doctor said if he will rest a few days he will be as good as new.
